The Origins of Australia's Capital Cities Pamela Statham,1989 The Origins of Australia s Capital Cities is a comprehensive survey well illustrated with maps and plans which aims to answer two questions First why Australia s eight capital cities are situated

where they are and second how they were established Pairs of chapters on each of the State capitals Sydney Hobart Perth Adelaide Melbourne and Brisbane are accompanied by studies of Canberra as the federal capital and Darwin as a territorial capital A capital is the administrative centre of a political entity and in Australia unlike many overseas countries a uniquely high proportion of the population resides in the capitals Companion chapters examine the causes of initial European settlement in each area and reasons for the actual establishment of each capital city Attention is given to such topics as planning and layout the basis of growth potential rivals the social nature of the cities and the nature of their spread While there have been no other volume covering all the capitals to seek answers to the same basic questions This will therefore be an invaluable source book and provide a stimulus to further enquiry in the social history of Australia An introduction by the editor pulls together the general strands which link the chapters and highlights the ways in which the Australian experience contrasts with the urban experience overseas

Fires Within Ray Thompson, 2010-09-14 *Fires Within* seeks to explore contemporary life issues especially the often conflicting inner fires of sexuality and spirituality conflicting not just with each other but also with traditional religious and social attitudes and myths The novel begins where it ends but then goes back to earlier years to trace the circumstances and rapidly changing community attitudes that have combined to bring the individuals in this story to this point in their lives Peter is the central character a minister pastor who struggles with these issues within the conservative and often defensive ethos of the traditional Australian church and particularly in relation to unresolved grief in his own life Len is a doctor facing similar issues within secular society Jay is a Chinese woman who has to work through these same conflicts firstly growing up as the daughter of a missionary doctor in what then became Communist China and later as a reluctant masseuse sex worker in Australia Rather than trying to provide simplistic or moralistic answers to these inner conflicts these characters individually and later through their interaction with one another grapple with their search for personal integrity This frequently means having to stand out against peer group opinion and challenge some of the traditions and myths that often limit their enjoyment of the fullness of life While all characters in the novel are fictitious the unfolding events deliberately reflect the kind of situations and raw emotions that are common in many people's lives In a real world that is far from perfect the choices that they have to make are not simply between good and bad but reflect the multi faceted dilemmas that often confront real people The author attempts to deal with these issues in a non judgemental way hopefully opening the door for readers grappling with similar issues to explore new possibilities in their own lives

"The" Illustrated London News, 1869 *The Romance of War, Vol.3 (of 3)* James Grant, 2017-07-07 Example in this ebook continue from Vol 2 CHAPTER I HOSTILITIES A LOVE LETTER Boiling with rage at Louis's insulting defiance Ronald returned to his quarters in the Alcazar determined at day break to summon him forth to fight or apologize He often repeated the words Her heart has never wandered from you Ah if this should indeed be the case and that Alice loved him after all But from Louis his honour demanded a full explanation and ample apology either of which he feared the proud spirit

of the other would never stoop to grant Yet to level a deadly weapon against the brother of Alice against him to whom he had been a constant friend and companion in childhood and maturer youth and perhaps by a single shot to destroy him the hopes and the peace of his amiable father and sister he felt that should this happen he never could forgive himself But there was no alternative it was death or dishonour Two ways lay before him to fight or not to fight and his sense of injured honour made him without hesitation choose the first and he waited in no ordinary anxiety for the dawn when Alister Macdonald who was absent on duty would return to the quarters of the regiment Next morning when the grey daylight was beginning faintly to show the dark courts and gloomy arcades of the Alcazar he sprung from his couch which had been nothing else than his cloak laid on the polished floor tiles and undergoing a hasty toilette he was about to set forth in search of Macdonald when Lieutenant Chisholm one of the officers entered What up already Stuart said he I hope you are not on any duty No Why Because Lisle has asked me to wait upon you Upon me asked Ronald with a frown of surprise Upon me Chisholm Yes of course you will remember what occurred in the cathedral last night How could I ever forget Mr Lisle under its roof insulted me most grossly replied Ronald his lips growing white with anger I was just about to seek Macdonald to give him a message but Mr Lisle has anticipated me For Heaven s sake Stuart let us endeavour to settle this matter amicably Think of the remorse which an honourable survivor must always feel A hundred men slain in action are nothing to one life lost in a duel Address these words to your principal they are lost on me but you are an excellent fellow Chisholm It is long since we have had an affair of this sort among us and Cameron is quite averse to this mode of settling disputes I shall not consult his opinion or that of any other man in defence of my own honour said Ronald haughtily As you please replied the other with an air of pique Lisle and you have long been on very distant terms and the officers have always predicted that the matter would terminate in this way Curse their impertinent curiosity And so Lisle calls me out in consequence of the high words we exchanged in the cathedral last night That is one reason the least one I believe He mentioned that his sister Miss Lisle Stay Chisholm I will hear no more of this cried Stuart then suddenly changing his mind added Ah well his sister Miss Alice Lisle Go on Faith Stuart you seem confoundedly confused Do settle this matter in peace Lisle has told me the story in confidence and I think you have been to blame indeed you have Send Lisle an apology for I assure you he is boiling with passion and will not yield a hair s breadth To be continue in this ebook

Colonial frontiers Lynette Russell, 2017-03-01 Cross cultural encounters produce boundaries and frontiers This book explores the formation structure and maintenance of boundaries and frontiers in settler colonies The southern nations of Australia New Zealand and South Africa have a common military heritage as all three united to fight for the British Empire during the Boer and First World Wars The book focuses on the southern latitudes and especially Australia and Australian historiography Looking at cross cultural interactions in the settler colonies the book illuminates the formation of new boundaries and the interaction between settler societies and indigenous groups It contends that the frontier zone is a hybrid space a place where both indigene and invader come together on land that each

one believes to be their own The best way to approach the northern Cape frontier zone is via an understanding of the significance of the frontier in South African history The book explores some ways in which discourses of a natural prehistoric Aboriginality inform colonial representations of the Australian landscape and its inhabitants both indigenous and immigrant The missions of the London Missionary Society LMS in Polynesia and Australia are examined to explore the ways in which frontiers between British and antipodean cultures were negotiated in colonial textuality The role of the Treaty of Waitangi in New Zealand society is possibly the most important and controversial issue facing modern New Zealanders The book also presents valuable insights into sexual politics Aboriginal sovereignty economics of Torres Strait maritime and nomadism
