Progress, Apocalypse, and Completion of History and Life after Death of the Human Person in the World Religions P. Koslowski, 2013-03-09 The soul is so closely connected to life that one cannot think that it could ever be separated from life and consequently be mortal Therefore it can only be immortal This argument from Plato's *Phaedo* for the immortality of the soul exhibits both a great strength and a great weakness Its strength is that it is difficult for anyone to think that the soul could ever exist without life Its weakness is first that not all religions accept a soul that remains the same as the center of the person thus one speaks for instance in Buddhism of a soulless theory of the human being and second that what is true does not depend on what we can think but on what we recognize in experience and thought The religions believe in the existence of a power that can work contrary to our experience that the soul in death is not separated from life How the religions believe they can establish this continued life after death and how faith in this life is related in the religions to the interpretation of history its progress its apocalyptic end and its eschatological completion and transfiguration is the theme of this book In the culture of the West in the nineteenth and twentieth centuries faith in the secular progress of the technological control of nature and the economic organization of society was the enemy of faith in the immortality of the soul

The Living Flame of Love: Study Edition St John of the Cross, Kieran Kavanaugh, 2023-07-30 St John of the Cross described the stanzas of his poem *The Living Flame of Love* as the songs of the soul in the intimate communication of the union of love with God The verses capture the mystical vistas from the summit of the saint's spiritual journey describing the mystery and powerful experience of divine transformation as the soul encounters and unites with the pure love of God After the poem's composition and at the request of his friend the laywoman Doña Ana de Peñalosa St John of the Cross wrote the prose commentary that represents his final word on the journey of the soul's transformation toward union with God In these verses and commentary our saintly guide teaches us as the Mystical Doctor of the Church but also as a gentle pastor Readers can aptly place themselves in the position of Doña Ana a fellow soul on this journey of transformation in God's grace following this holy shepherd along the narrow paths of purification toward our eternal dwelling place in God and union with him In this study edition Father Kieran Kavanaugh O.C.D. offers important context and contemporary interpretive notes concerning the teaching of St John of the Cross in *The Living Flame of Love* This edition includes Study guides provided throughout the book which provide helpful guidance and explanation A glossary of terms offering definitions as they pertain to John's specific usage throughout the work Comprehensive indexes of key themes and biblical references which make this edition an indispensable reference resource With the combination of a modern scholarly translation of St John of the Cross's text and a contemporary commentary *The Living Flame of Love Study Edition* affords readers the opportunity to gain a much deeper appreciation for the beauty and richness of St John's perennial teaching on the experience and science of love The indexes are fully linked
