

Love and Politics

Re-interpreting Hegel

Love And Politics Re Interpreting Hegel

Douglas Finn

Love And Politics Re Interpreting Hegel:

Love and Politics Alice Ormiston, 2012-02-01 Alice Ormiston's *Love and Politics* argues that modern politics is rooted not merely in the pursuit of power but that it is essentially underpinned by the experience of love. Hegel understood love as a principle that unites reason and emotion and self and other and that provides the foundation for a deep sense of connectedness to the world and for genuine acts of autonomy. Through an original and highly accessible interpretation of Hegel's works, Ormiston shows how the modern commitment to individual rights and freedoms can only be adequately understood by reference to the experience of love that lies at the foundation of the modern subject and its political expression in acts of conscience. Hegel's thought thus joins forces with feminist arguments for an embodied theory of the subject and for a focus on empathy in political reasoning with republican concerns about democracy and civic education and with postmodern concerns about the otherness of certain experiences and forms of knowledge. Ormiston's book offers a developed concept of the subject that can serve as a foundation for resistance to problems of our time including atomism and instrumental rationality, the ills of an unfettered capitalism and the reality of a radical evil. **Spirit, the Family, and the**

Unconscious in Hegel's Philosophy David V. Ciavatta, 2010-07-02 Honorable Mention 2011 Biennial Book Prize presented by the Canadian Philosophical Association. This original study of the role that family life plays in Hegel's *Phenomenology of Spirit* and *Philosophy of Right* pays particular attention to Hegel's characterization of the family as an unconscious form of ethical life rooted essentially in affectivity. David V. Ciavatta also looks at Hegel's account of feeling in the *Anthropology* section of *The Philosophy of Spirit*, highlighting the inherently porous nature of the self and this porosity is shown to be constitutive of the distinctive unconscious form of intersubjective recognition that forms the core of family bonds. The book provides a rich understanding of the role that family has in one's psychological development with respect not only to other people but also to the world and one's own identity. Incorporating existential phenomenological and psychoanalytic perspectives, Ciavatta offers insightful investigations of many basic Hegelian themes such as spirit, perception, ethical agency, language and property ownership. **Can Philosophy Love?** Cindy Zeiher, Todd McGowan, 2017-12-20 How can we

articulate a philosophy of love? This volume stages encounters between contemporary understandings of love and philosophy. It considers particular continental philosophers who think about love and its relation to desire and sexuality. The essays in this collection contend with philosophy and psychoanalysis as lines of thought that expose love's role in all knowledge. Drawing on the work of key thinkers such as Jean Badiou, Lacan, Hegel, Vattimo, Caygill, Levinas, Menshikov, and Marx, this book puts love to work as a way of understanding the subject of desire as a figure of knowledge shaped by the event of love.

Hegel on Religion and Politics Angelica Nuzzo, 2013-01-01 Critical essays on Hegel's views concerning the relationship between religion and politics. Although scholars have written extensively on Hegel's treatment of religion and politics separately, much less has been written about the connections between the two in his thought. *Religion in Hegel's philosophy*

occupies a difficult position relative to politics existing both within the ethical and historical reality of the state and at the same time maintaining an absolute transcendent identity In addition Hegel s views on the relationship between the two were often revised and refined over time in both his written works and his lectures His thinking on the subject however provides a fascinating look at an element of his practical philosophy that was as controversial in his time as it is in ours This book highlights various approaches to this intersection in Hegel s thought and evaluates its relevance to contemporary problems considering issues such as religious pluralism and tolerance conflicts between Islam and Christianity and tensions between the secular and religious state

Hegel's Laws ,2008-06-20 An introduction to Hegel s ideas on the nature of law This book takes readers through different structures of legal consciousness from the private law of property contract and crimes to intentionality the family the role of the state and international law

Legal and Ethical Retributivism Halil Cesur,2025-07-31 This book explores a foundational philosophical tension in contemporary retributivism revealing ambiguities in its approach to punishment between two conflicting conceptions of restoration legal justice and ethical love Through an analysis of the three parties involved in a crime the victim the offender and the state it argues that neo retributivism has not sufficiently incorporated the ethical face of punishment into its theoretical framework The pull of legal justice is often so strong that the voice of ethical love is silenced neo retributivism is at an impasse To navigate this the book engages with contemporary critical criminal justice scholarship introducing the ideal of loving justice while highlighting an unresolved tension between penal reformism and abolitionism The book will be of interest to academicians and researchers working in the areas of philosophy of punishment criminal law theory criminal justice restorative justice philosophy of law political philosophy and Hegel scholarship

Life in the Spirit Douglas Finn,2015-12-31 Since the nineteenth century many philosophical and theological commentators have sought to trace lines of continuity between the Trinitarian thought of Augustine of Hippo 354 430 and G W F Hegel 1770 1831 Many contemporary Christian theologians have also criticized Augustine s Trinitarian theology generally and his doctrine of the Holy Spirit more specifically through this historical lens At the same time Hegelian Trinitarian conceptual dynamics have come to exert a strong influence over contemporary Trinitarian theology In *Life in the Spirit* Douglas Finn seeks to redress several imbalances with respect to Augustine imbalances that have one of their hermeneutic causes in a Hegelian influenced theological tradition Finn argues that common readings of Augustine focus too much on his *De Trinitate* books 8 15 betraying a modern and to some extent Hegelian prejudice against considering sermons and biblical commentaries serious theological work This broadening of Augustinian texts allows Finn to critique readings of Augustine that on the one hand narrow his Trinitarian theology to the so called psychological analogy and thus chart him on a path to Descartes and Hegel or on the other hand suggest he sacrifices a theology of the Trinitarian persons on the altar of divine substance Augustine s Trinitarian theology on Finn s reading is one fully engaged with God s work in history With this renewed understanding of Augustine s Trinitarianism Finn allows Augustine to interrogate Hegel

with his concerns rather than only the other way around In this ambitious study Finn shows that Hegel's rendition of Christianity systematically obviates whole swaths of Christian prayer and practice He does this nonpolemically carefully and with meticulous attention to the texts of both great thinkers **Hegel's Idea of the Good Life** Joshua D. Goldstein, 2005-10-13 In Hegel's Idea of the Good Life Joshua D Goldstein presents the first book length study of the development and meaning of Hegel's account of human flourishing This volume will be welcomed by philosophers and political theorists seeking to engage with the details of Hegel's early and mature social thought By bringing Hegel's earliest writings into dialogue with his Philosophy of Right Goldstein argues that Hegel's mature political philosophy should be understood as a response to his youthful failure to build a sustainable account of the good life upon the foundations of ancient virtue This study reveals how Hegel's mature response integrates ancient concerns for the well ordered life and modern concerns for autonomy in a new robust conception of selfhood that can be actualized across the full expanse of the modern political community *Hegel on Sacred Poetry* Víctor Ibarra B., 2024-07-08 In his aesthetic reflections Hegel identifies the Judaic Psalms which he calls sacred poetry as the core of the sublime While it has often been suggested that Hegel showed little interest in the notion of sublimity Ibarra B contends that this interpretation is misleading and warrants further elucidation Introducing a new perspective he argues that a careful examination of Hegel's remarks on sacred poetry reveals a critique of the notion of agency as depicted in the Psalms By revisiting Hegel's early works predating 1800 and his dispute with Kant's concept of freedom this study offers a practical account of Hegel's view on sublime art within the framework of his philosophy of love Canadian Idealism and the Philosophy of Freedom Robert Meynell, 2011-05-18 Twentieth century Canada fostered a range of great minds but the country's diversity and wide range of academic fields have led to their ideas being portrayed as the work of isolated thinkers Canadian Idealism and the Philosophy of Freedom contests this assumption by linking the works of C B Macpherson George Grant and Charles Taylor to demonstrate the presence of a Canadian intellectual tradition *Religion After Kant* Paolo Diego Bubbio, Paul Redding, 2011-11-15 After a period of neglect the idealist and romantic philosophies that emerged in the wake of Kant's revolutionary writings have once more become important foci of philosophical interest especially in relation to the question of the role of religion in human life By developing and reinterpreting basic Kantian ideas an array of thinkers including Schelling Hegel Friedrich Schlegel Hölderlin and Novalis transformed the conceptual framework within which the nature of religion could be considered Furthermore in doing so they significantly shaped the philosophical perspectives from within which later thinkers such as Feuerbach Kierkegaard Wagner and Nietzsche could re pose the question of religion This volume explores the spaces opened during this extended period of post Kantian thinking for a reconsideration of the place of religion within the project of human self fashioning **Hegel's Conscience** Dean Moyar, 2011-04-06 This book provides a new interpretation of the ethical theory of G W F Hegel The aim is not only to give a new interpretation for specialists in German Idealism but also to provide an

analysis that makes Hegel's ethics accessible for all scholars working in ethical and political philosophy. While Hegel's political philosophy has received a good deal of attention in the literature, the core of his ethics has eluded careful exposition in large part because it is contained in his claims about conscience. This book shows that contrary to accepted wisdom, conscience is the central concept for understanding Hegel's view of practical reason and therefore for understanding his ethics as a whole. The argument combines careful exegesis of key passages in Hegel's texts with detailed treatments of problems in contemporary ethics and reconstructions of Hegel's answers to those problems. The main goals are to render comprehensible Hegel's notoriously difficult texts by framing arguments with debates in contemporary ethics and to show that Hegel still has much to teach us about the issues that matter to us most. Central topics covered in the book are the connection of self-consciousness and agency, the relation of motivating and justifying reasons, moral deliberation and the holism of moral reasoning, mutual recognition and the rationality of social institutions. Uncivil Unions Adrian

Daub, 2024-05-31. What a strange invention marriage is, wrote Kierkegaard. Is it the expression of that inexplicable erotic sentiment, that concordant elective affinity of souls, or is it a duty, or a partnership, or is it a little of all that? Like Kierkegaard a few decades later, many of Germany's most influential thinkers at the turn of the eighteenth century wondered about the nature of marriage but rejected the easy answers provided by biology and theology. In Uncivil Unions, Adrian Daub presents a truly interdisciplinary look at the story of a generation of philosophers, poets, and intellectuals who turned away from theology, reason, common sense, and empirical observation to provide a purely metaphysical justification of marriage. Through close readings of philosophers like Fichte and Schlegel and novelists like Sophie Mereau and Jean Paul, Daub charts the development of this new concept of marriage with an insightful blend of philosophy, cultural studies, and theory. The author delves deeply into the lives and work of the romantic and idealist poets and thinkers whose beliefs about marriage continue to shape ideas about gender, marriage, and sex to the present day. Hegel's Theory of Intelligibility Rocío

Zambrana, 2015-11-20. Hegel's Theory of Intelligibility picks up on recent revisionist readings of Hegel to offer a productive new interpretation of his notoriously difficult work, the *Science of Logic*. Rocío Zambrana transforms the revisionist tradition by distilling the theory of normativity that Hegel elaborates in the *Science of Logic* within the context of his signature treatment of negativity, unveiling how both features of his system of thought operate on his theory of intelligibility. Zambrana clarifies crucial features of Hegel's theory of normativity previously thought to be absent from the argument of the *Science of Logic*: what she calls normative precariousness and normative ambivalence. She shows that Hegel's theory of determinacy views intelligibility as both precarious, the result of practices and institutions that gain and lose authority throughout history, and ambivalent, accommodating opposite meanings and valences even when enjoying normative authority. In this way, Zambrana shows that the *Science of Logic* provides the philosophical justification for the necessary historicity of intelligibility. Intervening in several recent developments in the study of Kant, Hegel, and German Idealism, more broadly, this

book provides a productive new understanding of the value of Hegel's systematic ambitions Political Thinking, Political Theory, and Civil Society Steven M DeLue, Timothy Dale, 2015-09-04 A comprehensive overview of the Western tradition of political thought that approaches concepts with the aim of helping readers develop their own political thinking and critical thinking skills This text is uniquely organized around the theme of civil society what is the nature of a civil society why is it important that will engage students and help make the material relevant Major thinkers discussed in the text are explored not only with the goal of understanding their views but also with an interest in understanding the relationship of their ideas to the notion of a civil society DeLue contends that a civil society is important for securing the way of life that most of us value and want to preserve a way of life that allows people to live freely and place significance on their own lives *Tropes of Transport* Katrin Pahl, 2012-02-29 Intervening in the multidisciplinary debate on emotion *Tropes of Transport* offers a fresh analysis of Hegel's work that becomes an important resource for Pahl's cutting edge theory of emotionality If it is usually assumed that the sincerity of emotions and the force of affects depend on their immediacy Pahl explores to what extent mediation and therefore a certain degree of manipulation but also of sympathy is constitutive of emotionality Hegel serves as a particularly helpful interlocutor not only because he offers a sophisticated analysis of mediation but also because rather than locating emotion in the heart he introduces impersonal tropes of transport such as trembling release and shattering

Reconsidering the Origins of Recognition John Van Houdt, Arthur Kok, 2014-11-19 This volume brings together for the first time a group of young researchers who can be seen as representative of a new generation of researchers working on German idealism Over the past few decades several generations of the reception of German idealist philosophers have resulted in an intensive inspiring and fruitful debate about the concept recognition a central topic in German idealism and the central topic of this book Critically approaching many of the classical boundaries set up by earlier generations the new wave of researchers in this volume explores diagnoses analyzes and evaluates the prospects for and limits of recognition from an informed yet independent perspective The contributors to this volume overcome both the traditionally strong emphasis on practical especially political philosophy when dealing with recognition and classical divisions such as the divide between analytic and continental philosophy or between Frankfurt School interpretations and more scholarly approaches This unique combination of methodological interests leads to a variety of original voices which incorporate the history of reception while also showing how German idealism continues to inspire new generations of philosophers This book provides a first step toward a comprehensive conception of German idealism through critical re-readings of the classical texts of German idealism approaching their argumentative potential their internal development and finally their limits *Clio*, 2005

The Accessible Hegel Michael Allen Fox, 2005 Georg Wilhelm Friedrich Hegel was one of the most influential philosophers of the 19th century Unfortunately his work is notoriously difficult to understand There is thus a need for a clear presentation of his major philosophical contributions to help students and other interested persons in approaching the work

of this important thinker Philosopher Michael Allen Fox admirably fills this need in this lucid explanation of Hegel's ideas Fox discusses at length the chief component of Hegel's systematic philosophy the concept of the dialectic According to Hegel in a world of becoming and persistent change reason progresses through conflict and the resolutions that arise from the dialectic of opposing elements The tumultuous clash of opposites leads to ever new advances in human knowledge and culture Fox also considers many of Hegel's other ideas his difficult notion of the Absolute the final stage of history in which reason attains perfect mastery of the world and thought realizes its full potential his dynamic conception of truth as evolving toward total comprehensiveness the master slave pattern of human relationships the social structure of the self the varied political interpretations and adaptations of Hegel's philosophy on both the Left and the Right and many other aspects of Hegel's complex system For both beginners and those already familiar with Hegel's work this excellent overview of one of philosophy's great geniuses offers many clarifications and insights *Encyclopedia of Philosophy* Donald M. Borchert, 2006 This volume covering entries from Gadamer Hans Georg to Just war theory presents articles on Eastern and Western philosophies medical and scientific ethics the Holocaust terrorism censorship biographical entries and much more

Love And Politics Re Interpreting Hegel Introduction

In the digital age, access to information has become easier than ever before. The ability to download Love And Politics Re Interpreting Hegel has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Love And Politics Re Interpreting Hegel has opened up a world of possibilities. Downloading Love And Politics Re Interpreting Hegel provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Love And Politics Re Interpreting Hegel has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Love And Politics Re Interpreting Hegel. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Love And Politics Re Interpreting Hegel. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Love And Politics Re Interpreting Hegel, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Love And Politics Re Interpreting Hegel has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Love And Politics Re Interpreting Hegel Books

What is a Love And Politics Re Interpreting Hegel PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Love And Politics Re Interpreting Hegel PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Love And Politics Re Interpreting Hegel PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Love And Politics Re Interpreting Hegel PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Love And Politics Re Interpreting Hegel PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
