inspiration to your heart and life You will learn how God uses and anoints imperfect people As we submit our lives to God our areas of greatest weakness and struggle become our areas of greatest anointing and authority Your breakthrough will become a breakthrough for someone else Be empowered to discover your true purpose destiny and identity in God This book will greatly impact and equip you to move to a higher level of God's glory and power in your life Matt Sorger Matt Sorger Ministries If God Can Find David Discovering Your Kingdom Destiny will give you a better understanding of what you are called to walk in as a believer Through this uplifting and powerful read you will learn how to go from heartache to wholeness It will empower you to go to the next level in God as you discover deepen and maintain your true identity becoming all you can be in Him The Problem with God Peter Steinberger,2013-07-02 Whether people praise worship criticize or reject God they all presuppose at least a rough notion of what it means to talk about God Turning the certainty of this assumption on its head a respected educator and humanist shows that when we talk about God we are in fact talking about nothing at all there is literally no such idea and so all of the arguments we hear from atheists true believers and agnostics are and will always be empty and self defeating Peter J Steinberger's commonsense account is by no means disheartening or upsetting leaving readers without anything meaningful to hold on to To the contrary he demonstrates how impossible it is for the common world of ordinary experience to be all there is With patience clarity and good humor Steinberger helps readers think critically and constructively about various presuppositions and modes of being in the world By coming to grips with our own deep seated beliefs we can understand how traditional ways asserting denying or even just wondering about God's existence prevent us from seeing the truth which it turns out is far more interesting and encouraging than anyone would have thought
