Louis Farrakhan Political Activist:

Louis Farrakhan Philip Koslow, Therese De Angelis, 1997-08-01 A biography of the Afro American who dreamed of a career as a violinist before joining the Nation of Islam and rising in its ranks eventually becoming its leader Jim

McAvoy, 2002-01-01 **The Politics of Black Empowerment** James Jennings, 2000-01-08 The Politics of Black Empowerment uses the experiences of grassroots activists to develop various conceptualizations and explanations of Black political behavior today In analyzing Black politics since the late 1960s James Jennings focuses on both the behavioral aspects such as individual and group characteristics of voting and nonvoting and elections as well as more fundamental philosophical and cultural questions regarding Black politics This study examines how the traditional face of Black politics and electoral activism interacts with a growing progressive face of Black politics While traditional Black political activists seek access or political incorporation another group aims for power sharing The traditional approach is sometimes satisfied with merely replacing white politicians with Blacks but the progressive constituency focuses on fundamentally changing the whole economic and political pie Activists desirous of Black empowerment are pursuing a political and economic orientation that goes beyond programs based on access to American institutional arrangements and attempting to change or alter given political arrangements and social relations between Blacks and whites on the basis of changing the social structure and the distribution of wealth and power Based on interviews with Black and Latino activists in several big cities as well as on a review of the literature and the Black newspapers around the country The Politics of Black Empowerment describes the characteristics of Black empowerment activism in America Southern Political Party Activists John Clark, 2004-09-10 The South continues to be the most distinctive region in American politics Over the last half century Democratic dominance in the South has given way to the emergence of a truly competitive two party system that leans Republican in presidential elections In some ways the region is increasingly like the rest of the country yet even the degree of change and the speed with which it occurred give the South a distinctive air The contributors to Southern Political Party Activists examine both the development of American political party organizations and the changing political character of the South focusing on grassroots party activists those who are involved in party organizations at the county level John A Clark is associate professor of political science at Western Michigan University Charles L Prysby is professor of political science at the University of North Carolina at Greensboro **Angela Bassett** Dawn Fitzgerald, 2002 It would take a long time for Hollywood to recognize veteran Angela Bassett as a superb actor not until she received an Academy award nomination in 1994 for her dead on portrayal of pop star Tina Turner in What s Love Got to Do with it **Black Politics Today** Theodore J. Davis Jr., 2013-06-17 The late 1980s ushered in a new era of black politics the socioeconomic transition era Coming on the heels of the protest era and politics era the current stage is characterized by the emergence of a new black middle class that came of age after the Civil Rights struggle Although class still isn t a strong factor in the external politics of the black community it is increasingly a

wedge issue in the community's internal politics Black politics today is increasingly less about the interest of the larger group and more about the interest of smaller subgroups within the community Theodore J Davis Jr argues that the greatest threat to the social and political cohesiveness of the so called black community may be the rise of a socially and economically privileged group among the ranks of black America This rift has affected blacks ability to organize effectively and influence politics Davis traces the changes in economic status public opinion political power and participation and leadership over three generations of black politics The result is an insightful analysis of black politics today *David Dinkins and New York City Politics* Wilbur C. Rich, 2012-02-01 As the first African American elected mayor of New York City David Dinkins

underwent intense scrutiny first from the black community then from white liberal supporters the media and the city's electorate Wilbur C Rich focuses on the critical role played by the New York City media in the perception of mayoral leadership Using interviews and words of journalists Rich examines media coverage as both the architect and challenger of Dinkins image The making and unmaking of David Dinkins not only exposes much about the agency of African American politicians but also reveals the fragility of electoral coalitions **Halle Berry** Corinne J. Naden, Rose Blue, 2001-11 A

A Mayor's Life David Dinkins, 2013-09-17
How did a scrawny black kid the son of a barber and a domestic who grew up in Harlem and Trenton become the 106th mayor of New York City It's a remarkable journey David Norman Dinkins was born in 1927 joined the Marine Corps in the waning days of World War II went to Howard University on the G I Bill graduated cum laude with a degree in mathematics in 1950 and married Joyce Burrows whose father Daniel Burrows had been a state assemblyman well versed in the workings of New York's political machine It was his father in law who suggested the young mathematician might make an even better politician once he also got his law degree The political career of David Dinkins is set against the backdrop of the rising influence of a broader demographic in New York politics including far greater segments of the city's gorgeous mosaic After a brief stint as a New York assemblyman Dinkins was nominated as a deputy mayor by Abe Beame in 1973 but ultimately declined because he had not filed his income tax returns on time Down but not out he pursued his dedication to public service first by serving as city clerk In 1986 Dinkins was elected Manhattan borough president and in 1989 he defeated Ed Koch and Rudy Giuliani to become mayor of New York City the largest American city to elect an African American mayor As the newly elected mayor of a city in which crime had risen precipitously in the years prior to his taking office Dinkins vowed to attack the problems and not the victims Despite facing a budget deficit he hired thousands of police officers more than any other mayoral administration in the twentieth century and launched the Safe Streets Safe City program which fundamentally changed how police fought crime For the first time in decades crime rates began to fall a trend that continues to this day Among his other major successes Mayor Dinkins brokered a deal that kept the US Open Tennis Championships in New York

bringing hundreds of millions of dollars to the city annually and launched the revitalization of Times Square after decades of decay all the while deflecting criticism and some outright racism with a seemingly unflappable demeanor Criticized by some for his handling of the Crown Heights riots in 1991 Dinkins describes in these pages a very different version of events A Mayor's Life is a revealing look at a devoted public servant and a New Yorker in love with his city who led that city during tumultuous times
