### **Searchings Secret Landscapes Of Flowers Volume Iii:**

**Searchings** ,2005-09-01 In this her third and final book of up close photographs of flowers Ms Bordinick was compelled to answer a challenge She had worked in fashion all of her career and three years ago began shooting flowers when a model failed to keep an appointment and the flowers sat waiting She began the exploration and volume I and II were published in turn filled with color and sensuality and a sense of dramatic architecture as only flowers can provide In this volume she wanted to discover what was hidden beneath the flora of white I realized that the white flowers served as resting places in an otherwise voluptuous symphony of color Yet when photographing them they were the ones that most captivated me she said *Searchings Secret Landscapes of Flowers Volume III* explores deeply what captures the heart Each white flower bursts forth onto the page with splashes of pigment and accents of pink orange green and purple As you journey through the pages it is impossible not to be riveted by the peaks and valleys of nature s most exquisite forms simultaneously virginal and passionate *Arminell, Vol. 3* Sabine Baring-Gould,2021-12-02

,2004-04-01 In *Searchings Secret Landscapes of Flowers Volume II* photographer Barbara Bordnick continues a journey she began when she idly turned her new camera on a few flowers she had in her studio At the time she had no particular purpose other than to see what the results would be As she put it in a recent interview To me photographing flowers was a sign that retirement was just around the corner Two years later following the 2003 publication of *Searchings* her first volume of flower photographs Bordnick now acknowledges that photographing flowers was meant to be In this second volume of her work she enters a new stage in the evolution of her unique relationship to her subject On the one hand she has equipped herself with the newer more technically superior camera On the other she has over the course of this work refined her perception of what is at heart a flower s basic nature its infinite variety of being Reflected through the lens of her camera the images are as much about this perception and the photographer s sense of her own existence as they are about the flowers themselves As Bordnick describes it My photos have nothing to do with describing flowers The photographs have to do with an emotional experience and a personal voyage
