**Denied a Mummy** Maggie Hartley, 2018-11-01 When Maggie's latest placement arrives on her doorstep it is clear that Sean Dougie and their big sister Mary have been through unspeakable traumas in their short lives. Violent and malnourished, the siblings have been left to fend for themselves by their drug-addicted parents. Maggie must use all of her skills and experience as a foster carer to help these damaged siblings to learn to be children again. With much love, care, and patience, their behaviour gradually starts to improve and social services start looking for a forever family for them. But alarm bells start to ring when Maggie meets the couple who have been matched to adopt the siblings. It is clear that they're looking for the perfect ready-made family and they're not going to get it with these vulnerable brothers and sister. Despite raising her concerns with social services, Maggie is powerless to prevent the adoption from going ahead and she must put aside her own fears to help the siblings settle in with their new parents. But she can't shake the feeling of dread as she waves them goodbye. A few months later, Maggie's worst nightmares come true when she learns that the children have been handed back to the care of social services following the breakdown of the adoption. Maggie must fight to get the children returned to her, but it is too late to undo the damage that has been done. A true story of hope from Sunday Times bestselling author Maggie Hartley, a foster carer for over 20 years.

**Family Time** Gary Chapman, Jen Mickelborough, 2023-02-07 Based on Chapman's best-selling *The 5 Love Languages*, an intentional resource for adding love, meaning, and adventure to your family days. You're a committed parent. You love your kids. But even on good days, you can feel tired. Despite our best efforts, we're sometimes faced with grouchy, bored, or strong-willed children. Ever make dinner after a long day only to be met with grimaces and grumbling? Ever faced stubborn resistance over clothes? And why is it so hard to get out the door in a timely manner? As Chapman and Mickelborough faced the reality of their beautiful little humans expressing their sometimes difficult selves, it occurred to them: maybe we're not loving them in the way they need. This book is borne out of their own experiences and desires to love their children well. What does it look like to love my child through Acts of Service? How can I think of a new way to have Quality Time with my child? This book is an invaluable resource of family activities incorporating each of the five love languages. There are ideas for wet days, sunny days, and holidays; ways to relax or to be active; ways to be creative or take in new experiences together. Family Time brings ease and enjoyment to your days and helps activate all five love languages in your household.
