Jon Cooksey, Jerry Murland

Loos 1915 The Unwanted Battle:

Loos 1915 Gordon Corrigan, 2006 This book looks at the major British offensive in 1915 when the British Expeditionary Force embarked on a battle that it did not want to fight over ground that was quite unsuitable for the attack **Battle**

Story: Loos 1915 Peter Doyle, 2012-02-29 Through the first year of the First World War Allied strategy had relied upon a series of small scale assaults which in reality achieved little or no ground gained The Battle of Loos was to be different Kitchener's Army was deployed in strength for the first time and an ambitious plan aimed to take ground over a 20 mile front However the battlefield was not the Allies ideal site and the battle plans did not account for the lack of ammunition and artillery It was the attempt to overcome some of these shortcomings that would put this battle firmly in the history books as the British deployed poison gas for the first time hoping to confuse and overwhelm the German positions With facts and stats that explore both sides of the conflict as well as the innovations brought to this battle The Battle of Loos 1915 analyses the key strategies at play studies the lasting legacy of this battle on the rest of the war and explores the myth of the Footballer of Loos an iconic image of the First World War to this day **Loos 1915** Nick Lloyd, 2008-10-01 In little over three weeks of

intensive fighting which not only witnessed the first British use of poison gas but also the debut of New Army divisions filled with citizen volunteers British forces at Loos managed to drive up to two miles into the German positions However they were unable to capitalise on their initial gains After suffering nearly 60 000 casualties three times the number suffered by their opponents and being driven from the German lines in disorder bitter recrimination followed Nick Lloyd presents a reassessment of the Battle of Loos arguing that it was vital to the development of new strategies and tactics He places it within its political and strategic context as well as discusses command and control and the tactical realities of war on the Western Front during 1915 The Footballer of Loos Ed Harris, 2009-08-03 The Germans fighting on two fronts were

concentrating in the east where the Russians were weakening In the west the Allied effort was met with well prepared German defences and efforts to open a new front on the Gallipoli Peninsula had foundered Decisive action to break the deadlock on the Western Front saw a mighty attack of six British divisions planned for the autumn of 1915 in the vicinity of the small mining community of Loos en Gohelle where The Big Push would begin The bitter recriminations that followed the perceived failure reduced the Battle of Loos to a footnote in the history of the Great War for many decades Entirely lost in translation has been the Boys Own tale of the Tommy who kicked a football ahead of the charge That soldier was identified as Rifleman Frank Edwards and through his original research Ed Harris clearly establishes for the first time that the first great attack by the British army was begun when Edwards kicked a football towards the German lines Harris sheds light on what it was like to be a part of this crucial battle and questions the largely held view that Loos was a failure using material sourced from a wide variety of sources from the Imperial War Museum to the National Football Museum **Memory, Narrative**

and the Great War David Taylor, 2013 This is a detailed study of an important figure whose differing perceptions of the

Great War throw valuable light on the way in which war is remembered and narrated **The Battle of Loos** Philip Warner,2000 On 25th September 1915 and for a few days afterward the small town of Loos between Lens and La Bass e in Northern France became the centre of one of the most intense and bloody battles of the First World War Philip Warner s narrative is vividly brought to life through the words of survivors from all parts of the line the infantry the gunners the officers and including extracts from the letters and diaries of Sir John French Through their accounts and diaries of the time they reveal one of the most horrific tales of war yet told as well as the heroism and determination that in the end tipped the scales to victory Page 4 of cover **The Battles of French Flanders** Jon Cooksey,Jerry Murland,2015-04-30 The battles fought by the British army in 1915 in the second year of the First World War are less well known than those fought immediately after the outbreak of war in 1914 and those that followed in 1916 which culminated in the Battle of the Somme But the fighting at Aubers Ridge Festubert Neuve Chapelle and Loos was just as severe as was the 1916 battle at Fromelles and the battlefields are just as interesting to explore today This volume in the Battle Lines series is the perfect guide to them Expert guides Jon Cooksey and Jerry Murland take visitors over a series of routes that can be walked biked or driven explaining the fighting that occurred at each place in vivid detail They describe what happened where it happened and why and who was involved and point out the sights that remain for the visitor to see Their highly illustrated guidebook is essential reading for visitors who wish to enhance their understanding of warfare on the Western Front **Haig's Tower of Strength** John Powell,2018-09-30 This is the first biography of General Sir Edward Bulfin who rose to high rank despite his Catholic Irish republican background at a time when sensitivities were pronounced Not only that but by the outbreak of the Great War Bulfin was a brigade commander despite having not attended Sandhurst or Staff College and never commanding his battalion In his early career he was a protg of Bullers and he made his name in the Boer War In 1914 Haig credited him with saving the day at First Ypres despite being wounded and gave him 28th Division Unable to get on with Gough he was sent home He raised the 60th London Division and took it to France Salonika and Egypt where Allenby chose him to command a corps His success against the Turks at Gaza Jerusalem and Megiddo justified Allenbys confidence Despite ruthlessly crushing disturbances in post war Egypt Bulfins beliefs and background led him to refuse Churchills order to command the police and army in Ireland A private man Bulfin left few letters and no papers and the author is to be congratulated on piecing together this fascinating biography of an enigmatic military figure **The British Army 1914-1918** Andrew Rawson,2014-07-07 An indispensable guide to the British Army during the First World War covers the men who fought for Britain from the Old Contemptibles the professionals who stemmed the German advance at the beginning of the war to the Territorials the Derby Men Kitchener s New Army and the conscripts who eventually defeated the Kaiser s armies four years later Andrew Rawson examines the impressive contributions made by the Dominions and the Empire and explores aspects of doctrine training communications strategy and tactics together with divisional organisations histories and

the roles of the different Arms and Services He reviews all aspects of the soldier s everyday life uniforms equipment rations trench life leave and military discipline and profiles the commanders and the legacy of the war in art as well as providing information on cemeteries and places of interest It is all here in one book **Climax at Gallipoli** Rhys Crawley,2014-03-19

Gallipoli the mere name summons the story of this well known campaign of the First World War And the story of Gallipoli where in August 1915 the Allied forces made their last valiant effort against the Turks is one of infamous might have beens If only the Allies had held out a little longer pushed a little harder had better luck Gallipoli might have been the decisive triumph that knocked the Ottoman Empire out of the First World War But the story is just that author Rhys Crawley tells us a story Not only was the outcome at Gallipoli not close but the operation was flawed from the start and an inevitable failure A painstaking effort to set the historical record straight *Climax at Gallipoli* examines the performance of the Allies Mediterranean Expeditionary Force from the beginning of the Gallipoli Campaign to the bitter end Crawley reminds us that in 1915 the second year of the war the Allies were still trying to adapt to a new form of warfare with static defense replacing the maneuver and offensive strategies of earlier British doctrine In the attempt both the MEF at Gallipoli and the British Expeditionary Force on the Western Front aimed for too much and both failed To explain why Crawley focuses on the operational level of war in the campaign scrutinizing planning command mobility fire support interservice cooperation and logistics His work draws on unprecedented research into the files of military organizations across the United Kingdom and Australia The result is a view of the Gallipoli Campaign unique in its detail and scope as well as in its conclusions a book that looks past myth and distortion to the facts and the truth of what happened at this critical juncture in twentieth century history *British Generalship during the Great War* Simon Robbins,2016-04-15

Following the career of one relatively unknown First World War general Lord Horne this book adds to the growing literature that challenges long held assumptions that the First World War was a senseless bloodbath conducted by unimaginative and incompetent generals Instead it demonstrates that men like Horne developed new tactics and techniques to deal with the novel problems of trench warfare and in so doing seeks to re establish the image of the British generals and explain the reasons for the failures of 1915 16 and the successes of 1917 18 and how this remarkable change in performance was achieved by a much maligned group of senior officers Horne s important career and remarkable character sheds light not only on the major battles in which he was involved the progress of the war his relationships with his staff and other senior officers the novel problems of trench warfare the assimilation of new weapons tactics and training methods and the difficulties posed by the German defences but also on the attitudes and professionalism of a senior British commander serving on the Western Front Horne s career thus provides a vehicle for studying the performance of the British Army in the first quarter of the Twentieth Century It also gives an important insight into the attitudes ethos and professionalism of the officer corps which led that army to victory on the Western Front exposing not only its flaws but also its many strengths This study consequently provides a judgment not only

on Horne as a personality innovator and general of great importance but also on his contemporaries who served with the British Armies in South Africa and France during an era which saw a revolution in military affairs giving birth to a Modern Style of Warfare which still prevails to this day **Horsemen in No Man's Land** David Kenyon,2020-01-24 An in depth look at the contributions of the British cavalry during World War I Of what use was the British cavalry during the years of trench warfare on the Western Front On a static battlefield dominated by the weapons of the industrial age by the machine gun and massed artillery the cavalry was seen as an anachronism It was vulnerable to modern armaments of little value in combat and a waste of scarce resources At least that is the common viewpoint Indeed the cavalry have been consistently underestimated since the first histories of the Great War were written But in light of modern research is this the right verdict David Kenyon seeks to answer this question in his thought provoking new study His conclusions challenge conventional wisdom on the subject they should prompt a radical reevaluation of the role of the horseman on the battlefields of France and Flanders a century ago Using evidence gained from research into wartime records and the eyewitness accounts of the men who were there who saw the cavalry in action Kenyon reassesses the cavalry s contribution and performance He offers insight into cavalry tactics and the spirit of the cavalymen of the time He also examines how the cavalry combined with the other arms of the British army in particular the tanks His well balanced and original study is essential reading for students of the Western Front and for anyone who is interested in the long history of cavalry combat Mud, Blood and Poppycock Gordon Corrigan,2012-12-20 The true story of how Britain won the First World War The popular view of the First World War remains that of BLACKADDER incompetent generals sending brave soldiers to their deaths Alan Clark quoted a German general s remark that the British soldiers were lions led by donkeys But he made it up Indeed many established facts about 1914 18 turn out to be myths woven in the 1960s by young historians on the make Gordon Corrigan s brilliant witty history reveals how out of touch we have become with the soldiers of 1914 18 They simply would not recognize the way their generation is depicted on TV or in Pat Barker s novels Laced with dry humour this will overturn everything you thought you knew about Britain and the First World War Gordon Corrigan reveals how the British embraced technology and developed the weapons and tactics to break through the enemy trenches *Most Unfavourable Ground* Niall Cherry,2005 The year of 1914 had been a difficult one for the British Expeditionary Force the war that had started in August had not been over by the expected time of Christmas Additionally many of its original members had become casualties and replacements were difficult to find 1915 did not go much better the BEF was still a minor player with only a relatively small number of divisions compared to the many in the French Army The culmination of several attacks by the BEF in 1915 was the attack in the Loos sector in September where in a mining area north of Arras the largest British offensive of the war thus far took place Forced into an offensive in an area which as one senior commander put it was on most unfavorable ground the BEF suffered heavy casualties and little material gain Probably for these reasons the 1915 battles have been largely ignored and there has been a

dearth of decent publications on Loos Helion and Co Ltd are therefore pleased to announce the publication of a major new work *Most Unfavourable Ground The Battle of Loos 1915* by Niall Cherry *Most Unfavourable Ground* offers a detailed look at the planning execution and aftermath of the fighting As well as using official records and reports numerous personal stories have been woven into the account The author's grandfather was present at Loos as a Chemical Corporal with the Royal Engineers gas units and this major new work reflects the author's passion for the subject Key sales points A major new work on an oft neglected and overlooked offensive launched by the British forces in 1915 Draws on a large number of personal accounts in addition to official sources to provide a rich and detailed account Includes much information about overlooked aspects of the Battle including the British use of gas and medical facilities Features a large number of rare photographs a comprehensive selection of maps and an extensive number of statistical tables

Strategy and Command Roy A. Prete, 2021-06-16 Falling between the War of Movement in 1914 and the major attrition battles of 1916 1915 was a critical year in the First World War As France failed in ever larger offensives to break through the German trenches Britain shifted its strategy from defence of empire to total commitment to the continental war In the second of three planned volumes Roy Prete analyzes the political and military policies and strategies of Britain and France and their joint command relationship on the Western Front in 1915 The opposing strategies of the two governments proved to be the main determinant in the sometimes ragged relations between the French commander in chief Joseph Joffre and his British counterpart Sir John French as they sought to drive the German army out of France and to aid their hard pressed Russian ally With an impressive marshalling of evidence *Strategy and Command* demonstrates that the increased British commitment to the continental war manifested in sending Kitchener's New Armies to France in 1915 was largely due to the disastrous situation of the Russian army on the Eastern Front and the perceived weakness of the French government Based on extensive research in French and British political and military archives this new in depth study of Anglo French military relations on the Western Front in 1915 fills a major gap in the unfolding drama of the First World War

The Journeys End Battalion Michael Lucas, 2012-10-24 R C Sherriff author of *Journeys End* the most famous play of the Great War saw all his front line service with the 9th Battalion East Surrey Regiment This intense experience profoundly affected his writing and through his play it continues to have a powerful influence on our understanding of the conflict Yet the story of his battalion has never been told in full until now In *The Journeys End Battalion* Michael Lucas gives a vivid account of its history Using official and unofficial sources diaries letters and British and German wartime records he describes the individuals who served in it and the operations they took part in He identifies the inspiration for *Journeys End* and considers how Sherriff delved into his experiences and those of his fellow soldiers in order to create his drama So not only does the book shed new light on the wartime career of R C Sherriff but it is a valuable record of the operation of a British battalion on the Western Front during the Great War

Reimagining the War Memorial, Reinterpreting the Great War Marzena Sokołowska-Paryż, 2012-03-15 Reimagining the

War Memorial Reinterpreting the Great War The Formats of British Commemorative Fiction is an in depth analysis of the role of British war memorials in literature and film in the wider context of the commemorative trend in contemporary culture The Sheffield City Battalion Memorial the Menin Gate Memorial the Thiepval Memorial to the Missing of the Somme the Royal Artillery Memorial and the Shot at Dawn Memorial are the focus of the discussion which aims to show how the meanings assigned to specific war memorials create ideologically diverse interpretations of the British experience of the Great War ranging from the futility myth to the imperial sublime The epistemological ambivalence of the war memorial lies at the heart of the analysis of the selected novels films and plays for the condemnation of a military conflict as a historical evil does not necessarily exclude the possibility of honouring the men who fought in it **Quarterly Review of Military**

Literature ,1930 **Through Their Eyes** Matthew Barrett,Robert C. Engen,2022-08-09 By the summer of 1917 Canadian troops had captured Vimy Ridge but Allied offensives had stalled across many fronts of the Great War To help break the stalemate of trench warfare the Canadian Corps commander Lieutenant General Arthur Currie was tasked with capturing Hill 70 a German stronghold near the French town of Lens After securing the hill on 15 August Canadian soldiers endured days of shelling machine gun fire and poison gas as they repelled relentless enemy counterattacks Through Their Eyes depicts this remarkable but costly victory in a unique way With full colour graphic artwork and detailed illustration Matthew Barrett and Robert Engen picture the battle from different perspectives Currie s strategic view at high command a junior officer s experience at the platoon level and the vantage points of many lesser known Canadian soldiers who made the ultimate sacrifice This innovative graphic history invites readers to reimagine the First World War through the eyes of those who lived it and to think more deeply about how we visualize and remember the past Combining outstanding original art and thought provoking commentary Through Their Eyes uncovers the fascinating stories behind this battle while creatively expanding the ways that history is shared and represented **The British Indian Army** Rob Johnson,2014-06-26 The

British Indian Army was a distinctive phenomenon a curious combination of Western imperial and South Asian military cultures It was first and foremost a military instrument for garrison duties but it was rarely used in internal security and most of its history is concerned with expeditionary wars While the British regarded the Indian Army as a source of pride and a vital source of imperial manpower it was not a simple case of exploitation of local indigenous labour by an indifferent colonial system but rather an evolving and often imperfect partnership with shared identities varying degrees of proficiency and a particular ethos The Indian Army was transformed under British direction and arguably enjoyed its greatest triumph in defeating Imperial Japan in 1945 Paradoxically at the same time the Indian Armed Forces were also the most potent vehicles for the concept of a free and independent India This new edited work is a selection of the Indian army s long history of development and modernisation drawing out themes such as leadership discipline racial categorisation mechanisation and operational performance It ranges from the campaigns of the eighteenth century to the agonized decisions to break up the

old army between the new nations of South Asia Chapters also cover the operations in Afghanistan Persia and China in the nineteenth century the gruelling conditions of Mesopotamia and Gallipoli in the First World War auxiliaries on the North West Frontier ambiguities over internal security in the Inter War Years air power and armoured warfare the paradoxes of race and operations in Malaya during the army's nadir in 1941-42 The collection represents renewed interest in the Indian armed forces during the British period and offers a wide range of themes for consideration

Loos 1915 The Unwanted Battle Introduction

In the digital age, access to information has become easier than ever before. The ability to download Loos 1915 The Unwanted Battle has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Loos 1915 The Unwanted Battle has opened up a world of possibilities. Downloading Loos 1915 The Unwanted Battle provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Loos 1915 The Unwanted Battle has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Loos 1915 The Unwanted Battle. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Loos 1915 The Unwanted Battle. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Loos 1915 The Unwanted Battle, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Loos 1915 The Unwanted Battle has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.

FAQs About Loos 1915 The Unwanted Battle Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Loos 1915 The Unwanted Battle is one of the best book in our library for free trial. We provide copy of Loos 1915 The Unwanted Battle in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Loos 1915 The Unwanted Battle. Where to download Loos 1915 The Unwanted Battle online for free? Are you looking for Loos 1915 The Unwanted Battle PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Loos 1915 The Unwanted Battle. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Loos 1915 The Unwanted Battle are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Loos 1915 The Unwanted Battle. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Loos 1915 The Unwanted Battle To get started finding Loos 1915 The Unwanted Battle, you

are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Loos 1915 The Unwanted Battle So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Loos 1915 The Unwanted Battle. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Loos 1915 The Unwanted Battle, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Loos 1915 The Unwanted Battle is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Loos 1915 The Unwanted Battle is universally compatible with any devices to read.
