Ayers, 2014-06-11 Winner of the 2004 Gradiva Award from the National Association for the Advancement of Psychoanalysis The issue of shame has become a central topic for many writers and therapists in recent years but it is debatable how much real understanding of this powerful and pervasive emotion we have achieved Mother Infant Attachment and Psychoanalysis argues that shame can develop during the first six months of life through an unreflected look in the mother's eyes and that this shame is then internalised by the infant and reverberates through its later life The author further expands on this concept of the look through a powerful and extensive study of the concept of the Evil Eye an enduring universal belief that eyes have the power to inflict injury Finally she presents ways of healing shame within a clinical setting and provides a fascinating analysis of the role of eye contact in the therapeutic encounter This book brings together a unique blend of theoretical interpretations of shame with clinical studies and integrates major concepts from psychoanalysis Jungian analysis developmental psychology and anthropology The result is a broad understanding of shame and a real understanding of why it may underlie a wide range of clinical disorders      *Mirror Mirror* Thirteen Press, 2014-02-23 Mirrors are fascinating They reflect everything accurately the things that are in front of them or do they Scientists were at one time attempting to create a mirror which showed everything the way the viewer would see it not the back to front reflection we are used to Quite what that would do to our minds is anyone's guess Mirrors can be menacing They can reveal our innermost fears sometimes showing us those fears in ghastly and horrific forms Mirrors can speak according to the fairy tale giving the viewer what she wanted up to a point until it no longer became the truth Mirrors hold many secrets This anthology reveals some of those secrets and horrors as the talented writers who have allowed me to use their work explore in tales of woe blood gore and murder Here are the real nasties hiding behind the silvered backs of seemingly innocuous mirrors Look in them at your peril      *A Haunt of Fears* Martin Barker, 1984 An exploration of the British campaign against horror comics between 1949 and 1955 that led to the passage of the Children and Young Persons Act of 1955      **The EC Archives: Shock Suspensstories Volume 3** Carl Wessler, 2023-12-05 Now available in an affordable paperback edition Shock SuspenStories Volume 3 continues the fabled EC tradition of presenting the finest noir comics of the

Coetzee and the Ethics of Power** Emanuela Tegla,2016-01-12 For I was not as I liked to believe the indulgent pleasure loving opposite of the cold rigid Colonel I was the lie that Empire tells itself when times are easy he the truth that Empire tells when harsh winds blow Thus the Magistrate confesses in Coetzee s 1980 novel *Waiting for the Barbarians* The present study looks closely into the unsettling effects Coetzee s novels have on the reader and explores the interconnectedness between stylistic choices and moral insights Its overall aim is to

disclose the effectiveness of Coetzee's narrative strategies to prompt the reader to engage in self-questioning and radical revisions of personal and social moral assumptions. This is an original and ground-breaking study of Coetzee's work. Dr Tegla's insightful close readings highlight the ways in which Coetzee fictionalizes a variety of moral dilemmas. In particular, she shows how he turns narrative into an instrument for moral discernment. Her narratological approach advances our understanding of his achievements and I can state without reservation that this book will be referred to as a landmark in Coetzee criticism. Richard Bradford, Research Professor and Senior Distinguished Research Fellow, University of Ulster.

*Through His Eyes* Francine L. Bouwense, 2009-08 If perception is reality, you will want to read *Through His Eyes*. See how your worldview is influencing your thoughts, your decisions, your future, your life. Embark on a journey towards renewed spiritual vision where you will discover answers to questions such as: Why do people suffer? What is real love and will I make it into Heaven, all from a biblical point of view. If you have never really thought about it, looking at things through His eyes will amaze you. The book is a real eye opener. *Through His Eyes* speaks about the dividing line that separates human thoughts and ideas from the teachings of God. After reading *Through His Eyes*, I can see the carnal and the spiritual man in myself, amazing grace. Spyro Matthews, Author of *The Christian's Alphabet*. An all-out honest to God answer to issues we've all wrestled with, authentic, deeply felt. *Through His Eyes* moves with both grace and simplicity. I highly recommend this book to all of us who have had gut-wrenching questions about God and life. Reverend John Franco, Retired Pastor, Faith with Love Fellowship. In *Through His Eyes*, Bouwense connects God's wisdom with the challenges that come our way in a complex world. Her experiences as a professional woman, wife, mother, and servant of the living God give her writing the ring of authenticity. Experience the Spirit as you read and discover the compelling call of Jesus. Come follow Me, retold in her words. Reverend Jerry Scott, Pastor, Washington Assembly of God. Francine Bouwense ministers to the sick and disabled as both physical therapist and lay minister. Author of *From Grief to Glory*, she has helped many come to terms with devastating grief. As a women's ministry leader, Fran is a frequent speaker at churches and women's groups. **Words** Ernst van den Hemel, Asja Szafraniec, 2016-06-15

A wide-ranging anthology of essays that examine the uses, purposes, and influence of religious language. It is said that words are like people. One can encounter them daily yet never come to know their true selves. This volume examines what words are, how they exist in religious phenomena. Going beyond the common idea that language merely describes states of mind, beliefs, and intentions, the book looks at words in their performative and material specificity. The contributions in this volume examine and employ a number of linguistic and semiotic ideologies. They develop the insight that our implicit assumptions about language guide the way we understand and experience religious phenomena. They also explore the possibility that insights about the particular status of religious utterances may in turn influence the way we think about words in our language. *Hallberger's Illustrated Magazine*, 1879 **March's Thesaurus Dictionary** Francis
