Huston estate in Ireland to the Long Island suburbs to a hidden paradise in Mexico and at the side of her older sister Anjelica into the hilltop retreats of Jack Nicholson Ryan O Neal and Marlon Brando Allegra's is the penetrating gaze of an outsider never quite sure if she belongs in this rarefied world and of a motherless child trying to make sense of her famous fragmented family Then at the age of twelve Allegra's precarious sense of self was shattered when she was once more introduced to her father her real one this time the British aristocrat and historian John Julius Norwich At the heart of *Love Child* is Allegra's search through the unreliable certainties of memory for the widely adored mother she never knew the ghost who shadowed her childhood and left her in a web of awkward and unwelcome truths With clear eyed tenderness Allegra tells of how she forged bonds with both her famous fathers transforming her mother's difficult legacy into a hard won blessing Beautifully written and forensically honest *Love Child* is a seductive insight into one of Hollywood's great dynasties and the story of how in a family that defied convention one woman found her balance on the shifting sands of conflicting loyalties
