Charms and Charming in Europe J. Roper, 2004-11-12 Historical records of charms the verbal element of vernacular magic date back at least as far as the late middle ages and charming has continued to be practiced until recently in most parts of Europe And yet the topic has received only scattered scholarly attention to date By bringing together many of the leading authorities on charms and charming from Europe and North America this book aims to rectify this neglect and by presenting discussions covering a variety of periods and of locations from Finland to France and from Hungary to England it forms an essential reader on the topic

Indian Linguistic Families of America, North of Mexico John Wesley Powell, 1891 The languages spoken by the pre Columbian tribes of North America were many and diverse Into the regions occupied by these tribes travelers traders and missionaries have penetrated in advance of civilization and civilization itself has marched across the continent at a rapid rate Under these conditions the languages of the various tribes have received much study Many extensive works have been published embracing grammars and dictionaries but a far greater number of minor vocabularies have been collected and very many have been published In addition to these the Bible in whole or in part and various religious books and school books have been translated into Indian tongues to be used for purposes of instruction and newspapers have been published in the Indian languages Altogether the literature of these languages and that relating to them are of vast extent
