*One Focus Father, Son & Holy Spirit (Sovereign, Savior & Lord)* Jeffrey E. Pollock,2023-05-21 One Focus Christian Poetry is inspired by the Word of God and shared to glorify God in His Son Jesus In this sin sick fallen world the Lord Jesus Christ taught His disciples that He is the Way the Truth and the Life John 14 6 the only hope to reach His Father in Heaven ABOVE ALL a sovereign HOLY GOD oversees and directs every people group and every nation is under His supreme authority The prophet Isaiah of Old put it this way As the heavens are higher than the earth so are My ways higher than your ways As the rain and the snow come down from heaven and do not return to it without watering the earth and making it flourish so that it yields seed for the sower and bread for the eater so is My word that goes out from My mouth It will not return to Me unfulfilled See Isaiah 55 9 10 11 When God said Let there be light there was light See Genesis 1 3 Without the holy light of truth humanity remains in darkness BUT GOD our Father made it possible in His Son for all His children to see believe and be saved The Word of God is LIGHT Light reveals what is hidden in darkness and enables right vision and knowledge of His perfect will In the New the Holy Spirit expounds on the Light of Jesus through John the Apostle The Word gave life to everything created and His life brought light to everyone Light shines in the dark and the darkness cannot stop it See John 1 1 thru 5 May these poems encourage you to look to Jesus for eternal truth as you walk in the light as He is in the light See 1 John 1 7 Hope you will enjoy

**Situated Language and Learning** James Paul Gee,2012-10-02 Why do poor and minority students under perform in school Do computer games help or hinder learning What can new research in psychology teach our educational policy makers In this major new book Gee tackles the big ideas

about language literacy and learning putting forward an integrated theory that crosses disciplinary boundaries and applying it to some of the very real problems that face educationalists today Situated Language and Learning looks at the specialist academic varieties of language that are used in disciplines such as mathematics and the sciences It argues that the language acquisition process needed to learn these forms of language is not given enough attention by schools and that this places unfair demands on poor and minority students The book compares this with learning as a process outside the classroom applying this idea to computer and video games and exploring the particular processes of learning which take place as a child interacts with others and technology to learn and play In doing so Gee examines what video games can teach us about how to improve learning in schools and engages with current debates on subjects such as communities of practice and digital literacies Bringing together the latest research from a number of disciplines Situated Language and Learning is a bold and controversial book by a leading figure in the field and is essential reading for anyone interested in education and language
