Love Among the Ruins (Classic Reprint) Warwick Deeping,2018-01-21 Excerpt from Love Among the Ruins The branches of the forest invoked the sky with the supplications of their thousand hands Black tumultuous terrible the wilds billowed under the moon stilled with the night silent as a windless sea Winter like a pale Semiramis of gigantic mould stood with her coronet touching the steely sky A mighty company of stars stared frost bright from the heavens A pillar of fire shone red amid the chaos of the woods Like a great torch a blazing tower hurled spears of light into the gloom Shadows vast and fantastic struggled like Titans striving with Destiny in the silence of the night Their substanceless limbs leapt and writhed through the gnarled alleys of the forest Overhead the moon looked down with thin and silver lethargy on the havoc kindled by the hand of man In a glade all golden with the breath of the fire blackened battlements waved a pennon of vermilion above the woods Smoke in eddying and gilded clouds rolled heavenwards to be silvered into snow by the light of the moon The grass of the glade shone a dusky yet brilliant green the tower's windows were red as rubies on a pall of sables About its base cottages were burning like faggots piled about a martyr's loins About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Walker Percy Gary M. Ciuba,2010-09-01 In Walker Percy Books of Revelations Gary M Ciuba examines how Percy's apocalyptic vision inspires the structure themes and strategies of his fiction This book explores the unity of the southern novelist's fiction by focusing on its religious and artistic design one of the first studies to approach Percy's work from this perspective Ciuba considers Percy's six published novels The Moviegoer The Last Gentleman Love in the Ruins Lancelot The

Second Coming and The Thanatos Syndrome and also offers the first extended critical analysis of his unpublished work The Gramercy Winner Although the novels are often seen as increasingly satiric jeremiads about the possible doom of America Ciuba argues that Percy's fiction is principally shaped by a demythologized and partially realized form of eschatology This apocalyptic vision has less to do with the end of the external world than with the demise of the protagonists internal worldviews According to Ciuba Percy does more than offer direly comic warnings about the end of the world he shows how the world actually ends and then may begin again in the everyday lives and extraordinary loves of his astonished seers

Love among the ruins Evelyn Waugh,1949 **The Vocation of Evelyn Waugh** D. Marcel DeCoste,2016-03-09

Arguing against the critical commonplace that Evelyn Waugh's post war fiction represents a decline in his powers as a writer D Marcel DeCoste offers detailed analyses of Waugh's major works from Brideshead Revisited to Unconditional Surrender Rather than representing an ill advised departure from his true calling as an iconoclastic satirist DeCoste suggests these novels form a cohesive artful whole precisely as they explore the extent to which the writer's and the Catholic's vocations can coincide For all their generic and stylistic diversity these novels pursue a new sustained exploration of Waugh's art and faith both As DeCoste shows Waugh offers in his later works an under remarked meditation on the dangers of a too avid devotion to art in the context of modern secularism forging in the second half of his career a literary achievement that both narrates and enacts a contrary and Catholic literary vocation Love in the Ruins Walker Percy,1999-09-04

Faith in the Millennium Stanley E. Porter,Michael A. Hayes,David Tombs,2001-02-01 At the close of one millennium and the beginning of a new one this conference volume reflects on the past and looks forward to a new era in terms of the development of faith Although most of the papers in the volume address issues concerning Christian faith the volume is not confined to such a perspective since the concept of faith is treated here in an encompassing and broad manner The historical perspective reaches back several millennia addresses contemporary issues of economics and justice as they have a bearing

on faith and looks to the future as a new millennium presents its own problems and potential opportunities
