Winner, 2002-09-16 Like most of us Lauren Winner wants something to believe in The child of a reform Jewish father and a lapsed Southern Baptist mother she chose to become an Orthodox Jew But as she faithfully observes the Sabbath rituals and studies Jewish laws she finds herself increasingly drawn to Christianity Taking a courageous step she leaves behind what she loves and converts Now the even harder part How does one reinvent a religious self How does one embrace the new without abandoning the old How does a convert become spiritually whole In GIRL MEETS GOD this appealingly honest young woman takes us through a year in her search for a religious identity Despite her conversion she finds that her world is still shaped by her Jewish experiences Even as she rejoices in the holy days of the Christian calendar she mourns the Jewish rituals she still

holds dear Attempting to reconcile the two sides of her religious self Winner applies the lessons of Judaism to the teachings of the New Testament hosts a Christian seder and struggles to fit her Orthodox friends into her new religious life Ultimately she learns that faith takes practice and belief is an ongoing challenge Like Anne Lamott s Winner s journey to Christendom is bumpy but it is the rocky path itself that makes her a perfect guide to exploring spirituality in today s complicated world Her engaging approach to religion in the twenty first century is illuminating thought provoking and most certainly controversial

Doctrine and Latter-day Saint Doctrine Amos R. Jackson,1997 The Battle Between the Moon and Sun Jenny Kien,2003

Woman s mysterious bleedings in time with moon cycles were first seen as the human embodiment of the cosmic mysteries of birth death and rebirth and served as the basis for time keeping With the rise of absolute kingships in the Ancient Near East authority shifted from women and goddesses to men and gods The male sun displaced the cycling moon as dominant deity This conflict between the moon and sun estranged women from the cosmic dance and led to their social marginalization Spiritual imagery became solar an exclusive and masculine imagery recognizing only one truth and demonizing all else Incorporated into Judaism and Christianity this imagery became an integral part of Western culture The history of the Jewish and Christian calendars show how women were excluded from time keeping further marginalizing them This eliminated the natural world from time keeping adding to our alienation from nature To end the Battle between the Moon and Sun a new spiritual imagery must replace the current solar form The history of the Battle shows that redeveloping the old female lunar imagery could help restore social inclusiveness and a reverence for life **The Bible and the Comic Vision** J. William

Whedbee,1998-05-28 Apart from the occasional recognition of comic forms or motifs in biblical dress the vast majority of

interpreters have usually discounted or even disdained the possibility of the Bible having any significant place for the comic vision This book attempts to make amends for this short sighted prejudicial perspective **Easter, Passover, and Other Spring Festivals** Ann Morrill,2009 Presents and covers events like Easter and Thanksgiving in various countries Such as the lesser known celebrations like Navruz a spring festival celebrated by people of the Zoroastrian faith and Jaanip ev a Midsummer celebration in Estonia **Every Person's Guide to Passover** Ronald H.
