Love And Life Behind The Purdah:

Love and Life Behind the Purdah Cornelia Sorabji, 1901 Cornelia Sorabji 1866 1952 was a pioneer in the tradition of Indian Parsee women's literature in English. This collection of Sorabji's short stories reflects her fascination with orthodox Hindu women and her frustrated feminist ambitions to liberate them from their enforced or self-willed domesticity. Love and Life Behind the Purdah Sorabji Cornelia, 2021-08-10 Love and Life Behind the Purdah 1901 is a collection of short stories by Indian writer, lawyer, and social reformer Cornelia Sorabji. Raised by Christian missionaries, Sorabji trained as a lawyer at Oxford University before returning to India to work with women and orphans across the country. Her fictional work illustrates a creative imagination and a well-rounded sense of the diverse political and religious identities that make up the population of India. In her first published book, Sorabji spins tales of women and children from varied sociopolitical backgrounds. Writing on the Hindu purdah-nashin women cut off from the outside world, Sorabji drew on her experience as a litigator representing these oppressed figures in legal cases regarding property rights and other instances of oppression. Other stories in the collection follow Zoroastrian priestesses and the lives of orphaned children, character studies which serve as crucial catalysts for the discussion of child marriage, the practice of sati, and other controversial traditions prominent in India in the nineteenth century. Love and Life Behind the Purdah is a beautiful, informative meditation on the necessity of perseverance in the face of famine, disease, silence, and death. A lawyer at heart, Sorabji weaves powerful political commentary into her vibrant prose portraits of women and children down but never out. With a beautifully designed cover and professionally typeset manuscript, this edition of Cornelia Sorabji's Love and Life Behind the Purdah is a classic work of Indian literature reimagined for modern readers. **Love and life behind the purdah, with an introduction** Cornelia Sorabji, **Indian**

Women's Short Fiction Joel Kuortti, Mittapalli Rajeshwar, 2007 Although Indian Women's Short Fiction has always enjoyed equal importance and popularity as their novels, very little critical attention has been paid to it. So far, Indian Women's Short Fiction seeks to fulfil this long-felt need. It puts together fifteen perceptive and analytical articles by scholars across the world. The articles, which are focussed on native Indian writing as well as diasporic short fiction, deal with such interesting literary issues as construction of femininity, disablement and enablement, Bengali heritage, hybrid identities, nostalgia, representation of the partition, violence, tradition and modernity, and cultural perspectivism. It is hoped that the book will prove useful to scholars interested in short fiction studies in general and Indian Women's Short Fiction in particular. *A History of Black and Asian Writing in Britain* C. Opening Doors Richard Sorabji, 2010-05-30 Clever attractive and ambitious intellectually daring and physically courageous Cornelia Sorabji was a truly remarkable woman As India's first female lawyer she was original and often outspoken in her views for example in her criticism of Gandhi and her surprising friendship with Katherine Mayo Cornelia Sorabji resists easy classification either as a feminist or as an imperialist She is an Indian whose loyalty to the British Raj never wavered a passionate advocate of women's rights whose own career was nearly compromised through her inappropriate relationship with a married man and an independent and free thinking intellectual who depended for work on patronage from an elite circle Cornelia Sorabji's long and fulfilling life was anything but simple How did she reconcile these apparent contradictions How did she succeed in opening doors to aspects of Indian and British life which remain closed to so many even today and where did she run into difficulties Through its beguiling portrait of a determined and pioneering woman at the heart of the Raj this rich and important story will captivate everyone with an interest in Indian or British history
