Louis Armstrong Companion Eight Decades Of Commentary:

The Louis Armstrong Companion Joshua Berrett, 1999 Drawing on the rich resources of the Louis Armstrong Archives jazz historian Joshua Berrett has compiled a wonderful tribute to the multitalented trumpeter vocalist and Ambassador of Jazz 20 photos **Louis Armstrong and Paul Whiteman** Joshua Berrett, 2008-10-01 In Louis Armstrong and Paul Whiteman the jazz scholar Joshua Berrett offers a provocative revision of the history of early jazz by focusing on two of its most notable practitioners Whiteman legendary in his day and Armstrong a legend ever since Paul Whiteman's fame was unmatched throughout the twenties Bix Beiderbecke Bing Crosby and Jimmy and Tommy Dorsey honed their craft on his bandstand Celebrated as the King of Jazz in 1930 in a Universal Studios feature film Whiteman's imperium has declined considerably since The legend of Louis Armstrong in contrast grows ever more lustrous for decades it has been Armstrong not Whiteman who has worn the king's crown This dual biography explores these diverging legacies in the context of race commerce and the history of early jazz Early jazz Berrett argues was not a story of black innovators and white usurpers In this book a much richer more complicated story emerges a story of cross influences sidemen sundry movers and shakers who were all part of a collective experience that transcended the category of race In the world of early jazz Berrett contends kingdoms had no borders **The Original Hot Five Recordings of Louis Armstrong** Gene Henry Anderson, 2007 Between 1925 and 1928 the Hot Five the incomparable Louis Armstrong and four seasoned practitioners of the burgeoning jazz style recorded fifty five performances in Chicago for the OKeh label Oddly enough the quintet immortalized on vinyl with recent technology rarely performed as a unit in local nightspots And yet like other music now regarded as especially historic their work in the studio summarized approaches of the past and set standards for the future Remarkable both for popularity among the members of the public and for influence on contemporary musicians these recordings helped make Satchmo a familiar household name and ultimately its bearer an adored public figure They showcased Armstrong's genius notably his leadership in transforming the practice of jazz as an ensemble improvisation into jazz as the art of the improvising soloist In his study Professor Anderson for the first time provides a detailed account of the origins of this pioneering enterprise relates individual pieces to existing copyright deposits and contextualizes the music by offering a reliable timeline of Armstrong's professional activities during these years All fifty five pieces moreover are described in informed commentary Publisher description Louis Armstrong Michael A. Schuman, 2007-06-01 Depicts the life and career of the popular jazz musician and describes his contributions to American music **Louis Armstrong, Master of Modernism** Thomas David Brothers, 2014-02-03 Nearly 100 years after bursting onto Chicago's music scene under the tutelage of Joe King Oliver Louis Armstrong is recognized as one of the most influential artists of the twentieth century A trumpet virtuoso seductive crooner and consummate entertainer Armstrong laid the foundation for the future of jazz with his stylistic innovations but his story would be incomplete without examining how he struggled in a society seething with brutally racist ideologies laws and

practices This title blends cultural history musical scholarship and personal accounts from Armstrong s contemporaries to reveal his enduring contributions to jazz and popular music at a time when he and his bandmates couldn t count on food or even a friendly face on their travels across the country

New Orleans Cuisine Susan Tucker,2009 New Orleans Cuisine Fourteen Signature Dishes and Their Histories provides essays on the unparalleled recognition New Orleans has achieved as the Mecca of mealtime Devoting each chapter to a signature cocktail appetizer sandwich main course staple or dessert contributors from the New Orleans Culinary Collective plate up the essence of the Big Easy through its number one export great cooking This book views the city s cuisine as a whole forgetting none of its flavorful ethnic influences French African American German Italian Spanish and more Page 2 of cover

The Musical World of J.J. Johnson Joshua Berrett,Louis G. Bourgeois III,2001-12-18 J J Johnson known as the spiritual father of modern trombone has been a notable figure in the history of jazz His career has embodied virtually every innovation and development in jazz over the past half century Covering his life from childhood and education through his adult musical career playing with jazz greats such as Dizzy Gillespie this book offers an illustration of Johnson s technical and stylistic development as well as a thorough catalogue of his compositions film scores and recordings

Louis Armstrong's Hot Five and Hot Seven Recordings Brian Harker,2011-05-12 In Louis Armstrong s Hot Five and Hot Seven Recordings Brian Harker strikes a unique balance between 1920s views of jazz and those of today For the first time Armstrong s technical achievements are placed in a meaningful cultural context yielding unexpected insights into these seminal documents of early jazz

Louis Armstrong's All Stars Mike Forbes,2015-08-04 During the last 25 years of his life Louis Armstrong fronted his All Stars Dixieland jazz band usually five additional musicians and a female singer While much has been written about Louis there has been much less coverage of his All Stars This book has four parts 1 Louis s early years and the lead up to the formation of the All Stars 2 The All Stars through the years A timeline of the band including changes in its composition major recordings and concerts overseas tours 3 The Musicians biographies of the 46 musicians who were members of the All Stars the detail depending on the perceived significance of each 4 Life with Louis especially where it impacted on the All Stars touring on stage relationships with management There is a comprehensive list of references and a detailed index

Butterfly McQueen Remembered Stephen Bourne,2008 From her memorable role in Gone With the Wind to her last big screen appearance opposite Harrison Ford in The Mosquito Coast the details of McQueen s life are captured in this book

The Louis Armstrong Companion Joshua Berrett,1999 Drawing on the rich resources of the Louis Armstrong Archives jazz historian Joshua Berrett has compiled a wonderful tribute to the multitalented trumpeter vocalist and Ambassador of Jazz 20 photos

Music Is My Life Daniel Stein,2012-05-03 A groundbreaking study of Louis Armstrong s autobiographical practices

Songbooks Eric Weisbard,2021-04-23 In Songbooks critic and scholar Eric Weisbard offers a critical guide to books on American popular music from William Billings s 1770 New England Psalm Singer to Jay Z s 2010 memoir Decoded Drawing on his background editing the Village Voice

music section coediting the Journal of Popular Music Studies and organizing the Pop Conference Weisbard connects American music writing from memoirs biographies and song compilations to blues novels magazine essays and academic studies The authors of these works are as diverse as the music itself women people of color queer writers self educated scholars poets musicians and elites discarding their social norms Whether analyzing books on Louis Armstrong the Beatles and Madonna the novels of Theodore Dreiser Gayl Jones and Jennifer Egan or varying takes on blackface minstrelsy Weisbard charts an alternative history of American music as told through its writing As Weisbard demonstrates the most enduring work pursues questions that linger across time period and genre cultural studies in the form of notes on the fly on sounds that never cease to change meaning "The Evolution of Jazz in Britain, 1880-1935 " Catherine Tackley (n? Parsonage),2017-07-05 As a popular music the evolution of jazz is tied to the contemporary sociological situation Jazz was brought from America into a very different environment in Britain and resulted in the establishment of parallel worlds of jazz by the end of the 1920s within the realms of institutionalized culture and within the subversive underworld Tackley n Parsonage demonstrates the importance of image and racial stereotyping in shaping perceptions of jazz and leads to the significant conclusion that the evolution of jazz in Britain was so much more than merely an extension or reflection of that in America The book examines the cultural and musical antecedents of the genre including minstrel shows and black musical theatre within the context of musical life in Britain in the late nineteenth and early twentieth centuries Tackley is particularly concerned with the public perception of jazz in Britain and provides close analysis of the early European critical writing on the subject The processes through which an evolution took place are considered by looking at the methods of introducing jazz in Britain through imported revue shows sheet music and visits by American musicians Subsequent developments are analysed through the consideration of modernism and the Jazz Age as theoretical constructs and through the detailed study of dance music on the BBC and jazz in the underworld of London The book concludes in the 1930s by which time the availability of records enabled the spread of hot music affecting the live repertoire in Britain Tackley therefore sheds entirely new light on the development of jazz in Britain and provides a deep social and cultural understanding of the early history of the genre

Encyclopedia of the Harlem Renaissance Cary D. Wintz,Paul Finkelman,2012-12-06 From the music of Louis Armstrong to the portraits by Beauford Delaney the writings of Langston Hughes to the debut of the musical Show Boat the Harlem Renaissance is one of the most significant developments in African American history in the twentieth century The Encyclopedia of the Harlem Renaissance in two volumes and over 635 entries is the first comprehensive compilation of information on all aspects of this creative dynamic period For a full list of entries contributors and more visit the Encyclopedia of Harlem Renaissance website

Paul Whiteman: Pioneer in American Music, 1930-1967 Don Rayno,2012-12-19 In a career that spanned 60 years Paul Whiteman changed the landscape of American music beginning with his million selling recordings in the early 1920s of Whispering Japanese Sandman and Three O Clock in the Morning

Whiteman would then introduce symphonic jazz a powerful blend of the classical and jazz idioms that represented a whole new approach to modern American music influencing generations of bandleaders and composers While some hold that at the close of the Roaring Twenties Whiteman s musical hegemony quickly waned Don Rayno illustrates in this second volume of Paul Whiteman Pioneer in American Music how much of a dominant figure Whiteman remained A major figure on the American music scene for decades to come he would continue to lead critically acclaimed orchestras filling theaters and concert halls alike and diligently seeking out and nurturing musical talent on the largest scale of any orchestra leader in the 20th century In this second volume of Rayno s magisterial treatment of the life and music of this remarkable maestro Whiteman s career during the second half of his life is explored in the fullest detail as Whiteman conquers the worlds of theater and vaudeville the concert hall radio motion pictures and television winning accolades in all of them Through hundreds of interviews extensive documentation and exhaustive research of over nearly three decades a portrait emerges of one of American music s most important musical figures during the last century Rayno paints a stunning portrait of Whiteman s considerable accomplishments and far reaching influence

Johnny Mercer Glenn T. Eskew, 2013-11-15 John Herndon Johnny Mercer 1909-76 remained in the forefront of American popular music from the 1930s through the 1960s writing over a thousand songs collaborating with all the great popular composers and jazz musicians of his day working in Hollywood and on Broadway and as cofounder of Capitol Records helping to promote the careers of Nat King Cole Margaret Whiting Peggy Lee and many other singers Mercer s songs sung by Bing Crosby Billie Holiday Judy Garland Frank Sinatra Ella Fitzgerald Tony Bennett Lena Horne and scores of other performers are canonical parts of the great American songbook Four of his songs received Academy Awards Moon River Days of Wine and Roses On the Atchison Topeka and the Santa Fe and In the Cool Cool Cool of the Evening Mercer standards such as Hooray for Hollywood and You Must Have Been a Beautiful Baby remain in the popular imagination Exhaustively researched Glenn T Eskew s biography improves upon earlier popular treatments of the Savannah Georgia born songwriter to produce a sophisticated insightful evenhanded examination of one of America s most popular and successful chart toppers Johnny Mercer Southern Songwriter for the World provides a compelling chronological narrative that places Mercer within a larger framework of diaspora entertainers who spread a southern multiracial culture across the nation and around the world Eskew contends that Mercer and much of his music remained rooted in his native South being deeply influenced by the folk music of coastal Georgia and the blues and jazz recordings made by black and white musicians At Capitol Records Mercer helped redirect American popular music by commodifying these formerly distinctive regional sounds into popular music When rock n roll diminished opportunities at home Mercer looked abroad collaborating with international composers to create transnational songs At heart Eskew says Mercer was a jazz musician rather than a Tin Pan Alley lyricist and the interpenetration of jazz and popular song that he created expressed elements of his southern heritage that made his work distinctive and consistently kept his music before an

approving audience *The Louis Armstrong Companion* Burnett,1998-08-01 **The Colors of Zion** George Bornstein,2011-06-01 A major reevaluation of relationships among Blacks Jews and Irish in the years between the Irish Famine and the end of World War II The Colors of Zion argues that the cooperative efforts and sympathies among these three groups each persecuted and subjugated in its own way was much greater than often acknowledged today For the Black Jewish and Irish writers poets musicians and politicians at the center of this transatlantic study a sense of shared wrongs inspired repeated outpourings of sympathy If what they have to say now surprises us it is because our current constructions of interracial and ethnic relations have overemphasized conflict and division As George Bornstein says in his Introduction he chooses to let the principals speak for themselves While acknowledging past conflicts and tensions Bornstein insists on recovering the lost connections through which these groups frequently defined their plights as well as their aspirations In doing so he examines a wide range of materials including immigration laws lynching hostile race theorists Nazis and Klansmen discriminatory university practices and Jewish publishing houses alongside popular plays like *The Melting Pot* and *Abie's Irish Rose* canonical novels like *Ulysses* and *Daniel Deronda* music from slave spirituals to jazz poetry and early films such as *The Jazz Singer* The models of brotherhood that extended beyond ethnocentrism a century ago the author argues might do so once again today if only we bear them in mind He also urges us to move beyond arbitrary and invidious categories of race and ethnicity ITG Journal International Trumpet Guild,2000
