Adobe Walls T. Lindsay Baker, Billy R. Harrison, 1986-04-04 In the spring of 1874 a handful of men and one woman set out for the Texas Panhandle to seek their fortunes in the great buffalo hunt Moving south to follow the herds they intended to establish a trading post to serve the hunter or hide men At a place called Adobe Walls they dug blocks from the sod and built their center of operations After operating for only a few months the post was attacked one sultry June morning by angry members of several Plains Indian tribes whose physical and cultural survival depending on the great bison herd that were rapidly shrinking before the white men's guns Initially defeated that attacking Indians retreated But the defenders also retreated leaving the deserted post to be burned by Indians intent on erasing all traces of the white man's presence Nonetheless tracing did remain and in the ashes and dirt were buried minute details of the hide

men's lives and the battle that so suddenly changed them. A little more than a century later, white men again dug into the sod at Adobe Walls. The nineteenth-century men dug for profits, but the modern hunters were looking for the natural time capsule inadvertently left by those earlier adventurers. The authors of this book, a historian and an archaeologist, have dug into the sod and into far-flung archives to sift reality from the long romanticized story of Adobe Walls, its residents, and the Indians who so fiercely resented their presence. The full story of Adobe Walls now tells us much about the life and work of the hide men about the dying of the Plains Indian culture and about the march of white commerce across the frontier. **Humphrey's**

Motel Emily B. Kerros, 2024-05-29 Neal Humphrey, a lonely bartender, stumbles over a dead body one night at the Pearl Motel, with a beautiful out-of-towner. The dead man is Humphrey's new landlord, Tedd Archer, savagely shot in his pinstripe pajamas. Inspired by his mother's fascination with classic crime fiction and fearing he will be suspected for an argument with Tedd before his death, Humphrey sets out to find the murderer among Pearl's plain Jane townsfolk and peculiar motel guests. He expects that unraveling the truth from the small-town gossip will be nearly impossible, especially when everyone seemed to dislike Tedd. But what Humphrey doesn't expect to find is a missing novel worth a small fortune, his photographer frenemy being blackmailed for past sins, and a big-city detective hot on his heels.
