*Searching for Mercy Street* Linda Gray Sexton, 2011-04-10 A New York Times Notable Book of the Year A candid often painful depiction of a daughter's struggles to come to terms with her powerful and emotionally troubled mother the Pulitzer Prize winning poet Anne Sexton New York Times This is an honest unsparing memoir of the anguish and fierce love that bound a difficult mother and the daughter she left behind Linda Sexton was 21 when her mother killed herself and now she looks back remembers and tries to come to terms with her mother's life Growing up with Anne Sexton was a wild mixture of suicidal depression and manic happiness inappropriate behavior and midnight trips to the psychiatric ward Anne taught Linda how to write how to see how to imagine and only Linda could have written a book that captures so vividly the intimate details and lingering emotions of their life together *Searching for Mercy Street* speaks to everyone who admires Anne Sexton and to every daughter or son who knows the pain of an imperfect childhood *Anne Sexton* Paula M. Salvio, 2012-02-01 Winner of the 2008 Critics Choice Award presented by the American Educational Studies Association A Pulitzer Prize winning poet who confessed the unrelenting anguish of addiction and depression Anne Sexton 1928-1974 was also a dedicated teacher In this book Paula M Salvio opens up Sexton's classroom uncovering a teacher who willfully demonstrated that the personal could also be plural Looking at how Sexton framed and used the personal in teaching and learning Salvio considers the extent to which our histories both personal and social exert their influence on teaching In doing so she situates the teaching life of Anne Sexton at the center of some of the key problems and questions in feminist teaching navigating the appropriate distance between teacher and student the relationship between writer and poetic subject and the relationship between emotional life and knowledge Examining Sexton's pedagogy with its weird abundance of tactics and strategies Salvio argues that Sexton's use of the autobiographical I is as much a literary identity as a literal identity one that can speak with great force to educators who recognize its vital role in the humanities classroom *Half in Love* Linda Gray Sexton, 2012-01-10 After the agony of witnessing her mother's multiple and ultimately successful suicide attempts Linda Gray Sexton daughter of the acclaimed poet Anne Sexton struggles with an engulfing undertow of depression Here with powerful unsparing prose Sexton conveys her urgent need to escape the legacy of suicide that consumed her family a topic rarely explored even today in such poignant depth Linda Gray Sexton tries multiple times to kill herself even though as a daughter sister wife and most importantly a mother she knows the pain her act would cause But unlike her mother's story Linda's is ultimately one of triumph Through the help of family therapy and medicine she confronts deep seated issues and curbs the haunting cycle of suicide she once seemed destined to inherit *Art and Madness* Fred Goodwin, 2001-02 *Encyclopedia of Motherhood* Andrea O'Reilly, 2010-04-06 In the last decade the topic of motherhood has emerged as a distinct and established field of scholarly inquiry A cursory review of motherhood research reveals that hundreds of scholarly articles have been published on almost every motherhood theme imaginable The *Encyclopedia of Motherhood* is a collection of

approximately 700 articles in a three volume A to Z set exploring major topics related to motherhood from geographical historical and cultural entries to anthropological and psychological contributions In human society few institutions are as important as motherhood and this unique encyclopedia captures the interdisciplinary foundation of the subject in one convenient reference The Encyclopedia is a comprehensive resource designed to provide an understanding of the complexities of motherhood for academic and public libraries and is written by academics and institutional experts in the social and behavioural sciences

Confidentiality and Its Discontents Paul W. Moshier, Jeffrey Berman, 2015-07-01

Freud promised his patients absolute confidentiality regardless of what they revealed but privacy in psychotherapy began to erode a half century ago. Psychotherapists now seem to serve as double agents with a dual and often conflicting allegiance to patient and society. Some therapists even go so far as to issue Miranda type warnings advising patients that what they say in therapy may be used against them. Confidentiality and Its Discontents explores the human stories arising from this loss of confidentiality in psychotherapy. Addressing different types of psychotherapy breaches, Moshier and Berman begin with the story of novelist Philip Roth who was horrified when he learned that his psychoanalyst had written a thinly veiled case study about him. Other breaches of privacy occur when the so called duty to protect compels a therapist to break confidentiality by contacting the police. Every psychotherapist has heard about Tarasoff but few know the details of this story of fatal attraction. Nor are most readers familiar with the Jaffee case which established psychotherapist patient privilege in the federal courts. Similarly the story of Robert Bierenbaum a New York surgeon who was brought to justice fifteen years after he brutally murdered his wife reveals how privileged communication became established in a state court. Meanwhile the story of New York Chief Judge Sol Wachtler convicted of harassing a former lover and her daughter shows how the fear of the loss of confidentiality may prevent a person from seeking treatment with potentially disastrous results. While affirming the importance of the psychotherapist patient privilege Confidentiality and Its Discontents focuses on both the inner and outer stories of the characters involved in noteworthy psychotherapy breaches and the ways in which psychiatry and the law can complement but sometimes clash with each other.
