

I love you because I know you're always there...
there to catch me when I fall... there to listen
when I need you, there when I feel alone. I love
you because you understand me... you know how
I feel even when I can't say it... you know I'm not
as strong as I say and still you never let me know
that I'm not fooling you. I love you because you
make me believe, believe that I am not
worthless... believe that I can be loved, am loved,
and can love others. I love you because you
know, you know I feel this way but can't say it
and still you wait... letting me take my time to
come to terms with the fact that I love you...
would give my life up to be with you... and about
all... never hurt you... lie to you... or leave you.
Now I hope you understand.

Miller,2014-09-15 The first full length biography of the Pulitzer Prize winning composer Winner of both the Pulitzer Prize and the Grawemeyer Award Aaron Jay Kernis achieved recognition as one of the leading composers of his generation while still in his thirties Since then his eloquent yet accessible style emphasis on melody and willingness to

engage popular as well as classical forms has brought him widespread acclaim and admiring audiences Leta Miller's biography offers the first survey of the composer's life and work Immersed in music by middle school and later training under Theodore Antoniou John Adams Jacob Druckman and others Kernis rejected the idea of distancing his work from worldly concerns and composed on political themes His Second Symphony from 1991 engaged with the first Gulf War 1993's Still Moment with Hymn was a reaction to the Bosnian Genocide and the next year's Colored Field and 1995's Lament and Prayer dealt with the Holocaust Yet Kernis also used sources as disparate as futurist agitprop and children's games to display humor in his work Miller's analysis addresses not only Kernis's wide range of subjects but also the eclecticism that has baffled critics analyzing his dedication to synthesis and the themes consistent in his work Informed and engaging Aaron Jay Kernis gives a rare mid career portrait of a major American cultural figure
