can't resist riding horses astride in breeches But with the family farm in trouble and her father now in dire need of her wages she's determined to conquer her wildness once and for all Even with his home full of eligible women there is only one who catches Guy's eye though he tries to deny it For Lottie succeeding in her new role proves difficult when the Wennington estate is filled with horses and a spark ignites between her and the grumpy lord Will they remain stuck in their ways or learn that they may just be the perfect match Look Before You Leap Anne Mazer,2001-07 Abby Hayes decides summer is a perfect time for a pet Abby is sure she can handle the responsibility but things don't go as planned By the time she adopts a kitten summer has taken a turn for the better Now that she's made a new friend at camp and has a contest to win can she keep up with her kitten too Illustrations Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting,1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor's Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting's authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what's the real thing and what is spurious *Poems* James Shepherd (Writer of Verse.),1877 *The Facts on File Dictionary of Proverbs* Martin H.
