Allcock, Antonia Young, 2000 Revised and Updated with a New Introduction During the 19th century the Balkan countries became the subject of a rather romantic fascination for the public at large This vision of the area has been created in large measure by the writing of women travelers such as those represented in this volume The achievements of these women are quite remarkable in many cases their travels were adventurous and even dangerous reaching into parts of the countryside which were remote and hardly known to outsiders Not only as travelers but also in the fields of medical and military service scholarship and education journalism and literature did these women contribute in very significant ways to the expansion of women's horizons and to the attempt to gain greater freedom for women in society in general Contents Editorial Introduction Black Lambs and Grey Falcons Outward and Inward Frontiers Two Victorian Ladies and Bosnian Realities 1861 1875 G M MacKenzie and A P Irby Edith Durham Traveller and Publicist Edith Durham as a Collector Emily Balch Balkan Traveller Peace Worker and Nobel Laureate The Work of British Medical Women in Serbia during and after the First World War Captain Flora Sandes A Case Study in the Social Construction of Gender in a Serbian Context Rose Wilder Lane 1886 1968 Rebecca West Gerda and the Sense of Process Margaret Masson Hasluck Louisa Rayner An Englishwoman's Experiences in Wartime Yugoslavia Mercia MacDermott A Woman of the Frontier An Anthropologist in the Village Bucks Brides and Useless Baggage Women's Quest for a Role in their Balkan Travels Constructing the Balkans Women Travellers in the Balkans A Bibliographical Guide John B Allcock is head of the Research Unit in South East European Studies and is based in the Interdisciplinary Human Studies department at the University of Bradford Antonia Young is a member of the Department for Sociology and Anthropology at Colgate University New York *Historical Dictionary of Albania* Robert Elsie, 2010-03-19 Albania is not well known by outsiders it was deliberately closed to the outside world during the communist era Now it has thankfully become free again its borders are open and it can be visited and it is increasingly integrating with the rest of Europe and beyond Unfortunately Albania has had its share of problems in the post communist era it's a land of destitution and despair thanks in part to the Albanian mafia which has turned the country into one of blood feuds kalashnikovs and eternal crises Yet Albania is in essence a European nation like any other and will soon it is to be hoped advance and take its proper place in Europe and the world The second edition of the Historical Dictionary of Albania relates the history of this little known country through a detailed

Albanians in Michigan Frances Trix,2001 The recent influx of Albanian migrants into Michigan is a result of both the nationalist upheavals in the Balkan region as well as the breadth of opportunities that Michigan affords The diversity of Michigan s people is reflected in the Albanian community itself as Christians and Muslims strive to maintain religious ethnic and linguistic identities in their new communities Frances Trix explores the ways in which Michigan s Albanian community has forged an unusual cohesiveness and unity and thus has remained more traditional in its orientation than have large immigrant Albanian communities in other parts of the United States These characteristics make the Albanian experience in Michigan unique
