A Long Way from Home Peter Carey, 2018-02-27 Over the course of his stellar writing life Peter Carey has explored his homeland of Australia in such highly acclaimed novels as *Oscar and Lucinda* *True History of the Kelly Gang* and *Amnesia* Writing at the peak of his powers Carey takes us on an unforgettable journey that maps his homeland's secrets in this extraordinary new novel Wildly inventive funny and profoundly moving *A Long Way from Home* opens in 1953 with the arrival of the tiny handsome Titch Bobs his beautiful doll of a wife Irene and their two children in the small town of Bacchus Marsh Titch is the best car salesman in southeastern Australia Irene loves her husband and loves to drive fast Together they enter the Redex Trial a brutal endurance race around the ancient continent over roads no car is designed to survive With them is their neighbour and navigator Willie Bachhuber a quiz show champion and failed school teacher who calls the turns and creek crossings on a map that will lead them without warning away from the white Australia they all know so well Just like the novel Peter Carey's new masterpiece begins in one way and takes you somewhere you never thought you'd be Often funny the book is also and always a page turner surprising you with history these characters never even knew themselves Its profound reckoning with Australia's brutal treatment of the continent's aboriginal people will also resonate strongly with Canadian readers

A Long Way from Home Pat Sandiford Grygier, 1997-03-27 A comprehensive account of the tuberculosis epidemic among the Inuit in the mid part of the century The Inuit were victims not only of the epidemic but also of the Canadian government's shockingly slow response and lack of concern for their culture Grygier's focus is on patients experiences and the programs set up to deal with the epidemic rather than on a purely medical discussion of the disease and treatment Annotation copyright by Book News Inc Portland OR *A Long Way from Home* Tom Brokaw, 2002-11-05

Autobiography Sandra Pouchet Paquet, 2002-07-22 Despite the range and abundance of autobiographical writing from the Anglophone Caribbean this book is the first to explore this literature fully It covers works from the colonial era up to present day AIDS memoirs and assesses the links between more familiar works by George Lamming C L R James Derek Walcott V S Naipaul and Jamaica Kincaid and less frequently cited works by the Hart sisters Mary Prince Mary Seacole Claude McKay Yseult Bridges Jean Rhys Anna Mahase and Kamau Brathwaite Sandra Pouchet Paquet charts the intersection of multiple contradictory viewpoints of the colonial and postcolonial Caribbean differing concepts of community and levels of social integration and a persistent pattern of both resistance and accommodation within island states that were largely shaped by British colonial practice from the mid seventeenth through the mid twentieth century The texts examined here reflect the entire range of autobiographical practice including the slave narrative and testimonial written and oral narratives spiritual autobiographies fiction serial autobiography verse diaries and journals elegy and parody Working on a Dream David Masciotra, 2010-01-28 Working On a Dream is a powerful and engaging study of this songwriter and performer s art Springsteen has consistently summoned his creative power and artistic vision to indict political developments and demand the cultivation of a more compassionate and progressive society **Arctic Migrants/Arctic Villagers** David Damas, 2002 In recent years the view has emerged that the Inuit were coerced by the Canadian government into abandoning life in scattered camps for centres of habitation In Arctic Migrants Arctic Villagers David Damas demonstrates that for many years government policies helped maintain dispersed settlement but that eventually concerns over health housing and education and welfare brought about policy changes that inevitably led to centralization Damas shows that while there were cases of government directed relocation to centres centralization was largely voluntary as the Inuit accepted the advantages of village living In examining archives anthropological writings and the results of field research from an anthropological perspective Damas provides fresh insights into the policies and developments that led to the centralization of Inuit settlement during the 1950s and 1960s **Claude McKay, Rebel Sojourner in the Harlem Renaissance** Wayne F. Cooper, 1996-02 Cooper paints a meticulous and absorbing portrait of McKay s restless artistic intellectual and political odyssey The definitive biography on McKay Choice Although recognized today as one of the genuine pioneers of black literature in this century the author of If We Must Die Home to Harlem Banana Bottom and A Long Way from Home among other works Claude McKay 1890 1948 died penniless and almost forgotten in a Chicago hospital In this masterly study Wayne Cooper presents a fascinating detailed account of McKay s complex chaotic and frequently contradictory life In his poetry and fiction as well as in his political and social commentaries McKay searched for a solid foundation for a valid black identity among the working class cultures of the West Indies and the United States He was an undeniably important predecessor to such younger writers of the Harlem Renaissance as Langston Hughes and Countee Cullen and also to influential West Indian and African writers such as C L R James and Aim C saire Knowledge of his life adds important dimensions to our understanding of American

radicalism the expatriates of the 1920s and American literature Mr Cooper s most original contribution is his careful and perceptive analysis of McKay s nonfiction writing especially his social and political commentary which often contained prophetic statements on a range of important social political and historical issues New York Times Book Review **A Long Way From Beatty** Kelly Smailes,2024-01-24 The kindness of neighbours and faith in God kept this scrappy farm kid going against the odds Sometimes poignant often humourous A Long Way from Beatty chronicles the mishaps and successes of Don Smailes as he ventures beyond the farm seeking his destiny Read along as he meets the love of his life and seeks to win her heart in unconventional ways Be inspired as he discovers that faith is much bigger than a church building From the Prairies to the Yukon to Tennessee and back Don hitchhikes across the country seeking his life s purpose Eventually settling in Edmonton with his sweetheart he stumbles into a new career respiratory therapy As one of the first students in this field he details the early days of the profession Eventually starting a successful respiratory home care business Don sees the hand of God directing his steps and teaching him Don s work ethic and willingness to help others guided him to a rewarding career he had never imagined for himself What started as a life filled with adversity turned into a life lived to its fullest A Long Way from Beatty shows how one individual guided by faith and family has the power to touch the lives of many Excerpt from A Long Way from Beatty by Kelly Smailes My memories of Shaunavon are good memories we were a happy family Of course we were sad not to have Dad present but Mom was the centre of our home and she was amazing She cared for us and was such a good mom that we rarely felt the absence of anything vital even during such a time of upheaval in the world We were always fed clothed and loved In retrospect Mom s desire to be a teacher probably made her especially engaged in reading to us and teaching us as we grew up I remember her reading Bible stories to us at night and saying bedtime prayers Our home was very adequate for the time It had seven rooms four upstairs bedrooms meant the boys shared one room the girls had another one was a sewing room for Mom and the fourth was a guest room Mom s bedroom was on the main floor to the left of the back door Through her room was the indoor bathroom and to the right was the living area and kitchen We lived only two blocks from the school and close to downtown Shaunavon was not that big but we got to see and experience a lot My earliest memories there were pre school and the wonderful freedom that afforded me to just be a child Before Grade 1 I was a dreamy kid with no concept of responsibility or of how hard life could be As the youngest I may have been spoiled just a little My sister Pat remembers me laying on the floor kicking and screaming while trying to get my own way I obviously have a strong will and according to my sister Mom had a hard time handling me on occasion **Yonder Come Day** Jasmine L. Holmes,2024-09-03 As our nation has experienced a renewal of reckoning with the reality of slavery in our past and the continued struggle for equality and liberation in the present many previously untold stories have come to light But not every story Some histories remain shrouded waiting for someone to uncover them and make them known Incredibly some of them have been hiding in plain sight for decades Yonder Come Day brings these hidden histories into the light in an

unconventional yet powerful way Drawing from the recorded interviews of more than 3 000 formerly enslaved people from across the South collected in the 1930s Jasmine L Holmes creates a compelling collective memoir unlike anything you ve read The story follows Little One a composite character who guides the modern day reader through the experience of slavery As she grows from Little One to Lonely One to Lovely One to Grandmama she exposes both harsh truths and an irrepressible spirit helping us better understand the love resilience and faithfulness necessary to survive the evils of our nation s original sin Teachers historians and anyone doing the work of reconciliation will find that Yonder Come Day is the vital resource they didn t even know they were missing *Philadelphia Fire* John Edgar Wideman,2020-10-06 One of John Wideman s most ambitious and celebrated works the lyrical masterpiece and PEN Faulkner winner inspired by the 1985 police bombing of the West Philadelphia row house owned by black liberation group Move In 1985 police bombed a West Philadelphia row house owned by the Afrocentric cult known as Move killing eleven people and starting a fire that destroyed sixty other houses At the heart of Philadelphia Fire is Cudjoe a writer and exile who returns to his old neighborhood after spending a decade fleeing from his past and who becomes obsessed with the search for a lone survivor of the event a young boy seen running from the flames Award winning author John Edgar Wideman brings these events and their repercussions to shocking life in this seminal novel Reminiscent of Ralph Ellison s Invisible Man Time and Norman Mailer s The Executioner s Song Philadelphia Fire is a masterful culturally significant work that takes on a major historical event and takes us on a brutally honest journey through the despair and horror of life in urban America **Retrieving Bones** William Daniel Ehrhart,Philip K. Jason,1999 Many of the twelve stories and fifty poems assembled in Retrieving Bones have long been out of print and are almost impossible to find in any other source The editors have enhanced this collection by providing maps a chronology of the Korean War and annotated lists of novels works of nonfiction and films In a detailed introduction Ehrhart and Jason discuss the milestones of the Korean War and place each fiction writer and poet represented into historical and literary contexts Insurgent Empire Priyamvada Gopal,2019-06-25 Much has been written on the how colonial subjects took up British and European ideas and turned them against empire when making claims to freedom and self determination The possibility of reverse influence has been largely overlooked Insurgent Empire shows how Britain s enslaved and colonial subjects were not merely victims of empire and subsequent beneficiaries of its crises of conscience but also agents whose resistance both contributed to their own liberation and shaped British ideas about freedom and who could be free Insurgent Empire examines dissent over the question of empire in Britain and shows how it was influenced by rebellions and resistance in the colonies from the West Indies and East Africa to Egypt and India It also shows how a pivotal role in fomenting dissent was played by anti colonial campaigners based in London at the heart of the empire **My Angelina Mine** Wayne Greenough,2013-09-01 Dreyfus Shayne Templar from 2013 is shanghaied to 2513 by a time crook named Merlin Krump Drey s mind is altered by Krump so that he knows he has a true love named Angelina But where is she How and when did he know
