

The background of the entire slide is a photograph of a sunset or sunrise. The sun is a bright, glowing orb positioned in the center of the horizon, casting a long, shimmering reflection across the dark water. The sky is a deep blue, with wispy white clouds scattered across it. In the distance, dark, silhouetted mountains rise against the horizon. The overall mood is serene and contemplative.

*Cheating Death* Kenneth M. Valentine, 2024-04-16 Everyone and I mean everyone will give you advice on which way to go with your life Friends acquaintances classmates teammates your friends friends family teachers counselors and neighbors will nose into your business They will want to help you with everything from how to dress to how to act They will tell you what and where to eat where to go and what to do Before you know it your whole life will be planned out for you by someone else If you are susceptible to influencers choose your influences wisely Not all advisors or advice is equal In fact some of the advice coming your way courtesy of well meaning friends or family may be downright awful Truly wise and useful advice will come from very few The world will give you the same crummy advice it gives everyone Get fame Pursue fortune More is better The world consistently perpetuates the lie that fame and fortune will make you happy The world lies Fame and fortune will not fill the void in our heart that was designed to be occupied by Christ Only God can fill that God shaped space within us The world keeps trying and people keep following the siren song down the wide path to happy destruction Happy is hard to define I have determined that Happy is an elusive place All of the world's unfulfilled and dissatisfied people will call you to the same wide path life plan they followed and expect a different result I challenge you to take the narrow road I urge you to trust in the Lord in all your decision making     Delusion in Death J. D. Robb, 2013-04-02 Lieutenant Eve Dallas must foil a terrorist plot in this explosive thriller in the 1 New York Times bestselling In Death series It was just another after work happy hour at a bar downtown until the madness descended And after twelve minutes of chaos and violence more than eighty people lay dead Lieutenant Eve Dallas is trying to sort out the inexplicable events Surviving witnesses talk about seeing things monsters and swarms of bees They describe sudden overwhelming feelings of fear and rage and paranoia When forensics makes its report the mass delusions make more sense it appears the bar patrons were exposed to a cocktail of chemicals and illegal drugs that could drive anyone into temporary insanity if not kill them outright But that doesn't explain who would unleash such horror or why Eve's husband Roarke happens to own the bar but he's convinced the attack wasn't directed at him It's bigger than that And if Eve can't figure it out fast it could happen again anytime anywhere Because it's airborne     *Plays: Comrades; Facing Death; Pariah; Easter* August Strindberg, 2022-09-04 August Strindberg's Plays Comrades Facing Death Pariah Easter is a seminal collection that showcases the playwright's psychological and naturalistic style Each play navigates through the complexities of human emotions and social interactions with a raw honesty that was characteristic of Strindberg's dramatic work Set against the literary context of the late 19th and early 20th centuries these plays are reflective of the transitions in European theatre moving away from Romanticism and towards a more direct and

confrontational approach which Strindberg helped pioneer The existential themes explored within this anthology reveal the inner realities of his characters with an intensity that was both innovative and controversial for its time Strindberg a Swedish playwright and novelist was a prolific writer known for his contribution to the modernist movement His own tumultuous personal experiences and relationships deeply influenced his writing allowing him to scrutinize and dissect the social mores and personal crises of his era The emotional turbulence and inner conflicts that persistently marked Strindberg s life provided a rich reservoir for the raw and penetrating insights that characterize his plays Not one to shy away from taboo subjects or psychological depth Strindberg s sincerity in depicting the human condition earned him recognition as one of the heralds of modern drama Readers with an appetite for probing the psychological undercurrents of social dynamics will find Plays Comrades Facing Death Pariah Easter to be a profound and thought provoking collection Strindberg s precise dissection of human behaviors and interactions is as pertinent today as it was at the turn of the 20th century making this edition a must read for enthusiasts of dramatic literature Scholars and dramatists alike will appreciate the careful reproduction by DigiCat Publishing which serves not only to preserve Strindberg s legacy but also to ensure that contemporary audiences can experience the enduring power of his work with the recognition and passion it rightfully commands
