Secession Debated Georgias Showdown In 186:

Secession Debated William W. Freehling, Craig M. Simpson, 1992 The critical northern antebellum debate matched the rhetorical skills of Abraham Lincoln and Stephen A Douglas in an historic argument over the future of slavery in a westward expanding America Two years later an equally historic oratorical showdown between secessionists and Unionists in Georgia generated as much popular interest south of the Mason Dixon line and perhaps had an even more profound immediate effect on the future of the United States With Abraham Lincoln s Black Republican triumph in the presidential election of 1860 came ardent secessionist sentiment in the South But Unionists were equally zealous and while South Carolina a bastion of Disunionism since 1832 seemed certain to secede the other fourteen slave states were far from decided In the deep South the road to disunion depended much on the actions of Georgia a veritable microcosm of the divided South and geographically in the middle of the Cotton South If Georgia went for the Union secessionist South Carolina could be isolated So in November of 1860 all the eyes of Dixie turned to tiny Milledgeville pre war capital of Georgia for a legislative confrontation that would help chart the course toward civil war In **Secession Debated** William W Freehling and Craig M Simpson have for the first time collected the seven surviving speeches and public letters of this greatest of southern debates over disunion providing today s reader with a unique window into a moment of American crisis Introducing the debate and debaters in compelling fashion the editors help bring to life a sleepy Southern town suddenly alive with importance as a divided legislature met to decide the fate of Georgia and by extension that of the nation We hear myriad voices among them the energetic and self righteous governor Joseph E Brown who while a slaveholder and secessionist was somewhat suspect as a native North Georgian Alexander H Stephens the eloquent Unionist whose calm dispassionate approach ultimately backfired and fiery secessionist Robert Toombs who impatient with Brown s indecisiveness and the caution of the Unionists shouted to legislators Give me the sword but if you do not place it in my hands before God I will take it The secessionists Henry Benning and Thomas R R Cobb as well as the Unionists Benjamin Hill and Herschel Johnson also speak to us across the years most with eloquence all with the patriotic passionate conviction that defined an era In the end the legislature adopted a convention bill which decreed a popular vote on the issue in early January 1861 The election results were close mirroring the intense debate of two months before 51% of Georgians favored immediate secession a slim margin which the propaganda conscious Brown later inflated to 58% On January 19th the Georgia Convention sanctioned secession in a 166 130 vote and the imminent Confederacy had its Southern hinge **Secession Debated** is a colorful and gripping tale told in the words of the actual participants one which sheds new light on one of the great and hitherto neglected verbal showdowns in American history It is essential to a full understanding of the origins of the war between the states

Secession Winter

Robert J. Cook, William L. Barney, Elizabeth R. Varon, 2013-05 What prompted southern secession in the winter of 1860 61 and why did secession culminate in the American Civil War Politicians and opinion leaders on both sides of the Mason Dixon line struggled to formulate coherent responses to the secession of the deep South states The Confederate attack on Fort Sumter in mid April 1861 triggered civil war and the loss of four upper South states from the Union The essays by three senior historians in *Secession Winter* explore the robust debates that preceded these events For five months in the winter of 1860

1861 Americans did not know for certain that civil war was upon them Some hoped for a compromise others wanted a fight Many struggled to understand what was happening to their country Robert J Cook William L Barney and Elizabeth R Varon take approaches to this period that combine political economic and social cultural lines of analysis Rather than focus on whether civil war was inevitable they look at the political process of secession and find multiple internal divisions political parties whites and nonwhites elites and masses men and women Even individual northerners and southerners suffered inner conflicts The authors include the voices of Unionists and Whig party moderates who had much to lose and upcountry folk who owned no slaves and did not particularly like those who did Barney contends that white southerners were driven to secede by anxiety and guilt over slavery Varon takes a new look at Robert E Lee s decision to join the Confederacy Cook argues that both northern and southern politicians claimed the rightness of their cause by constructing selective narratives of historical grievances Secession Winter explores the fact of contingency and reminds readers and students that nothing was foreordained **The Assertions of Secessionist** Alexander Hamilton Stephens, 1860
