Season Of Renewal A Diary For Women Moving Beyond The Loss Of A Love:

Season of Renewal Judith Finlayson, 1993-11 Revolution from Within Gloria Steinem, 2012-05-15 Newly updated The bestseller that could bring the human race a little closer to rescuing itself from the subject of the film *The Two Glorias* Naomi Wolf Without self esteem the only change is an exchange of masters with it there is no need for masters When trying to find books to give to the countless brave and smart women I met who didn't think of themselves as either brave or smart Steinem realized that books either supposed that external political change would cure everything or that internal change would None linked internal and external change together in a seamless circle of cause and effect effect and cause She undertook to write such a book and ended up transforming her life as well as the lives of others The result of her reflections is this truly transformative book part personal collection of stories from her own life and the lives of many others part revolutionary guide to finding community and inspiration Steinem finds role models in a very young and uncertain Gandhi as well as unlikely heroes from the streets to history *Revolution from Within* addresses the core issues of self authority and unjust external authority and argues that the first is necessary to transform the second This ebook features an illustrated biography of Gloria Steinem including rare images from the author's personal collection as well as a new preface and list of book recommendations from Steinem *Forthcoming Books* Rose Army, 1998-04 The Writer's Journal Sheila Bender, 1997 Writers rarely share their unedited journals with others On these most private of pages or on odd scraps of paper they jot down bits and pieces of their lives and thoughts This unique anthology presents excerpts from the journals of forty of today's most noted writers and editor Sheila Bender asked the authors to comment on the role of journal keeping in creating their art As a guide to creating a journal of your own or simply as a riveting collection of never before published pieces from our finest contemporary talents *The Writer's Journal* is a superb work a classic on the creative process no serious reader or writer should miss BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Une révolution intérieure : Renforcer l'estime de soi Gloria Steinem, 2023-01-11 L'estime de soi selon l'icône du féminisme Gloria Steinem Gloria Steinem a lutté toute sa vie contre les injustices sociales Dans Une révolution intérieure elle s'emploie à montrer comment ces injustices viennent saper l'estime de soi chez les femmes mais aussi chez les hommes peu importe l'appartenance ethnique la classe sociale l'âge ou l'orientation sexuelle Convaincue que le personnel est politique et que l'estime de soi détermine notre capacité d'exister dans l'espace public elle nous livre des clés essentielles pour la restaurer acquisition de connaissances et de techniques partage d'expériences ou encore méditations guidées Un ouvrage qui mêle anecdotes personnelles témoignages et analyses et qui invite à s'emparer de sa propre vie Publi dans une nouvelle traduction avec une préface inédite de Mona Chollet propos de l'autrice Gloria Steinem est une activiste féministe américaine née en 1934 Journaliste autrice elle a fondé le magazine *Ms* et avec Jane Fonda et Robin Morgan le Women's Media Center une organisation qui se bat pour rendre les femmes plus visibles dans les médias **The Publishers Weekly**, 1993 **Quill &**

Quire ,1993 **LOVELY, LONELY LIFE** Mary Kelly Black,2007-11-14 These journal entries comprise two volumes of selections Vol I 1973 1982 Vol II 1983 2003 Volume I includes an Introduction and some biographical memories As Stephane Mallarme considered literature the antithesis of journalism a journal is often the antithesis of a diary It is of less interest to record moods and events or barriers to self realization than to have ideas and insights about these As a journal keeper I am generally disinterested in diurnal details unless these form the compost of deeper exploration or revelation seeking insight into my condition not simply its description A journal therefore is often more complex and difficult than a diary far less personal in depictions of daily fortune using everyday experiences as a stepstool at the least to peer beyond the walls of psychological enclosure I did not choose the journal form to mask the personal to belittle or avoid it but to reflect my most intimate assessment of the personal as contributing to something greater comprehension It is not enough merely to record the frustrations joys or barriers of living without appraising these for what they represent and suggest where we learn not merely reiterate The ideal criteria of selection and discrimination apply not only to one s journal but to life as well adding a mythological drama and perspective that immersion alone does not permit In some ways journalizing is similar in impulse to the pastoral ethos or motif familiar in contemplative writing from Virgil to Thoreau one withdraws from active society toward natural or rural settings in search of some form of respite then returns to tell of their discoveries Some critics have seen this as the organizing design of most North American fables in fact as the American mythology seeking to heal the serious schism between our natural psyche and its more devastated environment that is a search for a middle ground or via media between the primitive and the technologically complex This volume of journal selections resembles that motif focusing on the withdrawal phase of a generally recuperative metaphysical cycle Such solitude is intentional a critical phase in the live withdraw live again cycle of spiritual refreshment A recuperative isolation can be experienced daily if one is discriminating in how their time is spent but is usually gained more intensely over long purposefully reclusive periods The motivations for my withdrawal were several perhaps the strongest a propensity as described of another Irish writer for being nearly overcome by the variety of life If not overcome certainly fatigued by events in and of themselves A reflective silence seemed essential to examine the roots of this propensity An ideal of pure time free of most distractions human or otherwise was also necessary for writing of the sort that interested me the personally contemplative or mystical Only through such reflection could I ever achieve a meaningful connection with the more active life that surrounded me The predominant experience of solitude especially in a society where the value of withdrawal is suspect or sporadic is the figurative isolation one experiences throughout the entire cycle of withdrawal and re emergence It is generally difficult for lovers of action to comprehend this attraction to non doing One of the aims of solitude is to reunite philosophy and religion or rather philosophy and awe to not accept the social impoverishment of these universal needs for knowledge and worship The asceticism of retreat was not solely the traditional and philosophical appeal of simplicity but the freedom from income producing and time consuming work

it permitted For the solitary however an ideal of pure time must be united with an ideal of intimate association if the mystical quest is to be emotionally as well *Fanny Lewald* Margaret E. Ward, 2006 *Fanny Lewald Between Rebellion and Renunciation* provides the first comprehensive account in English of the life and work of Fanny Lewald 1811-1889 tracing the way she positioned herself sometimes precariously between rebellion and renunciation All genres are considered novels and stories autobiography travel literature essays diaries and letters Widely recognized as one of the early German advocates of women's right to education and work this study places Lewald's views on these issues in a broadly comparative cultural context This book will therefore be of interest not only to specialists in German literature but also to students and scholars of European cultural and social history Jewish studies and women's studies Publisher's website **Yoga Journal**, 2004-05 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty The Oxford literary gazette and classical and foreign journal, 1829 The London Journal, 1845 Woman's Journal, 1920 Frank Leslie's New York Journal, 1855 International Journal on Multicultural Literature (IJML) Vol. 8, No. 1 S.
