Intimacies Alan Frank, Patricia T. Clough, Steven Seidman, 2013-07-24 In the last decade or so there has been a shift in the popular and academic discussion of our personal lives Relationships and not necessarily marriage have gravitated to the center of our relational lives Many of us feel entitled to seek intimacy an emotionally depthful social bonding rather than simply security or companionship from our relationships Unlike in a marriage centred culture intimacy is today pursued in varied relationships from familial to friends and to romances And intimacies are being forged in multiple venues from face to face to virtual cyber contexts A new scholarship has addressed this changing terrain of personal life there is today a vast literature on cohabitation parenthood without marriage sex and love outside marriage queer families cyber intimacies and friendships However much theorizing and research has focussed either on the interior subjective or sociocultural aspects of intimacies not their interaction This volume aims to break new ground *Intimacies* explores the psychological terrain of intimacy in depthful ways without abandoning its sociohistorical context and the centrality of power dynamics Drawing on a rich archive that includes the social sciences feminism queer studies and psychoanalysis the contributors examine changing cultures of intimacy fluid and solid attachments and intimacies from hook ups to sibling bonds to erotic love a politics of intimacy that may involve state enforced hierarchies class misrecognition social exclusion and violence embodied experiences of intimacy and dynamics of endings and loss a pluralization of intimacies that challenge established ethical hierarchies This volume aims to define the cutting edge of this emerging field of scholarship and politics It challenges existing paradigms that assume rigid hierarchical approaches to relational life *Intimacies* will be of interest for psychoanalysts and for students or scholars in sexualities gender studies family studies feminism studies queer studies social class cultural studies and philosophy

Love's Curriculum Jenny Hogg Ashwell, 2015-11-11 As our companions through the current spiritual Awakening Jesus the archangels and other spiritual teachers have gathered as the High Council and now share with us in Love's Curriculum their messages of enlightenment These Divine messages have a clear goal To awaken us to the Love that connects all You hold in your hands the High Council's gift to you a guidebook for this journey Through Divine grace and enormous trust Jenny Hogg Ashwell travelled a path from lawyer to student of spirituality and mother of three to spiritual counselor and intuitive to learn of her soul's assignment to scribe Love's Curriculum for the High Council and bring forth their messages to the world It is with great humility courage and gratitude that she has done just this Now it is your turn Let Love's Curriculum gently awaken within you the memory of Love as you uncover your soul's Divine purpose Let it guide you to ignite Love in the world The time has come to join in the Awakening We wish for you to read Love's Curriculum Within its pages you will find the Bounty of Love and Light to which you have been called for which you have been dreaming and desiring to fill within you the void Within its pages are the answers contained the magic brought forth the truth illuminated for all to hear and see Let Love's Curriculum help you on your journey to awaken to Love It is time The High Council

Frigidity in Woman in Relation to Her Love Life Wilhelm Stekel, 1926 *The Female Orgasm* Seymour Fisher, 1973 *Sex Matters* Osho, 2003-07-11 One of the greatest spiritual thinkers of the twentieth century explores the physical and emotional intimacies of men and women in Sex Matters Sex to Superconsciousness Sex matters to us all The Osho approach to sex begins with an understanding of how important love is in our lives while at the same time acknowledges that the journey into love cannot exclude our innate biological energies With this perspective it becomes clear that the tendency for religions and for society in general to associate sex with sin and morality has been a great misfortune Sex Matters begins by deconstructing the layers of sexual repression that the condemnation of sex has inflicted on humans Throughout the book in response to questions about everything from jealousy to premature ejaculation the role of intimacy and the differences between men and women Osho proposes a vision that embraces sex as a fundamental gift from nature We learn how orgasm offers a glimpse of timelessness thoughtlessness and pure awareness biology's way of pointing toward the consciousness that helps us to understand ourselves Finally we are presented with a clear choice a repressed sexuality that

leads to pornography perversion and a stunted humanity or a playful respectful and relaxed innocence that supports us in becoming fulfilled and whole as nature intended Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world Five Minutes to Orgasm Every Time You Make Love D. Claire Hutchins,2000 **How to be a Good Lover** Kwabena Osei,2022-07-10 It is meaningful to talk about love Love is the universal language The essence of life is the divine love Love beautifies life Life without love is meaningless The circle of life operates on the energy of love and sex To be ignorant about love and sex through which you existed for the human experiences on the mother earth is suicidal Let us talk about love and sex in the open platform to enlighten mankind Awareness in the divine principles of love automatically upgrades your romances through loving kindness to boost your sexual capabilities to be a good lover Lack of the knowledge about the true love and the false love alike rushing in love for possessiveness many people are perishing each and every day by the edge of the hidden sword of the false love This precious book how to be a good lover is very significant for the human race It is meant to serve as the preventive measures against the deceptions and the atrocities being caused consistently in the name of love Life relationship or marriage is all about self expression through loving kindness and caring for each other to make the world a safer place for mankind **The Hite Report** Shere Hite,2011-01-04 A reproduction of the classic text unavailable now for more than a decade with a new introduction by the author The Hite Report first published in 1976 was a sexual revolution in six hundred pages To answer sensitive questions dealing with the most intimate details of women s sexuality Hite s innovation was simple she asked women a lot of them everything and published the results One hundred thousand women ages fourteen to seventy eight were asked what they do and don t like about sex how orgasm really feels with and without intercourse how it feels not to have an orgasm during sex the importance of clitoral stimulation and masturbation and to name the greatest pleasures and frustrations of their sexual lives among many other questions The Hite Report declares that orgasm is easy and strong for women given the right stimulation that most women have orgasm most easily during masturbation or clitoral stimulation by hand that sex as we define it is a cultural institution not a biological one and that attitudes must change to include the stimulation women desire **Motivation** Lambert Deckers,2018-01-29 This textbook provides a complete overview of motivation and emotion using an overarching organizational scheme of how biological psychological and environmental sources become motivation the inducement of behavior feelings and cognition It combines classic studies with current research and uses numerous real world examples to engage the student and make often difficult theoretical concepts come to life By understanding and applying the principles of motivation described in the text students will not only discover insights

into what motivates their own behavior but also how to instigate self change Thoroughly revised and updated throughout this fifth edition provides a major review of recent research with over 225 new references including expansion in the areas of goal motivation and emotion psychology Other updated topics include new findings and interpretations on how evolution affects our preferences how personality traits determine motivation and how self control depends on a cost benefit analysis The addition of individual chapter glossaries and an increased number of links to additional resources supplement student learning This textbook is suitable as a primary text for courses on motivation For additional resources please consult the companion website at www.routledge.com/cw/deckers

Psychological Perspectives on Sexual Problems Jane M. Ussher,Christine D. Baker,1993 The regulation of sexuality and the careful distinction between normality and abnormality has a long and checkered history with psychologists at the forefront of this debate Yet any attempt to identify a simple and unitary psychology of sexual problems inevitably becomes the focus of a great deal of criticism particularly from the disciplines of psychoanalysis and feminism The aim of Psychological Perspectives on Sexual Problems is both to provoke and to promote a glasnost between those whose work directly involves research and intervention in the arena of sexuality and those who would deconstruct criticize and reframe any understanding of sexuality outside of the dominant discourse of psychology The contributors examine the psychological theories associated with sexuality and sexual problems and at the same time present examples of positive and empowering practice with groups of individuals whose sexuality is often ignored or marginalized These individuals include those with learning difficulties or physical disabilities sex offenders gay men with AIDS and women with eating disorders Psychological Perspectives on Sexual Problems is the first text to integrate critical theory and current clinical practice in an attempt to arrive at a revolutionary approach to the psychology of sexuality

Om, Baby! a Pilgrimage to the Eternal Self Jack Haas,2005 This is both a remarkable journey through sacred India and a pilgrimage to the immortal self With his ever inexorable determination to pursue his highest path Jack Haas visits many holy areas within the subcontinent of India and communes with numerous masters who have passed from this plane but who remain in the subtle realm to assist mankind in its growth towards freedom and eternity These include Krishna Guru Nanak Ramana Maharishi and Shiva himself Within the pages of this book Haas describes his own evolution towards an expanded unlimited consciousness as well as his unique

relationships with many aspects of the divine feminine including Mother Mary Sophia Parvati Gauri Kali Saraswati Durga and Gaia Haas path eventually leads him to the absolute union of spirit and flesh and to the inextinguishable Tao running through all of life

The Power of Wonder Monica C.
