William Walster,1985 This fascinating review of what social psychologists know about love sex and intimacy puts to rest some tired clichés on the subject Begins by asking What is this thing called love and finds that people distinguish between two kinds of love passionate love and companionate love This study answers a variety of questions about love such as Where is the best place to find someone to love Do men and women want different things from love How can couples make love last Originally published by Addison Wesley in 1978 it won the American Psychological Foundation National Media Award in 1979 **The Look of Love: The Sullivans 1** Bella Andre,2014-01-01 With THE LOOK OF LOVE bestselling author Bella Andre introduces you to a fun and emotional contemporary romance series about the Sullivan family Because when a Sullivan bad boy falls he falls hard And it's forever Chloe Peterson is having a bad night A really bad night The large bruise on her cheek can attest to that And when her car skids off the side of a wet country road straight into a ditch she's convinced even the gorgeous guy who rescues her in the middle of the rain storm must be too good to be true Or is he As a successful photographer who frequently travels around the world Chase Sullivan has his pick of beautiful women and whenever he's home in San Francisco one of his seven siblings is usually up for causing a little fun trouble Chase thinks his life is great just as it is until the night he finds Chloe and her totaled car on the side of the road in Napa Valley Not only has he never met anyone so lovely both inside and out but he quickly realizes she has much bigger problems than her damaged car Soon he is willing to move mountains to love and protect her but will she let him Chloe vows never to make the mistake of trusting a man again Only with every loving look Chase gives her and every sinfully sweet caress as the attraction between them sparks and sizzles she can't help but wonder if she's met the only exception And although Chase didn't realize his life was going to change forever in an instant amazingly he isn't the least bit interested in fighting that change Instead he's gearing up for a different fight altogether for Chloe's heart The Look of Love Sarah Jio,2014-11-25 Inspired by the classic song this magical story from the New York Times bestselling author of Always and Blackberry Winter tells the tale of a woman with the unusual gift to see true love but will she be able to find it for herself before it's too late Born during a Christmas blizzard Jane Williams receives a rare gift the ability to see true love In spite of her unique talent Jane has emerged from an ailing childhood a lonely hopeless romantic without love on her life On her twenty ninth birthday a mysterious greeting card arrives The card specifies that Jane must identify the six types of love before the full moon following her thirtieth birthday or face grave consequences But when Jane at last falls for a science writer who doesn't believe in love she fears that she may never accomplish her task and that her loveless fate may be sealed Jio has become one of the most read women in America Woman's World **An Expert Look at Love, Intimacy and Personal Growth** Robert M.
