## **Searching For A Piece Of My Soul:**

*Searching for Authenticity* S. Gayle Baugh, Sherry E. Sullivan, 2015-05-01 Volume 2 of the Research in Careers series focuses on the search for authenticity in one's career. Although there has been growing interest in the topic within the popular press, relatively little academic research has been completed on authenticity and careers. Researchers are still refining the concept of authenticity and are just beginning to investigate how it influences the enactment of careers in today's turbulent career landscape. This volume offers the first organized effort on the topic. This volume contains seven chapters which examine the search for authenticity derived from the Kaleidoscope Career Model Mainiero Sullivan 2006. Chapters 1 and 2 present a review of the literature and an in-depth analysis of the construct of authenticity. Chapter 1 offers a new lens to view career authenticity based on two dimensions of self-awareness and adaptability. Chapter 2 uses two case studies to define how individuals are authentic in their career. Chapters 3 and 4 examine the authenticity of individuals in different career stages with Chapter 3 examining recent college graduates and Chapter 4 examining mid to late stage careerists. Chapters 5, 6, and 7 focus on the interplay between social interactions and career authenticity. Chapter 5 offers a process model that traces how through negotiation a person's identities shape and are shaped by relationships with others leading to the enactment of an authentic career. Chapter 6 explores how individuals remain authentic in their career while negotiating the conflicting expectations of multiple interest groups. Chapter 7 examines the complex relationships among career authenticity, political behaviors, and strain.

**In Search of the Soul, Second Edition** Joel B. Green, 2010-11-01 Why A Search for the Soul? Many Christians assume that it is biblically faithful and theologically noncontroversial to speak of humans having a soul. Yet a wide range of biblical scholars are questioning whether we have correctly understood what the Bible means when it speaks of the soul. And contemporary neuroscience is laying more and more questions at the doorstep of the church, asking whether our human sense of self is intelligible on the basis of soul. But for thoughtful Christians following science on this point looks like caving in to reductionism while denying science gives off the odor of obscurantism. *In Search of the Soul* provides a rare opportunity to listen in as four Christian philosophers set forth their best arguments for their distinct views and then respond to each other. While each of these views calls for careful framing and patient exposition, they are labeled as follows: SUBSTANCE DUALISM Stewart Goetz, EMERGENT DUALISM William Hasker, NONREDUCTIVE PHYSICALISM Nancey Murphy, CONSTITUTION VIEW OF PERSONS Kevin Corcoran. The editor introduces the debate by laying out the critical issues at stake and wraps it up by considering the implications for the Christian life, particularly hospitality and forgiveness. This is a book of timely interest to philosophers, theologians, psychologists, and pastors. Whatever conclusions readers may draw, they will find here an instructive and engaging discussion of a controversy that will not go away any time soon.

**Mask in the Mirror** Nidhi Chawla,2010-04 The process of weaving a fictional dream can be painful and also joyful path to self discovery realizes an ordinary man when he sits down to reveal his thoughts and bring to life characters whose lives would confront and impact his heart and mind As the people of the imaginary world open the Writer's eyes to his own soul he relishes his intimate sentiments and sees the color of his emotions Caught in an imaginary fabrication where at times he basks in the beauty of creation and at moments he suffers its loneliness There is transformation and simultaneous transition during these years of writing the beginning commences in the cold winter and rejuvenating spring comes in the end But the big question is will the Writer and his realm of fiction survive or both perish without the world ever reading his words and recognizing his worth Mask in the Mirror is a gripping story of self discovery introspection and a touching saga of how fictional life can change the real life of an ordinary man
