I. Tobin, Elmer Gertz, 1970 To throw light on the motives movements of a conspicuous literary figure of the last generation two friends of Harris's from Chicago Dr Tobin his authorized biographer Mr Gertz an attorney who was Harris's agent in the latter years of his life have undertaken to sift the truth about Harris to present a portrait of him that will reconcile the most shocking incongruities of his character with some of the fine performances of his pen Messrs Tobin Gertz have done a very good life of him With great skill they disentangle the facts from the cobwebs of fancy that he spun They tell his story simply clearly honestly AMERICAN MERCURY illus Women in World History Anne Commire, 2002 Presents biographical profiles of significant women from throughout the history of the world each with birth and death dates when known a time line quotation and references Arranged alphabetically from Schu Sui *The University of Kansas; a History* Clifford Stephen Griffin, 1974 Here is a thorough assessment of the development of the University of Kansas during its first century Clifford S Griffin traces the University from little more than a high school or preparatory school to a college and then to a major institution No mere chronicle of the University's triumphs and progress this book gives equal attention to the many disappointments and frustrations over the years Griffin concerns himself not only with the physical growth of the institution but with the nature of the University's goals and character as well From John Fraser to W Clarke Wescoe each Chancellor of the University of Kansas faced unique problems in shaping the destiny of the ever expanding institution They struggled with the perils of an unstable economy enrollment crises departmentalization disagreements with faculty and regents disputes

Stearns,1994-04 Cool

The concept has distinctly American qualities and it permeates almost every aspect of contemporary American culture From Kool cigarettes and the Peanuts cartoon s Joe Cool to West Side Story Keep cool boy and urban slang Be cool Chill out the idea of cool in its many manifestations has seized a central place in our vocabulary Where did this preoccupation with cool come from How was Victorian culture seemingly so ensconced replaced with the current emotional status quo From whence came American Cool These are the questions Peter Stearns seeks to answer in this timely and engaging volume American Cool focuses extensively on the transition decades from the erosion of Victorianism in the 1920s to the solidification of a cool culture in the 1960s Beyond describing the characteristics of the new directions and how they altered or amended earlier standards the book seeks to explain why the change occurred It then assesses some of the outcomes and longer range consequences of this transformation **Catalog of Copyright Entries, Third Series** ,1963 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **The Publishers Weekly** ,1897 The Graduate Magazine of the University of Kansas ,1928
