teasingly I turn away from him hoping he won't see how much he's pissing me off. He knows I hate that fucking nickname but he hasn't stopped calling me that since we were little. The Diary of Samuel Pepys f Samuel Pepys, 2021-01-01 Although the Diary of Samuel Pepys has been in the hands of the public for nearly seventy years it has not hitherto appeared in its entirety. In the

original edition of 1825 scarcely half of the manuscript was printed Lord Braybrooke added some passages as the various editions were published but in the preface to his last edition he wrote there appeared indeed no necessity to amplify or in any way to alter the text of the Diary beyond the correction of a few verbal errors and corrupt passages hitherto overlooked The public knew nothing as to what was left unprinted and there was therefore a general feeling of gratification when it was announced some eighteen years ago that a new edition was to be published by the Rev Mynors Bright with the addition of new matter equal to a third of the whole It was understood that at last the Diary was to appear in its entirety but there was a passage in Mr Bright s preface which suggested a doubt respecting the necessary completeness He wrote It would have been tedious to the reader if I had copied from the Diary the account of his daily work at the office As a matter of fact Mr Bright left roughly speaking about one fifth of the whole Diary still unprinted although he transcribed the whole and bequeathed his transcript to Magdalene College The Diary of Samuel Pepys by Samuel Pepys is a unique glimpse into the daily life of a 17th century Englishman Pepys was a well known and influential figure in English society and his diary provides fascinating insights into the politics culture and social norms of the time Key Aspects of the Book The Diary of Samuel Pepys Historical Significance The diary is a valuable historical document offering a first hand account of life in 17th century England Personal Perspective Pepys diary is a personal account of his daily life providing readers with a sense of his personality character and beliefs Educational Value The diary offers readers a unique opportunity to learn about the culture politics and social norms of 17th century England in an engaging and accessible way Samuel Pepys was an English naval administrator and Member of Parliament Born in 1633 he is best known for his diary which he kept from 1660 1669 The diary is a valuable historical record and continues to be celebrated for its insights into English society and culture during the Restoration period The Guardian of TeraMagoria Heath Buckmaster,2016-01-17 The lonely witch Bertha sat at the window of her bedroom in a large and dusty castle Across the river a group of villagers laughed and played and averted their eyes from the watching witch They were afraid of her but Bertha did not understand why She was a good witch after all She had never cast a mean spell in her life and wouldn t think of doing so And so she was alone without a true friend except for the ghosts that lived with her in the castle But a ghost couldn t give her a hug when she was sad and a ghost couldn t join her for dinner She longed for a real and true living friend who could be her companion And then after the strangest of circumstances into her life came a talking red fish a ghost witch and a mystery to solve that was hundreds of years old Could Bertha solve the mystery of the talking fish Would she ever earn the respect of the villagers And would she ever learn how to fly like a proper witch Join the adventure as Bertha the White Witch sets out across three magical kingdoms in search of the missing guardians and perhaps finds herself along the way The Guardian of TeraMagoria is the first book in the TeraNor series for young adults by author Heath Buckmaster **New York Court of Appeals.
