## Longing For God:

**Longing for God** Richard J. Foster, Gayle D. Beebe, 2009-08-20 Do you long for the closeness with God that you've tasted in fleeting moments? You can begin to fill that longing by developing your capacity to receive and respond to God's love. In this rich resource, Richard Foster and Gayle Beebe introduce you to people from the past who have known God deeply and model the seven paths to intimacy with God from Christian history. *The Furious Longing of God* Brennan Manning, 2009-03-01 Imagine a stormy day at sea, your ship yielding to a relentless wind pummeled by crashing waves, subject to the awesome force of nature. A force that is both fierce and majestic. A power that is nothing short of furious. Such is God's intense consuming love for His children. It's a love that knows no limits and no boundaries. A love that will go to any lengths and take any risks to pursue us. Renowned author and ragamuffin Brennan Manning presents a love story for the brokenhearted. For those who are burdened by heavy religion. For those who feel they can never measure up. It is a provocative and poignant look at the radical, no-holds-barred love of our Heavenly Father. It is a message that will forever change how you view God.

*When I'm Longing for God* Greg Allen, Standard Publishing, Rick Rusaw, Dan Stuecher, 2004-07 To worship God is to walk through the shadows into a familiar, welcoming place. These 30-day devotional journals meet readers where they are and help them walk through the shadows into a more powerful worship experience. Meditations, Scripture verses, and breathtaking full-color photography draw readers into a sense of worship. Journal prompts and space for personal reflection allow them an even deeper personal experience. These devotions first aired on The Worship Network and were delivered by the on-air hosts who are also contributors to Windows of Worship. **The Holy Longing** Connie Zweig, 2008-04-08 Longing is the core of mystery. Longing itself brings the cure. Rumi. In every tradition, saints and poets speak of the soul's search for the beloved, the seeker's yearning for the divine. This holy longing, a secret feeling with many disguises, leads us to pursue religious discipleship, spiritual practice, romantic union, or an ideal community. It guides us to timeless wisdom and transcendent experience. But it also can go awry when we misplace it onto objects such as food, alcohol, drugs, or sex, believing that they will satisfy our craving. Or when we misplace it onto an authoritarian personality, believing that he or she will meet our unmet needs. If this teacher or priest abuses power, we encounter the shadow side of spiritual life. Whether the abuse is sexual, financial, or emotional coercion, we may feel forsaken and lose faith, even in God. *The Holy Longing* tells the stories of teachers in many traditions: Sufi poet Rumi, Hindu master Ramakrishna, Christian saint Catherine of Siena, whose lives unfolded as they followed their longing. And it tells the tales of many ordinary people: Catholic believers, students of Zen, and TM followers of Trungpa Rinpoche and Rajneesh, and their encounters with spiritual shadow. Finally, it offers wise counsel for rekindling the flame of faith, moving through the shadow to the light by reclaiming sacred parts of the self that were lost along the way.

Longing for God Richard J. Foster, Gayle D. Beebe, 2009 *When I Don't Desire God* John Piper, Longing for God Glandion Carney, William Rudolf Long, 1993 Offering meditations on 30 passages from the Psalms, the authors suggest a

Foster,2014-05-10 Richard Foster and Gayle Beebe both experienced leaders in spiritual formation introduce you to people from the past who have known God deeply Each person helps you to grasp one of the seven primary paths to intimacy with God that have been developed throughout Christian history      **The Oxford Handbook of Mystical Theology** Edward Howells,Mark A. McIntosh,2020-02-25 The Oxford Handbook of Mystical Theology provides a guide to the mystical element of Christianity as a theological phenomenon It differs not only from psychological and anthropological studies of mysticism but from other theological studies such as more practical or pastorally oriented works that examine the patterns of spiritual progress and offer counsel for deeper understanding and spiritual development It also differs from more explicitly historical studies tracing the theological and philosophical contexts and ideas of various key figures and schools as well as from literary studies of the linguistic tropes and expressive forms in mystical texts None of these perspectives is absent but the method here is more deliberately theological working from within the fundamental interests of Christian mystical writers to the articulation of those interests in distinctively theological forms in order finally to permit a critical theological engagement with them for today Divided into four parts the first section introduces the approach to mystical theology and offers a historical overview Part two attends to the concrete context of sources and practices of mystical theology Part three moves to the fundamental conceptualities of mystical thought The final section ends with the central contributions of mystical teaching to theology and metaphysics Students and scholars with a variety of interests will find different pathways through the Handbook      [Furnace of the Heart](#) Sister Margaret Magdalen (CSMV.),1998 Each of us is born with an innate longing for the God in whose image we are made This book explores the many facets of this longing beginning with the very nature of longing itself It challenges us to enter into the pain and the joy of longing and to dare to respond to God s call to plunge into the abyss of love and share in the compassion of Christ It draws on the wisdom of the Early Fathers the Spiritual Classics as well as contemporary
