A PREHISTORY OF PSYCHEDELIA

PAUL DEVEREUX

# Long Trip The Prehistory Of Psychedelia

**Susan Blackmore**

## **Long Trip The Prehistory Of Psychedelia:**

*The Long Trip* Paul Devereux, 1997 A wide variety of psychedelics primarily plants and mushrooms have been used consistently by human societies for ritual purposes for centuries This illuminating book presents a pioneering study of the uses of psychedelic drugs from ancient times to the present Illustrations Otherworlds David Luke, 2019-05-24 Scientist and psychonaut David Luke weaves personal experience and scientific research in this comprehensive exploration of chemically mediated extra ordinary human experiences Emphasizing parapsychological aspects of the psychedelic experience Luke s new book fills in a fascinating and previously neglected lacuna in the burgeoning field of human studies with these compounds Rick Strassman PhD A psychedelic Indiana Jones Matt Colborn PhD David Luke s delightful one liner about his book is that it s about weird people in weird places taking weird substances doing weird things and importantly having weird experiences On reflection it s much more profound than that So weird reader forge ahead without fear Dean Radin PhD In his fascinating book David plunges into this controversial topic and gives the backstory the front story and possible ways forward to bring paranormal and psychedelic research together and further our understanding of both Dennis J McKenna PhD A remarkable collection and a necessary one This body of research illuminates aspects of psychedelic experiences usually obscured or denied in the medical and clinical research and sensationalized in the popular press James Fadiman PhD A real Dr Gonzo Will Self

**Deeper Learning with Psychedelics** David J. Blacker, 2024-06-01 In both clinical and informal settings psychedelics users often report they have undergone something profound and even life altering Yet there persists a confounding inability to articulate just what has been imparted Informed by multidisciplinary emerging research this book provides an account of the specifically educational aspects of psychedelics and how they can render us ready to learn Drawing from indigenous peoples worldwide who typically revere these substances as plant teachers and from canonical thinkers in the western tradition such as Plato Spinoza Kant and Heidegger the author proposes an original set of categories through which to understand the educational capabilities of entheogens psychedelics with visionary qualities It emerges that entheogens real power lies not in destabilizing and decentering turning on and dropping out but as powerful aids in restoring and reenchancing our shared worlds

**The Acid Queen** Susannah Cahalan, 2025-04-22 Shines a light on one of the twentieth century s most amazing untold life stories An essential read and an unforgettable trip Robert Kolker author of *Hidden Valley Road* Cahalan details a piece of lost but fascinating history the story of a woman who embodied an era of freedom experimentation and psychedelic adventure Meticulously reported and beautifully crafted Susan Orlean The untold story of the woman who played a critical role in bringing psychedelics into the mainstream until her audacious exploits forced her into the shadows from the 1 New York Times bestselling author of *Brain on Fire* Rosemary Woodruff Leary has been known only as the wife of Timothy Leary the Harvard professor turned psychedelic high priest whose jailbreak captivated the counterculture and whose life on the run with Rosemary inflamed the government But Rosemary was more

than a mere accessory She was a beatnik a psychonaut and a true believer who tested the limits of her mind and the expectations for women of her time Long overlooked by those who have venerated her husband Rosemary spent her life on the forefront of the counterculture working with Leary on his books and speeches sewing his clothing and shaping for better and for worse the media s narrative about LSD Ultimately Rosemary sacrificed everything for the safety of her fellow psychedelic pioneers and the preservation of her husband s legacy Drawing from a wealth of interviews diaries archives and unpublished sources Susannah Cahalan writes the definitive portrait of Rosemary Woodruff Leary reclaiming her narrative and her voice from those who dismissed her Page turning revelatory and utterly compelling *The Acid Queen* shines an overdue spotlight on a pioneering psychedelic seeker

**The Dedalus Book of the 1960s** Gary Lachman,2022-01-23 It is the 60s yes it is magic sex drugs and rock and roll In *The Dedalus Book of the 1960s Turn Off Your Mind* Gary Lachman uncovers the Love Generation s roots in occultism and explores the dark side of the Age of Aquarius His provocative revision of the 1960s counterculture links Flower Power to mystical fascism and follows the magical current that enveloped luminaries like the Beatles Timothy Leary and the Rolling Stones and darker stars like Charles Manson Anton LaVey and the Process Church of the Final Judgment Acclaimed by satanists and fundamentalist Christians alike this edition includes a revised text incorporating new material on the suicide cult surrounding Carlos Castaneda the hippy serial killer Charles Sobhraj the strange case of Ira Einhorn the Unicorn the CIA and ESP the new millennialism and more From H P Lovecraft to the Hell s Angels find out how the Morning of the Magicians became the Night of the Living Dead

*The Oxford Handbook of Global Drug History* Paul Gootenberg,2022 This landmark collection of essays by thirty five historians working on a global scale brings together the latest knowledge and perspectives about the long origins and transformations of today s illicit drugs such as cannabis heroin and cocaine

*Cognitive Models and Spiritual Maps* Jensine Andresen,Robert K. C. Forman,2000 This book throws down a challenge to religious studies offering a multidisciplinary approach including developmental psychology neuropsychology philosophy of mind and anthropology

**Failed God** John A. Rush,2019-04-16 On a 2001 trip to the cathedrals of Europe anthropologist John Rush and his wife entered St Mark s Basilica in Venice and encountered a mosaic depicting Jesus surrounded by mushrooms with an *Amanita muscaria* cap in his hand Examining the space with new eyes they discovered images of mushrooms and mind altering plants all over the Basilica Intrigued Dr Rush spent seven years researching and reflecting on the profound effects hallucinogens had on the founding of all three major Western religions He concluded that Judaism Christianity and Islam are political constructions evolving out of the use of not only *Amanita muscaria* but a plethora of mind altering substances *Failed God Fractured Myth in a Fragile World* re examines the scriptural stories of Judaism Christianity and Islam as told in the Bible and Qur an and reveals them as concocted mythical charters stemming from drug induced romps with the super natural Rush shows how mind altering substances played an instrumental role in the birth and development of Western religions and explains how they contributed to reports of prophetic experiences

including angry and disturbing messages from the divine With chapters on Judaism Christianity and Islam Rush fully addresses the effects of mind altering substances on each tradition convincingly discrediting the idea that they stem from actual human interaction with the divine He also shows how an intoxicated and over zealous Apostle Paul corrupted Jesus s simple message of human decency forming an oppressive religious system based on fear In a thought provoking conclusion Rush asks how we can continue to attribute authority to traditions that were so clearly irrationally founded and incompatible with today s world

Ploughing the Clouds Peter Lamborn Wilson, 2021-10-20 The Rig Veda written in India about 1500BC praises a holy plant called Soma which is sacrificed and consumed granting the drinker an experience of enlightenment and ecstasy The late Gordon Wasson identified Soma as a magic mushroom *Amanita muscaria* and he and his followers discovered that such Indo Europeans as the ancient Greeks Iranians and Norse had also used a Soma type plant In Ploughing the Clouds Peter Lamborn Wilson investigates the probability of a Soma cult in ancient Ireland tracing clues in Irish and other Celtic lore By comparing Celtic folktales romances epics and topographic lore with the Rig Veda he uncovers the Irish branch of the great Indo European tradition of psychedelic or entheogenic shamanism and even reconstructs some of its secret rituals He uses this comparative material to illuminate the deep meaning of the Soma function in all cultures the entheogenic origin of poetic frenzy the link between intoxication and inspiration

Marijuana Medicine Christian Rätsch, 2001-03-01 A comprehensive survey of the therapeutic historical and cultural uses of cannabis in traditions around the world The most complete visual record of cannabis culture ever published Christian Ratsch is one of the world s foremost ethnopharmacologists and is the current president of the German Society for Ethnomedicine Marijuana Medicine explores the role of hemp in medicinal systems spanning the globe Cannabis has accompanied the development of human culture from its very beginnings and can be found in the healing traditions of cultures throughout Africa Asia Europe and the Americas Even today it is an important part of many Asian healing traditions in Ayurveda cannabis is praised for its tonic and aphrodisiac qualities and in traditional Chinese medicine it is cited as a superb antidepressant It also remains a significant part of the healing and visionary traditions of Latin American curanderos and Brazilian Nepalese and Indian folk medicine Modern research has confirmed the effectiveness of marijuana s application in treating such diseases as asthma and glaucoma Christian Ratsch profiles the medicinal historical and cultural uses of cannabis in each of these societies and medical systems providing remedies and recipes for those interested in how cannabis can be used to treat specific conditions

**Neurons of Jesus** Abhijit Naskar, All of Christ s philosophical ideas can be compressed into one simple phrase Love thy neighbor It elucidates the innate human kindness in the simplest manner No creed no institution no book can claim the exclusive possession of this simple yet magnificent phrase of human excellence It does not come from any book It was born from the crying urge of humanity to break free from the shackles of orthodox indoctrination Abhijit Naskar is one of twenty first century s most influential minds in Neuroscience and an untiring advocate of global harmony and peace He became a

beloved best selling author all over the world with his very first book *The Art of Neuroscience in Everything* that heralded the advent of a beautiful scientific philosophy *Neurons of Jesus* is Naskar's rejuvenating neuroscientific investigation of Christ's philosophy With a researcher's flair for fresh approaches to ancient issues he tackles the mystical controversies surrounding Christianity and Christ's divinity In his peerless explanatory ways Naskar boldly reveals Jesus was a glorious human being full of love and compassion who stepped outside the orthodox cocoon of theoretical religion and attempted to make the society get rid of religious dogma

*Neurons, Oxygen & Nanak* Abhijit Naskar, One of twenty first century's most influential minds in Brain Science investigates the molecular underpinnings of one of the youngest religions of the world Sikhism With the tools of modern Neuroscience at his disposal Abhijit Naskar a globally acclaimed author delves deep into the neuronal basis of the origin of Sikhism He coaxes us to look behind the curtain of a legendary divine experience that led to the rise of this less known religion from India In his peerlessly lucid explanatory ways Naskar takes us inside the protoplasmic realm of the brain of Guru Nanak the founding father of Sikhism and reveals to us how a conscientious man from the 15th century stepped outside the primeval cocoon of religious orthodoxy in order to restore humanism in the heart of humanity *Neurons Oxygen Nanak* is the work of a twenty first century humanitarian thinker about another humanitarian thinker from the fifteenth century

**Consciousness** Susan Blackmore, 2013-11-26 Is there a theory that explains the essence of consciousness Or is consciousness itself just an illusion The last great mystery of science consciousness is a topic that was banned from serious research for most of the last century but is now an area of increasing popular interest as well as a rapidly expanding area of study for students of psychology philosophy and neuroscience This ground breaking textbook by best selling author Susan Blackmore was the first of its kind to bring together all the major theories of consciousness studies from those based on neuroscience to those based on quantum theory or Eastern philosophy The book examines topics such as how subjective experiences arise from objective brain processes the basic neuroscience of consciousness altered states of consciousness out of body and near death experiences and the effects of drugs dreams and meditation It also explores the nature of self the possibility of artificial consciousness in robots and the question of whether animals are conscious The new edition has been fully revised to include the latest developments in neuroscience brain scanning techniques and artificial consciousness and robotics The new website includes self assessment exercises advanced further reading flashcards and MCQs For all those intrigued by what it means to be to exist this book could radically transform your understanding of your own consciousness

**A Secret History of Consciousness** Gary Lachman, 2003 For the last four centuries science has tried to account for everything in terms of atoms and molecules and the physical laws they adhere to Recently this effort was extended to try to include the inner world of human beings Gary Lachman argues that this view of consciousness is misguided and unfounded He points to another approach to the study and exploration of consciousness that erupted into public awareness in the late 1800s In this secret history of consciousness consciousness is seen not as a result of neurons

and molecules but as responsible for them meaning is not imported from the outer world but rather creates it In this view consciousness is a living evolving presence whose development can be traced through different historical periods and which evolves along a path to a broader more expansive state What that consciousness may be like and how it may be achieved is a major concern of this book Lachman concentrates on the period since the late 1800s when Madame Blavatsky first brought the secret history out into the open As this history unfolds we encounter the ideas of many modern thinkers from esotericists like P D Ouspensky Rudolf Steiner and Colin Wilson to more mainstream philosophers like Henri Bergson William James Owen Barfield and the psychologist Andreas Mavromatis Two little known but important thinkers play a major role in his synthesis Jurij Moskvitin who showed how our consciousness relates to the mechanisms of perception and to the external world and Jean Gebser who presented perhaps the most impressive case for the evolution of consciousness An important contribution to the study of consciousness a must read Contents Foreword by Colin Wilson Introduction Consciousness Explained The Search for Cosmic Consciousness Esoteric Evolution The Archaeology of Consciousness Participatory Epistemology The Presence of Origin Last Words Playing for Time Selected Bibliography A marvelously exhilarating gallop through every important modern theory of consciousness from Steiner to Maslow from Bucke s cosmic consciousness to Gebser s integral consciousness Colin Wilson author of *The Outsider* and *Access to Inner Worlds* Opens up vast vistas of possibility suggesting that what we experience as the earth may in itself be inseparable from our state of mind and that the evolution of human consciousness may be as fundamental a process as our development through genetics A must read for those seeking an escape from our contemporary culture s cul de sac Daniel Pinchbeck author of *Breaking Open the Head* Thinking outside the box Lachman challenges many contemporary theories by reinserting a sense of the spiritual back into the discussion Profoundly erudite yet easy to read this book is a provocative mind stretcher Leonard Shlain author of *Art Physics Alphabet* versus the Goddess and *Sex Time Power*     *The Psilocybin Solution* Simon G. Powell, 2011-06-23 How psilocybin mushrooms facilitate a direct link to the wisdom of Nature and the meaning of life Examines the neurochemistry underlying the visionary psilocybin experience Explains how sacred mushrooms help restore our connection to the natural intelligence of Nature Reviews the research on psilocybin s ability to dispel anxiety in the terminally ill and its helpful effects on obsessive compulsive disorder It has been more than 50 years since sacred mushrooms were plucked from the shamanic backwaters of Mexico and presented to the modern world by R Gordon Wasson After sparking the psychedelic era of the 1960s however the divine mushroom returned underground from whence it mysteriously originated Yet today the mushroom s extraordinary influence is once again being felt by large numbers of people due to the discovery of hundreds of wild psilocybin species growing across the globe In *The Psilocybin Solution* Simon G Powell traces the history of the sacred psilocybin mushroom and discusses the shamanic visionary effects it can induce Detailing how psilocybin acts as a profound enhancer of consciousness and reviewing the research performed by the Multidisciplinary Association for Psychedelic

Studies MAPS Johns Hopkins University and the Heffter Research Institute on psilocybin's ability to dispel anxiety in the terminally ill and its helpful effects on obsessive compulsive disorder he examines the neurochemistry psychology and spirituality underlying the visionary psilocybin experience revealing the interface where physical brain and conscious mind meet Showing that the existence of life and the functioning of mind are the result of a naturally intelligent self organizing Universe he explains how sacred mushrooms provide a direct link to the wisdom of Nature and the meaning of life

*Shamans/Neo-Shamans* Robert J. Wallis, 2003-12-08 In popular culture such diverse characters as occultist Aleister Crowley Doors musician Jim Morrison and performance artist Joseph Beuys have been called shamans In anthropology on the other hand shamanism has associations with sorcery witchcraft and healing and archaeologists have suggested the meaning of prehistoric cave art lies with shamans and altered consciousness Robert J Wallis explores the interface between new and prehistoric shamans The book draws on interviews with a variety of practitioners particularly contemporary pagans in Britain and north America Wallis looks at historical and archaeological sources to explore contemporary pagan engagements with prehistoric sacred sites such as Stonehenge and Avebury and discusses the controversial use by neo Shamans of indigenous particularly native American shamanism

**Acorns: Windows High-Tide Foghat** Joshua Morris, 2013-01-23 Acorns delineates the future of humanity as a reunification of intellect with the Deep Self Having chosen to focus upon ego established securely by the time of Christ much more beta brain wave development will destroy our species and others which process has already begun We create our own realities through beliefs intents and desires and we were in and out of probabilities constantly Feelings follow beliefs not the other way around

**The Re-Enchantment of the West, Vol 2** Christopher Partridge, 2006-06-20 Challenging some assessments of religion in the West this study argues that although much organized religion particularly Christianity is in numerical decline in actual fact we are witnessing an alternative spiritual re enchantment of society and culture

**Breaking Open the Head** Daniel Pinchbeck, 2003-08-12 A dazzling work of personal travelogue and cultural criticism that ranges from the primitive to the postmodern in a quest for the promise and meaning of the psychedelic experience While psychedelics of all sorts are demonized in America today the visionary compounds found in plants are the spiritual sacraments of tribal cultures around the world From the iboga of the Bwiti in Gabon to the Mazatecs of Mexico these plants are sacred because they awaken the mind to other levels of awareness to a holographic vision of the universe Breaking Open the Head is a passionate multilayered and sometimes rashly personal inquiry into this deep division On one level Daniel Pinchbeck tells the story of the encounters between the modern consciousness of the West and these sacramental substances including such thinkers as Allen Ginsberg Antonin Artaud Walter Benjamin and Terence McKenna and a new underground of present day ethnobotanists chemists psychonauts and philosophers It is also a scrupulous recording of the author's wide ranging investigation with these outlaw compounds including a thirty hour tribal initiation in West Africa an all night encounter with the master shamans of the South American

rain forest and a report from a psychedelic utopia in the Black Rock Desert that is the Burning Man Festival Breaking Open the Head is brave participatory journalism at its best a vivid account of psychic and intellectual experiences that opened doors in the wall of Western rationalism and completed Daniel Pinchbeck's personal transformation from a jaded Manhattan journalist to shamanic initiate and grateful citizen of the cosmos      **Shamanism** Margaret Stutley, 2003 Unravelling the history ideologies and rites of shamanism Margaret Stutley provides an authoritative guide to one of the world's most ancient notorious and frequently misrepresented spiritual traditions

## Unveiling the Power of Verbal Artistry: An Mental Sojourn through **Long Trip The Prehistory Of Psychedelia**

In some sort of inundated with monitors and the cacophony of immediate transmission, the profound power and emotional resonance of verbal artistry often fade in to obscurity, eclipsed by the constant assault of sound and distractions. However, nestled within the lyrical pages of **Long Trip The Prehistory Of Psychedelia**, a charming work of literary beauty that pulses with natural thoughts, lies an memorable journey waiting to be embarked upon. Penned by way of a virtuoso wordsmith, this exciting opus manuals visitors on a psychological odyssey, softly exposing the latent possible and profound influence stuck within the complex web of language. Within the heart-wrenching expanse of the evocative analysis, we shall embark upon an introspective exploration of the book is central subjects, dissect its fascinating publishing fashion, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.

### Long Trip The Prehistory Of Psychedelia Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Long Trip The Prehistory Of Psychedelia free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Long Trip The Prehistory Of Psychedelia free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for

instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Long Trip The Prehistory Of Psychedelia free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Long Trip The Prehistory Of Psychedelia. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Long Trip The Prehistory Of Psychedelia any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Long Trip The Prehistory Of Psychedelia Books

1. Where can I buy Long Trip The Prehistory Of Psychedelia books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
