Dotson-Randle, 2016-07-13 Before they were Amazonian queens they were simply mothers concerned about their children at the hands of man So long ago two children went missing one a young teen witch and one a young fairy child Missing and unaccounted for unbeknownst to each witches and fairies alike it would begin a reconciliation which was thousands of years delayed Both witches and fairies worried with grief began a search for their youth only to be met with the

truth of their demise at the hands of the savage man Neither people could have foreseen the unification of their world nor could they have predicted that they would become the most powerful people of all the dimensions And that they would call their most beautiful land and dimension Amazon named after the place in another dimension where the last talisman of the Great Elders Wall was found at the beginning of the age of the elders long ago No one could have foreseen the following events that led up to the missing of the twelfth queen And unless they find her all the accomplishments theyve achieve since the brutality of the missing girls so long ago will be lost While the search is on to find the twelfth queen and to find out what happened to her time is running out as man has grown a thousand fold and is even more brutal as they once were long ago The highest of the all witches and fairies alike was the twelfth queen and without her guidance they are faltered unsure and on the verge of internal war As they close their prayers with We are the time and we are one there are those around the queens table that worry silently if the twelfth queen is even still alive And if she is not their steadfast fears just may become reality A war among the witches and fairies with man gravely on their very doorstep threatening to destroy them both would cripple witches and fairies alike Separately they believe man can defeat them each blaming the other for lack of focus and an overall weaker spirit And if this worried insecure reasoning grows among them it could cost them everything So her most cherished and dearest of friends Dartilia searches and searches for her anywhere and everywhere all in hopes of finding her most cherished and dearest of friends Fayla As she searches she remembered all Fayla had taught her and how she came to be known as Fayla gentle and cruel however still loved by most but clearly and urgently missed by all Frieze Cecile Pineda,2007 This poetic narrative discusses the creative life of a 9th century Indian stonecarver who is drafted at an early age to spend his entire life working on the thousands of statues that fill the niches of an Indonesian temple Exploring the muse artist relationship as few works of fiction have done this novel is an intensely political work a parable that pits the blind cruelty of a feudal ruler against the creative expression of a single slave **River Without a Cause** Sam Moses,2024-03-05 A riveting journey down Theodore Roosevelt s river of doubt with a diverse crew of adventurers scientists and Indigenous leaders who shine light on the past present and future of a natural wonder Sam Moses took part in the adventure of a lifetime when he along with seventeen men and two women embarked on the Rio Roosevelt Expedition They would follow the former president s wake down five hundred miles of extreme whitewater into the dark heart of the Amazon The party was guided by two chiefs from the Cinta Larga tribe the same tribe that stalked Roosevelt s expedition in 1914 who between rapids tell the story of the tribe s own Trail of Tears After the wildest whitewater is past Moses travels with the chiefs to their village to witness the massive illegal mahogany logging from their forest the Roosevelt Indigenous Territory River Without a Cause puts us in the raft during those heart pounding rapid descents as we experience the drama dynamics and disputes between the Bull Moose and his co leader Brazil s most famous explorer the rigid Colonel Candido Rondon As the Amazon stands on the precipice of hope with the election of a new Brazillian president River Without a Cause is a moving and galvanizing tale

warriors who faced the Greeks a long time ago We know very little about the land we are heading towards and the enemies we are going to have to contain and fight The climate it seems is harsh But we are still far from the final destination We don't know if we will be back Our land is so far now It does not matter Like our ancestors the will to discover new spaces will save us
