Loving Frank Nancy Horan, 2007-08-07 I have been standing on the side of life watching it float by I want to swim in the river I want to feel the current So writes Mamah Borthwick Cheney in her diary as she struggles to justify her clandestine love affair with Frank Lloyd Wright Four years earlier in 1903 Mamah and her husband Edwin had commissioned the renowned architect to design a new home for them During the construction of the house a powerful attraction developed between Mamah and Frank and in time the lovers each married with children embarked on a course that would shock Chicago society and forever change their lives In this ambitious debut novel fact and fiction blend together brilliantly While scholars have largely relegated Mamah to a footnote in the life of America's greatest architect author Nancy Horan gives full weight to their dramatic love story and illuminates Cheney's profound influence on Wright Drawing on years of research Horan weaves little known facts into a compelling narrative vividly portraying the conflicts and struggles of a woman forced to choose between the roles of mother wife lover and intellectual Horan's Mamah is a woman seeking to find her own place her own creative calling in the world Mamah's is an unforgettable journey marked by choices that reshape her notions of love and responsibility leading inexorably ultimately lead to this novel's stunning conclusion Elegantly written and remarkably rich in detail *Loving Frank* is a fitting tribute to a courageous woman a national icon and their timeless love story

BONUS This edition includes an excerpt from Nancy Horan's *Under the Wide and Starry Sky*

Advance praise for *Loving Frank* *Loving Frank* is one of those novels that takes over your life It's mesmerizing and fascinating filled with complex characters deep passions tactile descriptions of astonishing architecture and the colorful immediacy of daily life a hundred years ago all gathered into a story that unfolds with riveting urgency Lauren Belfer author of *City of Light* This graceful assured first novel tells the remarkable story of the long lived affair between Frank Lloyd Wright a passionate and impossible figure and Mamah Cheney a married woman whom Wright beguiled and led beyond the restraint of convention It is engrossing provocative reading Scott Turow It takes great courage to write a novel about

historical people and in particular to give voice to someone as mythic as Frank Lloyd Wright This beautifully written novel about Mamah Cheney and Frank Lloyd Wright s love affair is vivid and intelligent unsentimental and compassionate Jane Hamilton I admire this novel adore this novel for so many reasons The intelligence and lyricism of the prose The attention to period detail The epic proportions of this most fascinating love story Mamah Cheney has been in my head and heart and soul since reading this book I doubt she ll ever leave Elizabeth Berg *In Love With Disaster* Mo'Nik,2018-10-17 Failed relationship after failed relationship Aleina Walters never gave up on love and never let the mistakes of the past men she was involved with keep her from moving on Even after encountering men like Jahmeel who was a cheater and controlling or Mason who gave her two beautiful children that he couldn t and wouldn t provide for leaving her to struggle before leaving him for good Aleina knew that her soulmate existed he just had to find her Then Assiah Disaster Grand found her in the least expected of ways His handsome face great body charm and hard work ethic made him a catch for her or any woman for that matter He quickly swept her off of her feet taking her children in as his own and giving her everything that she ever wanted including a real family When things are too good to be true however they probably are and soon her paradise turns into a disaster Disaster s controlling abusive disrespectful and cheating ways has Aleina living in fear and unhappy in her life and marriage By then it s too late to escape she is now Disaster s wife whom in his mind he owns What will become of this not so beautiful love story And will Aleina make it out alive and find true love and happiness **Interludes and Ladies of Love** D.E. Johnson,2016-05-13 *Interludes and Ladies of Love* The old institution of love has long out lived the values it may have once held in yesteryear Good providing has always been the main factor but it has gone deep and dark into plain vain materialistic gain In todays high tech fast paced world where women are more likely to be the bread winner than the man the definition of love has taken a whole new meaning *Interludes and Ladies of Love* gives a glimpse into the mind of women and how they view love today The authors life experiences and observations was the reason he wrote this book Inspired by God to write how love is rapidly deteriorating in todays society and with the acceptance of loves lowering level as long as theres a profit to be made and no spiritual thought is given to their actions to attain it Love and relationships are like everything else economically controlled and can be virtually shut down in most cases where money takes priority over love Unless women formulate a higher consciousness spiritually and think outside of the box that constrict the mentality of todays society things will inevitably get worse in love land *Interludes and Ladies of Love* is an in depth look behind the scene of what appear before the eyes of man taking a look into loves unseen deceptions Sympathy is expressed for the so called manipulator of women pimps because they havent realized yet that the only true pimps are women and they the men have pimped out nobody but themselves through their arrogant ignominy and dependency on the ladies of love to provide financial security Glimpse inside the unsavory interludes women delve into with hidden motivations held within what appear to be wide open and innocent Through the beauty of their bodies women truly do make themselves a power to be reckoned with in this world

Love Untamed: Small town Friends to Lovers Romance J.H. Croix,2017-11-23 Divine Love / Divine Intolerance
Darrell J Ahrens,2009 What to tolerate what not to tolerate This is perhaps the most important question our nation as well as other Western nations must consider today What gives this question its crucial importance is the fact that how it is answered will determine the moral and ethical character of a nation and its people It will determine the integrity and virtue or lack thereof of a nation s religious political educational and sociological institutions and their policies laws beliefs and practices Concerning Western nations and societies it will determine either faithfulness or unfaithfulness to their underlying religious political and historical foundations and heritage In short it will determine the very identity of a nation and people *Sex and the Marriage Covenant* John Kippley,2014-01-23 The thesis of this book is that God intends that sexual intercourse should be at least implicitly a renewal of the marriage covenant From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act Thus the title Sex and the Marriage Covenant is an appropriate description of the book s contents Marriage comes into being by a couple unreservedly entering God s covenant of marriage contraceptive intercourse contradicts the very essence of the marriage covenant From these considerations Kippley developed the covenant theology of sexuality described in this book *Love and Freedom* Jorge N. Ferrer,2021-06-24 In Love and Freedom Jorge Ferrer proposes a paradigm shift in how romantic relationships are conceptualized a step forward in the evolution of modern relationships In the same way that the transgender movement surmounted the gender binary Ferrer defines how a parallel step can and should be taken with the relational style binary This book offers the first systematic discussion of relationship modes beyond monogamy and polyamory as well as introduces the notion of relational freedom as the capability to choose one s relational style free from biological psychological and sociocultural conditionings To achieve these goals Ferrer first discusses a number of critical categories specifically monoprude polyphobia and polypride monophobia that mediate the contemporary mono poly wars that is the predicament of mutual competition among monogamists and polyamorists The ideological nature of these mono poly wars is demonstrated through a review of available empirical literature on the psychological health and relationship quality of monogamous and polyamorous individuals and couples Then after showing how monogamy and polyamory ultimately reinforce each other Ferrer articulates three relational pathways to living in between through and beyond the mono poly binary fluidity hybridity and transcendence Moving beyond that binary opens a fuzzy liminal and multivocal relational space that Ferrer calls novogamy In this groundbreaking book readers will learn practical tools to not only transform jealousy but also enhance their relational freedom while being aware of key issues of diversity and social justice They will also learn novel criteria to evaluate the success of their intimate relationships and be
