Louisiana Sugar Plantations During The Civil War

Clare D'Artois Leeper

Louisiana Sugar Plantations During The Civil War:

Louisiana Sugar Plantations During the American Civil War Charles Pierce Roland, 1957 This early work by the esteemed historian Charles P. Roland draws from an abundance of primary sources to describe how the Civil War brought south Louisiana's sugarcane industry to the brink of extinction and disaster to the lives of civilians both black and white. A gifted raconteur, Roland sets the scene where the Louisiana cane country formed a favored and colorful part of the Old South and then unfolds the series of events that changed it forever: secession, blockade, invasion, occupation, emancipation, and defeat. Though sugarcane survived, production did not match prewar levels for twenty-five years. Roland's approach is both illustrative of an earlier era and remarkably seminal to current emancipation studies. He displays sympathy for plantation owners' losses but he considers as well the sufferings of women slaves and freedmen, yielding a rich study of the social, cultural, economic, and agricultural facets of Louisiana's sugar plantations during the Civil War. **Louisiana Sugar**

Plantations During the Civil War Charles P. Roland, 1997-11-01 This early work by the esteemed historian Charles P. Roland draws from an abundance of primary sources to describe how the Civil War brought south Louisiana's sugarcane industry to the brink of extinction and disaster to the lives of civilians both black and white. A gifted raconteur, Roland sets the scene where the Louisiana cane country formed a favored and colorful part of the Old South and then unfolds the series of events that changed it forever: secession, blockade, invasion, occupation, emancipation, and defeat. Though sugarcane survived, production did not match prewar levels for twenty-five years. Roland's approach is both illustrative of an earlier era and remarkably seminal to current emancipation studies. He displays sympathy for plantation owners' losses but he considers as well the sufferings of women slaves and freedmen, yielding a rich study of the social, cultural, economic, and agricultural facets of Louisiana's sugar plantations during the Civil War. Louisiana Sugar Plantations During the Civil War Charles Pierce Roland, 1951 *Louisianians in the Civil War* Lawrence L. Hewitt, Arthur W. Bergeron, 2002 *Louisianians in the Civil War* brings to the forefront the suffering endured by Louisianians during and after the war, hardships more severe than those suffered by the majority of residents in the Confederacy. The wealthiest southern state before the Civil War, Louisiana was the poorest by 1880. Such economic devastation negatively affected most segments of the state's population, and the fighting that contributed to this financial collapse further fragmented Louisiana's culturally diverse citizenry. The essays in this book deal with the differing segments of Louisiana's society and their interactions with one another. Louisiana was as much a multicultural society during the Civil War as the United States is today. One manner in which this diversity manifested itself was in the turning of neighbor against neighbor. This volume lays the groundwork for demonstrating that strongholds of Unionist sentiment existed beyond the mountainous regions of the Confederacy and to a lesser extent that foreigners and African Americans could surpass white native-born Southerners in their support of the Lost Cause. Some of the essays deal with the attitudes and hardships the war inflicted on different classes of civilians: sugar planters, slaves, Union sympathizers.

and urban residents especially women while others deal with specific minority groups or with individuals Written by leading scholars of Civil War history Louisianians in the Civil War provides the reader a rich understanding of the complex ordeals of Louisiana and her people Students scholars and the general reader will welcome this fine addition to Civil War studies Publishers website

Food and Agriculture during the Civil War R. Douglas Hurt, 2016-01-11 This book provides a perspective into the past that few students and historians of the Civil War have considered agriculture during the Civil War as a key element of power The Civil War revolutionized the agricultural labor system in the South and it had dramatic effects on farm labor in the North relating to technology Agriculture also was an element of power for both sides during the Civil War one that is often overlooked in traditional studies of the conflict R Douglas Hurt argues that Southerners viewed the agricultural productivity of their region as an element of power that would enable them to win the war while Northern farmers considered their productivity not only an economic benefit to the Union and enhancement of their personal fortunes but also an advantage that would help bring the South back into the Union This study examines the effects of the Civil War on agriculture for both the Union and the Confederacy from 1860 to 1865 emphasizing how agriculture directly related to the war effort in each region for example the efforts made to produce more food for military and civilian populations attempts to limit cotton production cotton as a diplomatic tool the work of women in the fields slavery as a key agricultural resource livestock production experiments to produce cotton tobacco and sugar in the North and the adoption of new implements

Slavery on Louisiana Sugar Plantations Vernie Alton Moody, 1924 *Civil War and Agrarian Unrest* Enrico Dal Lago, 2018-03-15 Between 1861 and 1865 both the Confederate South and Southern Italy underwent dramatic processes of nation building with the creation of the Confederate States of America and the Kingdom of Italy in the midst of civil wars This is the first book that compares these parallel developments by focusing on the Unionist and pro Bourbon political forces that opposed the two new nations in inner civil conflicts Overlapping these conflicts were the social revolutions triggered by the rebellions of American slaves and Southern Italian peasants against the slaveholding and landowning elites Utilizing a comparative perspective Enrico Dal Lago sheds light on the reasons why these combined factors of internal opposition proved fatal for the Confederacy in the American Civil War while the Italian Kingdom survived its own civil war At the heart of this comparison is a desire to understand how and why nineteenth century nations rose and either endured or disappeared

Records of Antebellum Southern Plantations from the Revolution Through the Civil War, Series I, 2012 *The 1868 St. Bernard Parish Massacre* C. Dier, 2011-02-11 The slaughter of newly liberated African Americans just days before a Reconstruction Era election is recounted in this true crime history Louisiana 1868 With the Civil War over a victorious Ulysses S Grant was riding a wave of popularity straight to the White House But former Confederates across the South feared what Reconstruction might look like under President Grant Days before the tumultuous election Louisiana s St Bernard Parish descended into chaos As African American men gained the right to vote white Democrats of the parish feared

losing their majority Armed groups mobilized to suppress these recently emancipated voters Freed people were dragged from their homes and murdered in cold blood Many fled to the cane fields to hide from their attackers The reported number of those killed varies from 35 to 135 Though efforts were made to cover up the tragedy its implications reverberated throughout the South and lingered for generations In this authoritative chronicle historian Chris Dier reveals the horrifying true story behind the St Bernard Parish Massacre **The Notorious Isaac Earl and His Scouts** Gordon L.

Olson,2014-05-14 While large armies engaged in epic battles in the eastern theater of the Civil War a largely unchronicled story was unfolding along the Mississippi River Thirty Special Scouts under the command of Lieutenant Isaac Newton Earl patrolled the river gathering information about Confederate troop activity arresting Rebel smugglers and guerillas and opposing anti Union insurrection Gordon Olson gives this special unit full book length treatment for the first time in **The Notorious Isaac Earl and His Scouts** Olson uses new research in assembling his detailed yet very readable account of Earl a dynamic leader who rose quickly through Union Army ranks to command this elite group He himself was captured by the Confederates three times and escaped three times and he developed a strategic and later romantic relationship with a Southern woman Jane O Neal who became one of his spies In keeping the river open for Union Army movement of men and supplies to New Orleans Earl s Scouts played an important heretofore unheralded role in the Union s war effort **A Maryland Bride in the Deep South** Kimberly Harrison,2006-04-28 They say I m a Yankee but if wanting peace is Yankee then I am one I am tired of Disunion of husband her husband s alleged ambush of Union soldiers and subsequent flight from home the retaliatory burning of the family s sugar plantation in Houma and the losses horrors and daily depredations of war Published here for the first time with extensive notes and a critical introduction by Kimberly Harrison Bond s intimate writings illuminate the Civil War s impact on women families and individual identities Occasionally Bond records her experiences for the benefit of later readers but more often she uses her diary to carve a space and time for self reflection self instruction and self persuasion Nineteenth century women s lives were defined by their relation to others as wife mother daughter and sister and keeping a diary allowed Bond to claim time for herself It served as a rhetorical tool that helped motivate her to conform to contemporary standards of true womanhood adapt to a harsh new environment and survive the collapse of a civilization Harrison s interpretive commentary enables readers to appreciate the context within which Bond writes even as entries about everything from marital anguish to in law difficulties to religious struggles to failing health bring Priscilla Bond uniquely and movingly to life Her diary deftly cross referenced with numerous letters adds a valuable and enriching layer of complexity to the larger story of the Civil War home front **Encyclopedia of U.S. Labor and Working-class History** Eric Arnesen,2007 Publisher Description **Reconstruction in the Cane Fields** John C. Rodrigue,2001-05-01 In **Reconstruction in the Cane Fields** John C Rodrigue examines emancipation and the difficult transition from slavery to free labor in one enclave of the South the cane sugar region of southern Louisiana In contrast to

the various forms of sharecropping and tenancy that replaced slavery in the cotton South wage labor dominated the sugar industry Rodrigue demonstrates that the special geographical and environmental requirements of sugar production in Louisiana shaped the new labor arrangements Ultimately he argues the particular demands of Louisiana sugar production accorded freedmen formidable bargaining power in the contest with planters over free labor Rodrigue addresses many issues pivotal to all post emancipation societies How would labor be reorganized following slavery s demise Who would wield decision making power on the plantation How were former slaves to secure the fruits of their own labor He finds that while freedmen s working and living conditions in the postbellum sugar industry resembled the prewar status quo they did not reflect a continuation of the powerlessness of slavery Instead freedmen converted their skills and knowledge of sugar production their awareness of how easily they could disrupt the sugar plantation routine and their political empowerment during Radical Reconstruction into leverage that they used in disputes with planters over wages hours and labor conditions Thus sugar planters far from being omnipotent overlords who dictated terms to workers were forced to adjust to an emerging labor market as well as to black political power The labor arrangements particular to postbellum sugar plantations not only propelled the freedmen s political mobilization during Radical Reconstruction Rodrigue shows but also helped to sustain black political power at least for a few years beyond Reconstruction s demise in 1877 By showing that freedmen under the proper circumstances were willing to consent to wage labor and to work routines that strongly resembled those of slavery Reconstruction in the Cane Fields offers a profound interpretation of how former slaves defined freedom in slavery s immediate aftermath It will prove essential reading for all students of southern African American agricultural and labor history

Guerrillas, Unionists, and Violence on the Confederate Home Front Daniel E. Sutherland, 1999-01-01 Until recently this localized violence was largely ignored scholars focusing instead on large scale operations of the war the decisions and actions of generals and presidents But as Daniel Sutherland reminds us the impact of battles and elections cannot be properly understood without an examination of the struggle for survival on the home front of lives lived in the atmosphere created by war Sutherland gathers eleven essays by such noted Civil War scholars as Michael Fellman Donald Frazier Noel Fisher and B F Cooling each one exploring the Confederacy s internal war in a different state All help to broaden our view of the complexity of war and to provide us with a clear picture of war s consequences its impact on communities homes and families This strong collection of essays delves deeply into what Daniel Sutherland calls the desperate side of war enriching our understanding of a turbulent and divisive period in American history

The Butlers of Iberville Parish, Louisiana David D. Plater, 2015-11-18 In 1833 Edward G W and Frances Parke Butler moved to their newly constructed plantation house Dunboyne on the banks of the Mississippi River near the village of Bayou Goula Their experiences at Dunboyne over the next forty years demonstrated the transformations that many land owning southerners faced in the nineteenth century from the evolution of agricultural practices and commerce to the destruction wrought by the

Civil War and the transition from slave to free labor and finally to the social political and economic upheavals of Reconstruction In this comprehensive biography of the Butlers David D Plater explores the remarkable lives of a Louisiana family during one of the most tumultuous periods in American history Born in Tennessee to a celebrated veteran of the American Revolution Edward Butler pursued a military career under the mentorship of his guardian Andrew Jackson and during a posting in Washington D C met and married a grand niece of George Washington Frances Parke Lewis In 1831 he resigned his commission and relocated Frances and their young son to Iberville Parish where the couple began a sugar cane plantation As their land holdings grew they amassed more enslaved laborers and improved their social prominence in Louisiana s antebellum society A staunch opponent of abolition Butler voted in favor of Louisiana s withdrawal from the Union at the state s Secession Convention But his actions proved costly when the war cut off agricultural markets and all but destroyed the state s plantation economy leaving the Butlers in financial ruin In 1870 with their plantation and finances in disarray the Butlers sold Dunboine and resettled in Pass Christian Mississippi where they resided in a rental cottage with the financial support of Edward J Gay a wealthy Iberville planter and their daughter in law s father After Frances died in 1875 Edward Butler moved in with his son s family in St Louis where he remained until his death in 1888 Based on voluminous primary source material *The Butlers of Iberville Parish Louisiana* offers an intimate picture of a wealthy nineteenth century family and the turmoil they faced as a system based on the enslavement of others unraveled

Lost Plantation Marc R. Matrana, 2006-01-01 Along the fertile banks of the Mississippi River across from New Orleans planter Camille Zeringue transformed a mediocre colonial plantation into a thriving gem of antebellum sugar production complete with a columned mansion known as Seven Oaks Under the moss strewn oaks the privileged master nurtured his own family but enslaved many others Excelling at agriculture business an ambitious canal enterprise and local politics Zeringue ascended to the very pinnacle of southern society But his empire soon came crashing down After the ravages of the Civil War and a nasty battle with a railroad company the family eventually lost the great estate Seven Oaks ultimately ended up in the hands of distant railroad executives whose only desire was to rid themselves of this heap of history *Lost Plantation The Rise and Fall of Seven Oaks* tells both of Zeringue s climb to the top and of his legacy s eventual ruin Preservationists and community members abhorred the railroad s indifferent attitude and the question of the plantation mansion s fate fueled years of fiery political battles These hard fought confrontations ended in 1977 when the exasperated railroad executives sent bulldozers through the decaying house By analyzing one failed effort *Lost Plantation* provides insight into the complex workings of American historical preservation efforts as a whole while illustrating how southerners deal with their multifaceted past The rise and fall of Seven Oaks is much more than just a local tragedy it is a glaring example of how any community can be robbed of its history Now as parishes around New Orleans recognize the great aesthetic and monetary value of restoring plantation homes and attracting tourism Jefferson Parish mourns a manor lost Marc R Matrana Westwego Louisiana is a local historian and

preservationist See the author's site [History Teaches Us to Hope](#) Charles Roland, 2010-09-12 Before his death in 1870 Robert E Lee penned a letter to Col Charles Marshall in which he argued that we must cast our eyes backward in times of turmoil and change concluding that it is history that teaches us to hope Charles Pierce Roland one of the nation's most distinguished and respected historians has done exactly that devoting his career to examining the South's tumultuous path in the years preceding and following the Civil War *History Teaches Us to Hope: Reflections on the Civil War and Southern History* is an unprecedented compilation of works by the man the volume editor John David Smith calls a dogged researcher gifted stylist and keen interpreter of historical questions Throughout his career Roland has published groundbreaking books including *The Confederacy* 1960 *The Improbable Era: The South since World War II* 1976 and *An American Iliad: The Story of the Civil War* 1991 In addition he has garnered acclaim for two biographical studies of Civil War leaders *Albert Sidney Johnston* 1964 a life of the top field general in the Confederate army and *Reflections on Lee* 1995 a revisionist assessment of a great but frequently misunderstood general The first section of *History Teaches Us to Hope: The Man The Soldier The Historian* offers personal reflections by Roland and features his famous GI Charlie speech A Citizen Soldier Recalls World War II Civil War related writings appear in the following two sections which include Roland's theories on the true causes of the war and four previously unpublished articles on Civil War leadership The final section brings together Roland's writings on the evolution of southern history and identity outlining his views on the persistence of a distinct southern culture and his belief in its durability *History Teaches Us to Hope* is essential reading for those who desire a complete understanding of the Civil War and southern history It offers a fascinating portrait of an extraordinary historian *Louisiana History* Florence M. Jumonville, 2002-08-30 From the accounts of 18th century travelers to the interpretations of 21st century historians Jumonville lists more than 6 800 books chapters articles theses dissertations and government documents that describe the rich history of America's 18th state Here are references to sources on the Louisiana Purchase the Battle of New Orleans Carnival and Cajuns Less explored topics such as the rebellion of 1768 the changing roles of women and civic development are also covered It is a sweeping guide to the publications that best illuminate the land the people and the multifaceted history of the Pelican State Arranged according to discipline and time period chapters cover such topics as the environment the Civil War and Reconstruction social and cultural history the people of Louisiana local parish and sectional histories and New Orleans It also lists major historical sites and repositories of primary materials As the only comprehensive bibliography of the secondary sources about the state *Louisiana History* is an invaluable resource for scholars and researchers

Louisiana Place Names Clare D'Artois Leeper, 2012-10-19 From Aansel to Zwolle with Mamou in between researcher Clare D Artois Leeper offers an alphabet of Louisiana place names both past and present Leeper includes 893 entries that reveal a distinct view of the state's history Her unique blend of documented fact and traditional wisdom results in an entertaining guide to Louisiana's place name lore Leeper considers the origins of each place as well as each name drawing

attention to the individuals who transformed Louisiana from an uninhabited wilderness into a populated state Not surprising for a region that has existed under ten flags Louisiana s place names reflect a mixture of several languages and point to other locales across the country and around the world Even the state s name Leeper points out combines the French Louis and the Spanish iana meaning belonging to Louis XIV Name origins trace back to geography flora fauna religion weather people and occasionally a flood a favorite book or a popular local dish Leeper conducted numerous interviews visited courthouses museums and libraries and more recently made use of the Geographic Names Information System to create this fascinating collection of Louisiana history and folklore *Women's Diaries from the Civil War South* Sharon Talley, 2023-08-18

Traditionally narratives of war have been male Sharon Talley writes In the pages that follow she goes on to disrupt this tradition offering close readings and comparative studies of fourteen women s diaries from the Civil War era that illuminate women s experiences in the Confederacy during the war While other works highlighting individual diaries exist and Talley notes that there has been a virtual explosion of published primary sources by women in recent years this is the first effort of comprehensive synthesis of women s Civil War diaries to attempt to characterize them as a distinct genre Deeply informed by autobiographical theory as well as literary and social history Talley s presentation of multiple diaries from women of differing backgrounds illuminates complexities and disparities across female wartime experiences rather than perpetuating overgeneralizations gleaned from a single diary or preconceived ideas about what these diaries contain To facilitate this comparative approach Talley divides her study into six sections that are organized by location vocation and purpose diaries of elite planter women diaries of women on the Texas frontier diaries of women on the Confederate border diaries of espionage by women in the South diaries of women nurses near the battlefield and diaries of women missionaries in the Port Royal Experiment When read together these writings illustrate that the female experience in the Civil War South was not one but many *Women s Diaries from the Civil War South A Literary Historical Reading* is an essential text for scholars in women s studies autobiography studies and Civil War studies alike presenting an in depth and multifaceted look at how the Civil War reshaped women s lives in the South and how their diverse responses shaped the course of the war in return

Louisiana Sugar Plantations During The Civil War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Louisiana Sugar Plantations During The Civil War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Louisiana Sugar Plantations During The Civil War has opened up a world of possibilities. Downloading Louisiana Sugar Plantations During The Civil War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Louisiana Sugar Plantations During The Civil War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Louisiana Sugar Plantations During The Civil War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Louisiana Sugar Plantations During The Civil War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Louisiana Sugar Plantations During The Civil War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Louisiana Sugar Plantations During The Civil War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Louisiana Sugar Plantations During The Civil War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Louisiana Sugar Plantations During The Civil War is one of the best book in our library for free trial. We provide copy of Louisiana Sugar Plantations During The Civil War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Louisiana Sugar Plantations During The Civil War. Where to download Louisiana Sugar Plantations During The Civil War online for free? Are you looking for Louisiana Sugar Plantations During The Civil War PDF? This is definitely going to save you time and cash in something you should think about.
