Seasons With Mitch Catherine Lockman Zabel,2019-09-24 This book is an inspiring collection of devotionals gleaned from nature walks with the author s dog Through conversations and experiencing truths played out through daily walks with Mitch the author writes about adventures and misadventures during the four seasons As nature becomes a backdrop and a blackboard for lessons learned along the way the changing of the seasons marks the passing of time in dog and master s lives Whether it is the night of the feared dognapping of her best four footed friend or an encounter on the highway with a state trooper in her speed demon red car God inevitably shows up with a reminder from scripture or His own special kind of intervention Sometimes the reader is treated to conversations between master and canine which point to greater truths from a greater Master Come along and enjoy a walk from your favorite armchair or reading spot You can read as little or as much as you like without spoiling a single adventure Miracles angels and divine intervention the author encounters them all as just another blessed day in the journey of a believer **Good Morning Lord** Alicia Goodwin Jacobs,2011-03-07 Starting each morning with God is a must Studying the Holy Word and talking to God everyday can change your life I set my alarm atleast

30 minutes early every day to allow time with God Keeping a prayer journal helps me to focus on my prayer crying out to God with an honest heart God longs to hear from us I started writing devotions to help me cope with difficult times and before I knew it I set a goal of 365 Each of these devotions were revealed to me from God as we spent time together every morning and throughout the day I hope these words will bless you as much as they have blessed me **Good Morning Message**

Peggy Edwards,2010-08 This daily devotional book has been a God led inspiration from its very start up from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I ve had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I m led to put them into a year of daily devotionals book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn t include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you *The Crossing Gate: A Waltz of Sin and Fire Series. Book One* Asiel R. Lavie,2022-01-04 She can t grow up Literally In the kingdom of Elpax juveniles must walk through the mysterious Crossing Gate to become adults and seventeen year old Lenora is determined that her third attempt at crossing to adulthood will be successful Even though adulthood means facing horrible realities such as sin spots appearing on her body whenever she commits a sin it also means being able to have a job And Lenora needs to work to support her struggling family But Lenora s Crossing Day goes horribly wrong Accused of trying to start a revolution Lenora must obey the kingdom s laws to the letter if she wants to take suspicion off herself But following the rules isn t as easy as it sounds Especially when she meets a mysterious and handsome stranger who makes her feel emotions she s never experienced before even though juveniles in Elpax aren t supposed to be capable of falling in love With the long arm of the law looming over her and her family Lenora must walk a tightrope between following the rules and investigating why she s unable to cross Not to mention discovering where her new adult emotions are coming from But as Lenora uncovers more of Elpax s terrible secrets she realizes that fighting the system might be the only way to save her family her country and her first love The first in an epic series perfect for fans of Victoria Aveyard s Red Queen and Lauren Oliver s Delirium The Crossing Gate combines the tropes of classic YA dystopia with a Greek inspired setting and fantasy elements that will whisk
