Kennedy,1975-01-23 In this penetrating study Andrew Kennedy sets out to analyse the modern movement in drama through the theatrical language of six key figures writing in English Shaw Eliot Beckett Pinter Osborne and Arden Dr Kennedy argues that a study of theatrical language should be an exercise in practical criticism and not merely narrowly linguistic The whole range of theatrical expressiveness must be examined in detail from play text and performance alike and the conclusions correlated with the author s known intentions if a full evaluative judgement is to be attempted Dr Kennedy shows how the modern movement in drama reveals a growing difficulty in creating any type of fully expressive dramatic language He has written a work with an unusual breadth of reference which should prove of value to all students of modern drama modern English and European literature and to the theatre going public **A New Model of the Universe** P.D. Ouspensky,2023-01-29 In A New Model of the Universe written in 1914 and now published for the first time in French P D Ouspensky describes his own quest for a form of truth concerning questions as fundamental as the place of man in the universe the unknown the invisible world starting from the idea always that true civilization only exists in esotericism and that modern Western civilization suffers from a profound barbarism due to the absence of esoteric thought Calling on

Christianity Judaism Eastern philosophies the symbolism of the Tarot experimental mysticism the study of dreams hypnotism yoga but also the sciences and in particular ancient physics and modern the author attempts to answer the following questions what form does the world have Is the world a chaos or a system Does the universe exist by accident or was it created according to a plan A new model of the Universe responds to a growing need in late 20th century man to question his origins and the meaning of his existence by having recourse to ancient beliefs and traditions *Your Guide to Google Web Search* Ren Djurup, René Djurup, 2010 Written for lay people searching for information on the Web this resource describes all Google Web Search features and tools in detail All critical steps are illustrated with detailed screenshots **The Complete Monty Python's Flying Circus** Monty Python, Graham Chapman, Eric Idle, Terry Gilliam, Terry Jones, 1989-11-12 ALMOST CERTAINLY NOMINATED FOR SOMETHING SOMEWHERE The complete scripts from the four Monty Python series first shown on BBC television between 1969 and 1974 have been collected in two companion volumes Characters names often not spoken are given as in the original scripts along with the names of the actual performer added on their first appearance in each sketch This first volume contains twenty three classic episodes featuring some of the most entertaining writing to have gone into television anywhere The minister of silly walks the dead parrot banter in a cheese shop here is every silly satirical skit every snide insult every saucy aside **Superman in Myth and Folklore** Daniel Peretti, 2017-10-05 Superman rose from popular culture comic books newspaper strips radio television novels and movies but people have so embraced the character that he has now become part of folklore This transition from popular to folk culture signals the importance of Superman to fans and to a larger American populace Superman s story has become a myth dramatizing identity morality and politics Many studies have examined the ways in which folklore has provided inspiration for other forms of culture especially literature and cinema In *Superman in Myth and Folklore* Daniel Peretti explores the meaning of folklore inspired by popular culture focusing not on the Man of Steel s origins but on the culture he has helped create Superman provides a way to approach fundamental questions of human nature a means of exploring humanity s relationship with divinity an exemplar for debate about the type of hero society needs and an articulation of the tension between the individual and the community Through examinations of tattoos humor costuming and festivals Peretti portrays Superman as a corporate owned intellectual property and a model for behavior a means for expression and performance of individual identity and the focal point for disparate members of fan communities As fans apply Superman stories to their lives they elevate him to a mythical status Peretti focuses on the way these fans have internalized various aspects of the character In doing so he delves into the meaning of Superman and his place in American culture and demonstrates the character s staying power **The Sustainable(ish) Living Guide** Jen Gale, 2020-01-09 Easy do able down to earth ideas and suggestions for everyone to help save the planet If you want to save the planet but your to do list is already pretty long and remembering your re usable coffee cup feels like a Herculean task then this is the book for you Covering every aspect of our lives from the stuff we buy and the
