*Nancy. A Novel* Rhoda Broughton, 2023-11-15. Reprint of the original first published in 1874. **The Secret Book of Kings** Yochi Brandes, 2025-06-25. This volume by Biblical scholar Yochi Brandes is a riveting novel based on textual sources about the experiences of David and Solomon. Its lessons are also relevant for our turbulent time. Elie Wiesel 1 New York Times and internationally bestselling author of *Night*. In the tradition of *The Red Tent* from internationally bestselling author Yochi Brandes comes the story of the struggles of King David and King Saul in the early days of the Kingdom of Israel, seen through the eyes of Michal, Saul's daughter and David's abandoned queen. Stories are deadlier than swords. Swords kill only those who stand before them; stories decide who will live and die in generations to come. Shelomoam, a young man from the tribe of Ephraim, has grown up in the shadow of dark secrets. He wonders why his father is deathly afraid of the King's soldiers and why his mother has lied about the identities of those closest to him. Shelomoam is determined to unearth his mysterious past, never imagining where his quest will ultimately lead him. *The Secret Book of Kings* upends conventions of biblical novels, engaging with the canonized stories of the founding of the Kingdom of Israel and turning them on their heads. Presented for the first time are the heretofore unknown stories of the House of Saul and of the northern Kingdom of Israel, stories that were artfully concealed by the House of David and the scribes of the southern Kingdom of Judah. Yochi Brandes, one of Israel's all-time bestselling novelists, enlists her unique background in both academic Jewish scholarship and traditional religious commentaries to read the Bible in an utterly new way. In this book, a major publishing phenomenon in Israel and one of the bestselling novels in the history of the country, she uncovers vibrant characters, especially women buried deep within the scriptures, and asks the loaded question: to what extent can we really know our past when history is written by the victors. *A Crystal Age; Utopian novel* W. H. Hudson, 2025-08-23. Reproduction of the original. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage. **Magical Explorer, Vol. 6 (light**

D. H. Lawrence Alistair Niven,1978-02-23 Since his death in 1930 D H Lawrence has become not only one of the most controversial English novelists of the twentieth century but also one of the most widely read and quoted writers in the language In this new study of his major fiction Alistair Niven revalues all the novels tracing Lawrence s development through them both as an artist and as a thinker At the centre of the book Dr Niven discusses *The Rainbow* and *Women in Love* as the diverse products of a single creative intention nothing less than an exploration of where modern man is going Lawrence s early novels *The White Peacock* and *The Trespasser* receive exceptionally close scrutiny There are also full length chapters on Lawrence s well known fiction of sexual self discovery *Sons and Lovers* and *Lady Chatterley s Lover* The travel novels *The Lost Girl* *Aaron s Rod* *The Plumed Serpent* and especially the Australian novel *Kangaroo* which the author believes has been seriously underestimated by previous critics are given prominence as evidence of Lawrence s restless desire to find a superior set of values to those he believed had failed in England Dr Niven s conclusions are derived solely from his close reading of the novels themselves and when relevant from Lawrence s correspondence and short stories This study with its unusually lively and commonsense approach confirms Lawrence as not only a great novelist but a central figure in the development of the modern mind
