How to Make Your Long-Distance Relationship Work and Flourish Tamsen Butler, 2014 Relationships are tough and putting states or even oceans between two people does not make things any easier Although some long distance relationships won't

work that doesn't mean you can't make yours successful and fulfilling. This guide will give your relationship the chance it deserves. You will learn how to establish the terms of your relationship including how to know if you are ready to make this commitment, when to schedule phone calls and how often you should visit. You will discover the essential relationship building skills you need including open communication, realistic expectations and balanced emotional and physical intimacy. You will learn the best ways to share travel costs and what to do when visiting in order to make the most out of your limited time together. Long distance relationships cannot be compared to other relationships and this book gives couples who are living apart dozens of tips to keep that special spark alive. From publisher description: *Long-Distance Relationship Intimacy Hack* Claire Robin, Love is something so beautiful everyone wishes to experience it but it is not without challenges in every relationship. Relationships are always filled with ups and downs and in such times the strength of both love and understanding is tested. Long distance relationships unlike relationships where the partners get to see each other frequently is more demanding. It would take double efforts, understanding, trust and commitment to maintain them. However, there are many people in a long distance relationship that managed to keep it going regardless of the hurdles. It just needs the effort of both parties and things will go smoothly. If you're the only one striving to make things work, then chances are your relationship will come to an end eventually. Stay in a relationship where both parties are willing to fight for the blooming and thriving of the relationship. As the saying goes, it takes two to tango. There are times when relationships start as short distanced but due to certain life changes such as work transfers, new job offers or educational purposes, one partner is made to move away from another and serious adjustments will have to be made. Many relationships may even end due to this reason but there are many equally that do thrive as a result of joint efforts. If you're looking for ways to revive and keep your long distance relationship blooming, then this book is for you. **The Long-Distance Relationship Guide** Caroline Tiger, 2007-07-01. A Survival Guide for the Geographically Challenged. The phone company might think long distance is the next best thing to being there but The Long Distance Relationship Guide knows better. Long distance relationships require hard work, commitment, a sturdy travel bag, a good calling plan, a healthy sense of humor, supportive friends and lots of ice cream. Here's everything you need to make sure your relationship can go the distance. Learn how to Spot the serial long distance dater. Prepare for The Visit. Discover the joys of phone sex. Write a juicy love letter. Negotiate turn taking visits. Full of helpful quizzes, checklists and advice from relationship experts and long distance veterans. The Long Distance Relationship Guide will help you make the most of your long distance romance. Long Distance Couples Nibld, 2000-05-01.

Cross-Border Marriages Nicole Constable, 2010-08-03. Illuminating how international marriages are negotiated, arranged and experienced. Cross Border Marriages is the first book to chart marital migrations involving women and men of diverse national, ethnic and class backgrounds. The migrations studied here cross geographical borders of provinces, rural, urban borders within nation states and international boundaries including those of China, Japan, South Korea, India, Vietnam.

the Philippines the United States and Canada Looking at assumptions about the connection between international marriages and poverty opportunism and women s mobility the book draws attention to ideas about global patterns of inequality that are thought to pressure poor women to emigrate to richer countries while simultaneously suggesting the limitations of such views Breaking from studies that regard the international bride as a victim of circumstance and the mechanisms of international marriage as traffic in commodified women these essays challenge any simple idea of global hypergamy and present a nuanced understanding where a variety of factors not the least of which is desire come into play Indeed most contemporary marriage scapes involve women who relocate in order to marry rarely is it the men But Nicole Constable and the volume contributors demonstrate that contrary to popular belief these brides are not necessarily poor nor do they categorically marry men who are above them on the socioeconomic ladder Although often women may appear to be moving up from a less developed country to a more developed one they do not necessarily move higher on the chain of economic resources Complicating these and other assumptions about international marriages the essays in this volume draw from interviews and rich ethnographic materials to examine women s and men s agency their motivations for marriage and the importance of familial pressures and obligations cultural imaginings fantasies and desires in addition to personal and economic factors Border crossing marriages are significant for what they reveal about the intersection of local and global processes in the everyday lives of women and men whose marital opportunities variably yield both rich possibilities and bitter disappointments

How to Love Your Marriage Eve Eschner Hogan, 2006-04-28 Keeping the love in your marriage requires skills that most of us have not been taught in school or at home Many people think that the secret to marriage is FINDING the love of your life Of greater importance is KEEPING the love in your life from that moment on This book s premise is that love like self esteem doesn t go away it just gets blocked by negative experiences comments and beliefs that make the love difficult to feel When we learn how to remove those obstacles to let go of the past to move beyond our egos to the heart of the matter and align our actions with our goals we can reawaken the love and keep our marriage growing HOW TO LOVE YOUR MARRIAGE provides Methods for solving problems and being your own best relationship advisor Empowering How to steps to take even if your partner is not willing to take them with you Simple Love Tips that you can use immediately The EROS formula for creating powerful loving relationships Tools for managing your emotions and those of your spouse An understanding of self esteem s impact on a relationship and a relationship s impact on self esteem Self directed exercises and questions

Moving for Marriage Shruti Chaudhry, 2021-10-01 Shortlisted for the 2023 BASAS Book Prize presented by British Association for South Asian Studies Based on ethnographic fieldwork in a village in the north Indian state of Uttar Pradesh Moving for Marriage compares the lived experiences of women in regional marriages that conform to caste and community norms within a relatively short distance with women in cross regional marriages that traverse caste linguistic and state boundaries and entail long distance migration within India By demonstrating how

geographic distance and regional origins make a difference in these women's experiences Shruti Chaudhry challenges stereotypes and moral panics about cross regional brides who are brought from far away Indeed *Moving for Marriage* highlights the ways in which the post marital experiences of both categories of wives in this study their work and social relationships their sexual lives and childbearing decisions and their ability to access support in everyday contexts and in the event of marital distress are shaped by factors such as caste class poverty religion and stage in the life course In focusing on this Global South context Chaudhry makes novel arguments about the development of intimacy within marriages that are inherently unequal and even violent thereby offering an alternative to Euro American understandings of intimacy and women's agency
