Searching for Cleopatra's Tomb Jose Cruz, 2025 Cleopatra remains one of the most famous queens of all time but no one has ever discovered the location of her tomb Ongoing discoveries help shed new light guiding scientists toward new information about the fascinating Queen of the Nile

The Search for Cleopatra Michael Foss, 1999-09-10 The myths surrounding Cleopatra are so vast and so contradictory that it is difficult to separate the real woman from the legend For centuries she has been portrayed as an Asian femme fatale the entrapping seductress of both Julius Caesar and Marc Antony and as a stunningly beautiful and ruthless queen who used her sexual wiles to subvert the course of Roman rule In this biography Michael Foss looks at the myths and then beyond using fresh research to bring to life the historical Cleopatra What emerges in vivid detail is the image of a woman with physical grace and appeal whose mind and political acumen were a match for Rome's mighty rulers Handsomely illustrated and impeccably documented *The Search for Cleopatra* offers a portrait of one of the most absorbing and intriguing figures of all history

Cleopatra Zahi A. Hawass, Franck Goddio, 2010 Secrets unfold in the official companion book to the new national touring exhibition cosponsored by National Geographic This richly illustrated book chronicles the life of Cleopatra and the centuries long quest to learn more about the queen and her tumultuous era

In Search Of The Lost Testament of Alexander the Great David Grant, 2017-01-28 A unique backstory of Alexander and his successors the biased historians' deceptions wars generals and the tale of the literature that preserved them Babylon mid June 323 BCE the gateway of the gods prostrated in the Summer Palace of Nebuchadnezzar II on the east bank of the Euphrates wracked by fever and having barely survived another night King Alexander III the rule of Macedonia for 12 years and 7 months had his senior officers congregate at his bedside Abandoned by Fortune and the healing god Asclepius he finally acknowledged he was dying Some 2 340 years on five barely intact accounts survive to tell a hardly coherent story At times in close accord though more often contradictory they conclude with a melee of death scene rehashes all of them suspicious the first portrayed Alexander dying silent and intestate he was Homeric and vocal in the second the third detailed his Last Will and Testament though it is attached to the stuff of romance Which account do we trust In *Search Of The Lost Testament Of Alexander The Great* is the result of a decade of contemplations on Alexander presented as a rich thematic narrative Grant describes as the backstory behind the history of the great Macedonian and his generals Taking an uncompromising investigative perspective Grant delves into the challenges faced by Alexander's unique tale the forgeries and biased historians the influences of rhetoric romance philosophy and religion on what was written and how Alexander's own mercurial personality is vividly dissected and the careers and the wars of his successors are presented with a unique eye But the book never loses sight of central aim to unravel the mystery behind Alexander's unconvincingly reported intestate death And out of Grant's research emerges one unavoidable verdict after 2 340 years the Last Will and Testament of Alexander III of Macedonia needs to be extracted from romance and reinstated to its rightful place in mainstream history

readers of all ages Immerse yourself in the world of the pharaohs and discover the timeless allure of this ancient civilization If you like this book write a review on google books **The Case of the Stolen Goddess** John Amos,2024-04-29 Flinders smiled Once more into the breach my friend Now famous after their previous quest to find Cleopatra s tomb detectives Flinders Petrie and Thomas Pettigrew begin their next adventure in search of a stolen statue of Aphrodite Their pursuit takes them from the bowels of the British Museum to the barren desert of Syria and the glamorous bustle of Istanbul At every step they are confronted by two incredibly evil opponents the Bulbul Pasha a giant of a man who sings like a nightingale while he kills and the Veiled One a horribly disfigured monster who lives only for revenge On the way they meet T E Lawrence and Gertrude Bell who are excavating a site in Syria Lawrence leads them to a crusader castle and into a surreal battle with the Bulbul but the statue still eludes them With Gertrude s help the detectives enlist the aid of British Intelligence which uses a ring of male and female belly dancers to track the statue to the Veiled One s harem Disguised as dancers the detectives infiltrate it setting up a climactic duel in the desert Set against the backdrop of an oncoming war this book is a window into the lush complexity of the Ottoman Empire the stark life of the desert bedouin and steadily vanishing societies Our protagonists enter a world of beauty and barbarity to find an artifact but find the hauntings of memory and perhaps a strange peace as well The action that drives this unpredictable narrative will leave you eagerly awaiting the next installment in the Petrie and Pettigrew series **The Search for Cleopatra** Chip Brown,2011 **Race** Denise Eileen McCoskey,2021-03-25 How do different cultures think about race In the modern era racial distinctiveness has been assessed primarily in terms of a person s physical appearance But it was not always so As Denise McCoskey shows the ancient Greeks and Romans did not use skin colour as the basis for categorising ethnic disparity The colour of one s skin lies at the foundation of racial variability today because it was used during the heyday of European exploration and colonialism to construct a hierarchy of civilizations and then justify slavery and other forms of economic exploitation Assumptions about race thus have to take into account factors other than mere physiognomy This is particularly true in relation to the classical world In fifth century Athens racial theory during the Persian Wars produced the categories Greek and Barbarian and set them in brutal opposition to one another a process that could be as intense and destructive as black and white in our own age Ideas about race in antiquity were therefore completely distinct but as closely bound to political and historical contexts as those that came later This provocative book boldly explores the complex matrices of race and the differing interpretations of ancient and modern across epic tragedy and the novel Ranging from Theocritus to Toni Morrison and from Tacitus and Pliny to Bernal s seminal study **Black Athena** this is a powerful and original new assessment **Titleist** Michael Strahle,2023-08-24 About the Book Titleist is about the golf ball that got hit off the moon in 1971 It ricocheted off a meteorite and eventually got lodged on another meteorite and traveled through space eventually landing on another planet This planet was almost exactly like Earth except that all the people were the size of small ants Unfortunately the ball carried with it a virus that infected the entire planet

Those unaffected left the planet in a spaceship just like the ball in search of an antidote to save the planet A fast paced adventure ensues as the brave crew of the spaceship Titleist hurls toward Earth in search of a cure About the Author Michael Strahle was born in McCloud CA and raised in and around Redding CA his entire life After graduating high school he became a full time logger by the age of 19 and by the age of 20 a friend had introduced him to snow skiing which changed his life He became obsessed with the sport but his life changed forever when he suddenly broke his neck He became a quadriplegic at that moment Luckily he could move his arms but had no grip in his hands After a month and a half of work in rehab he could feed himself again This accident was the root of his burning desire to make the best of bad situations After spending three months in the hospital he vowed to go sailing the day after returning home With the help of his friends and brother he went sailing as planned With the help of a local muffler shop he came up with the idea for a seat that would still allow him to see while on the catamaran he owned and within a year had a patent on a device called Trapseats to help disabled people sail Since it requires experienced people to help disabled sailors to go sailing he has started an organization called the Reading Yacht Club to give kids adults seniors and disabled people from all around the world a destination to travel to and go sailing with a friendly and helpful crowd of experienced sailors Their mission is to focus on enhancing people s lives through sailing and promoting safe boating

They steal all of Earth's fresh waters. The evil Captain Rameses from the Planet Zuard in the galaxy of the Five Suns come to earth with a sinister plan to steal Earth's water and take it back to their home planet. Oceans and rivers disappear. Our world is doomed. Eddie and Jessie must return water back to Earth before our planet becomes a dead star and all life dies. With the help of Grandfather's spirit placed into a divining water rod and the crew from the Planet Htrae they take us through the depths of the mountain caves, volcanoes, fire, gases, spitting lava, and the largest water rapids in the world, all while being chased by aliens.

Aliens Among Us A scientist discovers that the Stones of Life and an Ancient Book of Spells are missing from the top of the universe. The stones must be returned. They keep the planets and universe in balance, which creates peace in the cosmos. Time is running out because without the stones, the planets are now unbalanced and are in danger of complete disarray. Jessie and Eddie have won a trip to Egypt, wanting to tell her sister Crystal about the good news. Jessie accidentally found out about the universe and cosmos are unbalanced. Crystal and her team are sent back in time to ancient Egypt to retrieve the stones and book. Wanting to help her sister, Jessie devises a way to hitch a ride back in time on Crystal's vessel, but Jessie's plan goes awry. Jessie, Eddie, and White Cloud get lost in the tombs of the Valley of the Kings, shot into space and shot down by space bandits, and end up in a time machine trying to find a way home.

Eddie and Jessie discover them and must find a way to fly them back to their home planet. Eddie and Jessie are on a cruise to Bermuda with Eddie's parents. The ship encounters a weird storm in the Bermuda Triangle. A rogue wave hits the ship, and Jessie and Eddie are washed overboard into the choppy sea, fighting off sharks. They are pulled into the magnetic field, forcing them deeper and deeper into the ocean, landing on top of a spaceship. The hatch pops open, and they are sucked inside. Sitting on the bridge are two aliens who are ill. They are dying. They find seven more aliens with the same sickness. Jessie and Eddie get in touch with Crystal and her team, in hopes they can help her and Eddie find a way to fly the ship out of Earth's ocean and return them back to the planet of its destination. While in flight, White Cloud finds an alien game called *Meet the Master of Your Fate*, but he did not read the instructions. On the last level, he is sucked into the game and must find his master before all of the monsters, ghouls, and demons get him.
