A Novel**, 1915      **God's Conflict with the Dragon and the Sea** John Day, 2020-04-20 The Old Testament contains a number of interesting poetic references to God's conflict with a dragon called by names such as Leviathan Rahab or the twisting serpent and with the sea In this original contribution to the background and understanding of the Old Testament Dr Day undertakes a detailed and thorough examination of these allusions Building on the discovery of the Ugaritic texts he demonstrates a source for these references within Canaanite mythology His study further explores the associations of the imagery Sometimes in the Old Testament the dragon is associated with the creation of the world or it becomes a symbol of a foreign nation and in some references it is associated with divine conflict at the end of time      **God's Wonderful Works** Eric D. **The Gods of the Sea** Fynn Holm, 2023-08-24 Japan is often imagined as a nation with a long history of whaling In this innovative new study Fynn Holm argues that for centuries some regions in early modern Japan did not engage in whaling In fact they were actively opposed to it even resorting to violence when whales were killed Resistance against whaling was widespread especially in the Northeast among the Japanese fishermen who worshiped whales as the incarnation of Ebisu the god of the sea Holm argues that human interactions with whales were much more diverse than the basic hunter prey relationship as cetaceans played a pivotal role in proto industrial fisheries The advent of industrial whaling in the early twentieth century however destroyed this centuries long equilibrium between humans and whales In its place communities in Northeast Japan invented a new whaling tradition which has almost completely eclipsed older forms of human whale interactions This title is also available as Open Access
