Werner's Magazine, 1902 *This is Not Just a Painting* Bernard Lahire, 2019-04-15 In 2008 the Musée des Beaux Arts de Lyon acquired a painting called *The Flight into Egypt* which was attributed to the French artist Nicolas Poussin Thought to have been painted in 1657 the painting had gone missing for more than three centuries Several versions were rediscovered in the 1980s and one was passed from hand to hand from a family who had no idea of its value to gallery owners and eventually to the museum A painting that had been sold as a decorative object in 1986 for around 12 000 euros was acquired two decades later by the Musée des Beaux Arts de Lyon for 17 million euros What does this remarkable story tell us about the nature of art and the way that it is valued How is it that what seemed to be just an ordinary canvas could be transformed into a masterpiece that a decorative object could become a national treasure This is a story permeated by social magic the social alchemy that transforms lead into gold the ordinary into the extraordinary the profane into the sacred Focusing on this extraordinary case Bernard Lahire lays bare the beliefs and social processes that underpin the creation of a masterpiece Like a detective piecing together the clues in an unsolved mystery he carefully reconstructs the steps that led from the same material object being treated as a copy of insignificant value to being endowed with the status of a highly prized painting commanding a record breaking price He thereby shows that a painting is never just a painting and is always more than a piece of stretched canvas to which brush strokes of paint have been applied this object and the value we attach to it is also the product of a complex array of social processes with its distinctive institutions and experts that lies behind it And through the history of this painting Lahire uncovers some of the fundamental structures of our social world For the social magic that can transform a painting from a simple copy into a masterpiece is similar to the social magic that is present throughout our societies in economics and politics as much as art

and religion a magic that results from the spell cast by power on those who tacitly recognize its authority By following the trail of a single work of art Lahire interrogates the foundations on which our perceptions of value and our belief in institutions rest and exposes the forms of domination which lie hidden behind our admiration of works of art *Goody Hall* Natalie Babbitt,2010-10-12 An out of work actor Hercules Feltwright stumbles into a job tutoring Willet Goody the only child of a widow living in a large lonely house Willet quickly involves his tutor in the search to discover the truth about his father The mystery unfolds with the discovery of hidden treasure a gypsy s ance and the frightening exploration of the tomb of Midas Goody When It's Time for Leaving Ang Pompano,2019-10-01 A burned out cop s retirement plan hits a snag when he inherits a Georgia detective agency and discovers a body in this Agatha Award nominated mystery When his girlfriend dumps him and a dealer rams him off a bridge Al DeSantis quits the New Haven Police Department As he plans to head for LA he learns his father who abandoned him as a kid has deeded him the Blue Palmetto Detective Agency in Georgia Now fearing bridges Al drives to Savannah intending to sell fast and go west but before he can he discovers a strong and attractive female detective named Maxine a dead body on the dock and his father alive suffering from Alzheimer s and determined to help his new partner Al solve the crime With an authentic knowing voice and a confident hand Pompano honors Robert B Parker s legacy of wry laconic PI s smart and engaging detectives with history honor and heart Hank Phillippi Ryan USA Today bestselling author of *The First to Lie* When It s Time For Leaving is a corker Thoroughly likeable former cop Al DeSantis wants to get out of the crime business but inherits one that fortunately for readers won t let him go Hallie Ephron New York Times bestselling author *Careful What You Wish For* Pompano has created the most unusual and appealing duo of detectives since Holmes and Watson Lucy Burdette national bestselling author of *A Deadly Feast* The PI for the double 20s Al DeSantis is a classic damaged gumshoe but with a youthful energy that pulls you through the pages Barbara Ross author of the *Maine Clambake Mysteries* and winner 2019 Maine Literary Award for Crime Fiction

Deadly Getaway Laura Bradford, 2012-07-27. Originally published by Hilliard Harris under the title *Forecast of Evil*. *Deadly Getaway* is the second in Laura Bradford's debut Jenkins Burns mystery series. It was supposed to be a romantic winter getaway, complete with snow, sleigh rides, and nights spent by a roaring fire. New Jersey police detective Mitch Burns and newspaper reporter Elise Jenkins are trading one tourist town for another by heading to a remote Michigan island to relax and enjoy. Unfortunately, a killer has other plans. When a body is found under two feet of snow, stabbed, Jenkins and Burns once again need to put their sleuthing skills to the test. As a blizzard descends, the island is completely cut off from the outside world, and terror mounts while a serial killer plays a frightening game of cat and mouse with the island as his playground.

The Nightingale Affair Tim Mason, 2023-05-09. In this twisty Victorian detective thriller from the author of *The Darwin Affair*, Inspector Charles Field hunts a serial killer with a sinister signature targeting Florence Nightingale's nurses in Crimea and women in London. Who is stalking Florence Nightingale and her nurses? Is it the legendary Beast of the Crimean, or someone closer to home? In 1855, Britain and France are fighting to keep the Russians from snatching the Crimean Peninsula from the Ottoman Empire, and Nightingale, a wealthy young society woman, has made it her mission to improve the wretched conditions in the British military hospitals in Turkey, despite fierce objections from the male doctors around her. When young women start turning up dead, their mouths sewn shut with embroidered fabric roses, Inspector Charles Field, the real-life inspiration for Charles Dickens's Inspector Bucket in *Bleak House*, is sent from England to find the killer among the doctors, military men, journalists, and others swarming Turkey's famous Barrack Hospital. Here, Field meets both the famous Nightingale as well as Nurse Jane Rolly, the woman who will become his wife, and as he races to protect them, the prime suspect takes his own life. Case closed. Or is it? Twelve years later, back in London, amid the turmoil surrounding the expansion of voting rights, women again start turning up dead, their mouths covered by that telltale embroidered rose. Did Field suspect the wrong man before, or is he dealing with a deviant copycat? Either way, he must race against time to stop the killer before more bodies are discovered and before his own family gets pulled into danger. Populated by real figures of the day, from Benjamin Disraeli to novelist Wilkie Collins, to of course Florence Nightingale herself, and steeped in historical details of 1860s London, *The Nightingale Affair* plays out against a backdrop of a

rapidly changing society Most of all it is a pure reading delight offering shocks unforgettably vivid scenes and surprising twists
