## **Longer Thou Livest And Enough Is As Good As A Feast:**

The Longer Thou Livest, and Enough is as Good as a Feast William Wager, 1968      **Interludes and Early Modern Society**, 2007-01-01 The essays in this collection contributed by an internationally distinguished group of scholars bring up to date many aspects of the criticism of the English Interludes The development of these plays was a significant part of the history of the growth of English drama in the sixteenth century to the extent that they may be regarded as its main stream Arising by means of a felicitous combination of the development of printing and the growth of a professional theatre plays of this type quickly became a forum for the presentation and exploration of many contemporary themes They became a useful means of disseminating a wide variety of opinions and public concerns as well as exhibiting at times the intellectual brilliance of the Renaissance The essays here are concentrated upon power particularly in its religious and political aspects gender and theatricality The political and religious upheavals of the Reformation under the Tudor monarchy form a background as well as a focus at times In particular the position of women in sixteenth century society is examined in essays on several plays There is also discussion of the development of theatrical techniques as playwrights worked closely with small acting companies to reach a wide audience ranging from the royal court to the common streets This was achieved as a number of essays make clear through a variety of entertaining theatrical devices      Shakespeare's Shakespeare John Meagher, 2015-12-17 In this work of scholarship and creativity Meagher argues that Shakespeare has been misunderstood because of a failure to recognize his own directions as a playwright Through an examination of several of his plays Meagher uncovers Shakespeare as artist director and actor      Dramatic Texts and Records of Britain Ian Lancashire, 1984-08-02 In 1800 entries this valuable reference work covers texts and records of dramatic activity for about 400 sites in Britain from Roman times to 1558 Grouped in sections texts listed chronologically Records of England Wales Scotland Ireland and Other classified by county site and date and doubtful texts and records the entries summarize the contents of each record and give bibliographic information Professor Lancashire presents a comprehensive survey of almost every type of literary and historical record document and work civic church guild monastic and royal court minutes and financial accounts national records Chancery Parliament Privy Council Exchequer royal proclamations wills local court rolls jest books poems prose treatises sermons archaeological remains artifacts illustrations He brings together works in several normally unrelated fields Roman theatre in Britain medieval drama as such including the Corpus Christi play and the moral play court revels of the Tudors and of their predecessors in England and Scotland and finally Latin and Greek drama as played in Oxford and Cambridge colleges An introduction outlines the history of early drama in Britain Appendixes include indexes of about 335 towns or patrons with travelling players complete with rough itineraries about 180 playwrights and about 320 playing places and buildings There are illustrations four maps and a large general subject and name index      **Shakespeare's Drama of Exile** J. Kingsley-Smith, 2003-11-05 Exile defines the Shakespearean canon from *The Two Gentlemen of Verona* to *The Two*

Noble Kinsmen This book traces the influences on the drama of exile examining the legal context of banishment pursued against Catholics gypsies and vagabonds in early modern England the self consciousness of exile as an amatory trope and the discourses by which exile could be reshaped into comedy or tragedy Across genres Shakespeare's plays reveal a fascination with exile as the source of linguistic crisis shaped by the utterance of that word Banished **Religious Conversion in Early Modern English Drama** Lieke Stelling,2019-01-03 A cross religious exploration of conversion on the early modern English stage offering fresh readings of canonical and lesser known plays **Nonsense and Other Senses** Elisabetta Tarantino with the collaboration of Carlo Caruso,2020-07-24 This book deals with a topic that is gaining increasing critical attention the literature of nonsense and absurdity The volume gathers together twenty one essays on various aspects of literary nonsense according to criteria that are deliberately inclusive and eclectic Its purpose is to offer a gallery of nonsense practices in literature across periods and countries in the conviction that important critical insights can be gained from these juxtapositions Most of the cases presented here deal with linguistic nonsense but in a few instances the nonsense operates at the higher level of the interpretation of reality on the part of the subject or of the impossibility thereof The contributors to the volume are established and younger scholars from various countries Chronologically the chapters range widely from Dante to Václav Havel and offer a large span of national literatures Czech English Finnish French German Italian Japanese and literary genres poetry prose and drama inviting the readers to trace their own pathway and draw their own lines of connection One point that emerges with particular force is the notion that what distinguishes literary nonsense is its somehow regulated nature Literary nonsense thus sounds like a deliberate last ditch attempt to snatch order from the jaws of chaos the speech of the Fool as opposed to the tale told by an idiot It is this kind of post Derridean retrieval of choice as the defining element in semantic transactions which is perhaps the most significant insight bequeathed by the study of nonsense to the analysis of poetry and literature in general [Catalog of Copyright Entries. Third Series](#) Library of Congress. Copyright Office,1971 *Medieval English Drama* Sidney E. Berger,2019-07-05 Originally published in 1990 Medieval English Drama is an exhaustive bibliography of scholarship on medieval English drama Each item has been annotated in the bibliography with considerable care these annotations are descriptive rather than critical and give a clear synopsis of the content of each reference the texts with which it deals and a brief indication of its critical position The bibliography is divided into two sections editions and collections of plays and critical works The bibliography is exhaustive rather than selective and provides English annotations for foreign language works as well as a list of reviews for most books The book covers liturgical and folk drama other forms of entertainment and related material useful to researchers in the field The book provides an update of sources not listed in Carl J Stratman's comprehensive *Bibliography of Medieval Drama* published in 1972 [The Turn of the Soul](#),2012-01-06 The religious upheavals of the early modern period and the fierce debate they unleashed about true devotion gave conversion an unprecedented urgency With their rich variety of emotive aesthetic and rhetoric means of

expression literature and the visual arts proved particularly well adapted means to address explore and represent the complex nature of conversion At the same time many artists and authors experimented with the notion that the expressive character of their work could cultivate a sensory experience for the viewer that enacted conversion Indeed focusing on conversion as one of early modern Europe s most pressing religious issues this volume demonstrates that conversion cannot be separated from the creative and spiritual ways in which it was given meaning Contributors include Mathilde Bernard John R Decker Xander van Eck Shulamit Furstenberg Levi Lise Gosseye Chlo Houston Philip Major Walter Melion Bart Ramakers E Natalie Rothman Alison Searle Lieke Stelling Jayme Yeo and Federico Zuliani

**Moral Play and Counterpublic** Ineke Murakami,2011-02-25 In this study Murakami overturns the misconception that popular English morality plays were simple medieval vehicles for disseminating conservative religious doctrine On the contrary Murakami finds that moral drama came into its own in the sixteenth century as a method for challenging normative views on ethics economics social rank and political obligation From its inception in itinerate troupe productions of the late fifteenth century moral play served not as a cloistered form but as a volatile public forum This book demonstrates how the genre s apparently inert conventions from allegorical characters to the battle between good and evil for Mankind s soul veiled critical explorations of topical issues Through close analysis of plays representing key moments of formal and ideological innovation from 1465 to 1599 Murakami makes a new argument for what is at stake in the much discussed anxiety around the entwined social practices of professional theater and the emergent capitalist market Moral play fostered a phenomenon that was ultimately more threatening to the peace of the realm than either theater or the notorious market a political self consciousness that gave rise to ephemeral non elite counterpublics who defined themselves against institutional forms of authority

*Medieval and Renaissance Drama in England* S. P. Cerasano,Heather Anne Hirschfeld,Edward Gieskes,2024-10-15 Medieval and Renaissance Drama in England is an annual volume committed to the publication of essays and reviews related to English drama and theater history to 1642 An internationally recognized board of scholars oversees the publication of MaRDIE Readers who wish to deepen their understanding of early drama will find that the journal publishes wide ranging discussions not only of plays and early performance history but of topics pertaining to cultural history as well as manuscript studies and the history of printing

[The Triumph of Realism in Elizabethan Drama 1558-1612](#) Willard Thorp,1965

**The Sacred and Profane in English Renaissance Literature** Mary Arshagouni Papazian,2008 This collection of 13 original essays addresses how properly to define the intersection between the sacred and profane in early modern English literature These essays cover a variety of works published in 16th and 17th century England as well as a variety of genres

[The Oxford Handbook of Tudor Literature](#) Mike Pincombe,Cathy Shrank,2009-09-10 This is the first major collection of essays to look at the literature of the entire Tudor period from the reign of Henry VII to death of Elizabeth I It pays particularly attention to the years before 1580 Those decades saw amongst other things the establishment of print culture and growth of a reading

public the various phases of the English Reformation and process of political centralization that enabled and accompanied them the increasing emulation of Continental and classical literatures under the influence of humanism the self conscious emergence of English as a literary language and determined creation of a native literary canon the beginnings of English empire and the consolidation of a sense of nationhood However study of Tudor literature prior to 1580 is not only of worth as a context or foundation for an Elizabethan golden age As this much needed volume will show it is also of artistic intellectual and cultural merit in its own right Written by experts from Europe North America and the United Kingdom the forty five chapters in The Oxford Handbook to Tudor Literature recover some of the distinctive voices of sixteenth century writing its energy variety and inventiveness As well as essays on well known writers such as Philip Sidney or Thomas Wyatt the volume contains the first extensive treatment in print of some of the Tudor era s most original voices

**Shakespeare's Forgotten Allegory** Julian Real,2023-12-22 Shakespeare s Forgotten Allegory posits three startling points that we have today forgotten a cultural icon that helped to bring about the Renaissance that this character used to distil classical wisdom regarding how to raise children to become moral adults consistently appeared in plays performed between 1350 and 1650 and that the character was often utilised by the likes of Shakespeare and Ben Jonson and therefore adds a long forgotten allegorical narrative to their works This evidence based reappraisal of some of the most iconic works in Western literature suggests that a core element of their content has been lost for centuries This text will appeal to anyone with an interest in late medieval and early modern drama especially the works of Shakespeare to those interested in the history of teaching and child rearing to anyone curious about the practical application of philosophy in society to anyone that would like to know more about the crucial and defining period today known as the Renaissance and how and why society was redesigned by those with influence and to all those who would like to know more about how history which though sometimes misplaced continues to influenced our modern world

Kenilworth Walter Scott,Sir Walter Scott,1999-01-01 Presents a fictional portrait of life during the Elizabethan era as the Earl of Leicester tries to keep his marriage to Amy Robsart a secret to avoid the displeasure of Queen Elizabeth

**The Devil and the Sacred in English Drama, 1350-1642** John D. Cox,2000-10-17 John Cox tells the intriguing story of stage devils from their earliest appearance in English plays to the closing of the theatres by parliamentary order in 1642 The book represents a major revision of E K Chambers ideas of stage devils in The Medieval Stage 1903 arguing that this is not a history of gradual secularization as scholarship has maintained for the last century but rather that stage devils were profoundly shaped from the outset by the assumptions of sacred drama and retained this shape virtually unchanged until the advent of permanent commercial theatres near London The book spans both medieval and Renaissance drama including the medieval Mystery cycles on the one hand through to plays by Greene Marlowe Shakespeare 1 and 2 Henry VI Jonson Middleton and Davenant An appendix lists all known devil plays in English from the beginning to 1642

*Early English Stages, 1300 to 1660: Plays and their makers to 1576* Glynne William Gladstone Wickham,1959 **Plays**

**and their Makers up to 1576** Glynne Wickham, 2013-09-05 This volume forms part of the 5 volume set Early English Stages 1300 1660 This set examines the history of the development of dramatic spectacle and stage convention in England from the beginning of the fourteenth century to 1660
