Understand the Old Testament David Holsted,2018-02-16 A full 75 percent of the Bible is the Old Testament If one of your kids or your coworkers or your friends were to ask you about the Old Testament could you talk knowledgeably about it When you pastor says that your church believes in the Old Testament because the whole Bible is about Jesus can you even imagine what he s talking about In my experience Christians often know stories from the Old Testament or maybe have memorized verses from it but very few would say that they understand it That s where I stood not long ago so I set out to do something about it Frankly without help the Old Testament can be difficult to read let alone understand But

with a little guidance you can not only understand it you can appreciate how it harmonizes with the New Testament and you can see how it is so foundational to your faith I put together this book as I earnestly studied my way through the Old Testament My hope is that I have taken hundreds of hours of reading and work and summarized it into a book that can be used by Christians who just don't have hundreds of hours to invest This book combines the best of what I've read and studied about the Old Testament It is part book read it through or select areas of interest from the summaries It is part Bible study guide use the summaries to study or lead a Bible study group It is part commentary use it to complement your Old Testament reading The Old Testament is the story that Jesus completes and the promise that Jesus fulfills Are you willing to invest about an hour per week for a year in order to see how this is true Learn the name nature attributes and character of God Learn biblical principles patterns and promises Learn about Hebrew culture language and history in the context of world history Learn of the prophecies of hope through the Messiah Learn how the Old Testament testifies to Jesus throughout Share this adventure with me Take the first step Start down the path You will find it one of the most fulfilling things you've ever done

Conversations with God, Books 2 & 3 Walsch, Neale Donald, 2014-09-01 AND GOD SAID Neale Donald Walsch didn't claim to be special or spiritually gifted He was just a frustrated man who sat down one day with pen in his hand and some tough questions in his heart As he wrote his questions to God he realized that God was answering them directly through Walsch's pen And the result was a series of witty provocative and profound books that have changed the lives of readers around the world Here in one handsome volume with new introductions and afterwords are the second two books in the Conversations with God series In Conversations with God 2 Neale Donald Walsch and God continue their discussion and move on to larger topics than the personal issues addressed in Conversation with God 1 The pair discusses time space and politics It is an honest look at some of the broad issues important to all of us on the planet Conversations with God 3 the final book of the original three book series contains universal truths of the highest order and the challenges and opportunities of the soul In this volume the dialogue expands to include more about the nature of God about love and fear about who we are and who we may become Here is also a profound dialogue about the culture philosophy and spirituality of highly evolved beings in other realms of the universe and how they have learned to view life love and the pursuit of happiness *Of*
