Bunny Lake Is Missing Evelyn Piper, 2012-10-01 The classic novel of suspense is a headlong story of nerve wracking tension psychological validity and emotional drive Oakland Tribune Blanche Lake is not like the other mothers who come to collect their children at the local nursery school on New York's Upper East Side She lives alone has a job and has never been married It's the first day of school when this story begins and Blanche is eager to see how her daughter Bunny has fared away from home But her expectant waiting becomes a mother's most dreaded nightmare Bunny never materializes Neither teachers nor students recall the small girl and soon Blanche is engaged in a frantic search for any trace of her missing daughter And the worst part is no one believes her In this fraught and at times freakish tale of suspense Evelyn Piper takes us deep into the psyche of the 1950s to explore American fetishes fallacies and fears around motherhood and sexuality Blanche emerges as a new kind of heroine a hard boiled mom with gun in hand willing to take any risk to find her missing daughter A classic thriller a riveting revisit to the dark side of the fifties where the tension beneath the calm surface has an undertow that drags the reader into its grip Prime pulp pure pleasure Linda Fairstein author of *The Bone Vault*

Modernism, History and the First World War Trudi Tate, 2013-01-01 Drawing upon medical journals newspapers propaganda military histories and other writings of the day Modernism History and the First World War reads such writers as Woolf HD Ford Faulkner Kipling and Lawrence alongside fiction and memoirs of soldiers and nurses who served in the war This ground breaking blend of cultural history and close readings shows how modernism after 1914 emerges as a strange but important form of war writing and was profoundly engaged with its own troubled history

Cross-Gendered Literary Voices R. Kim, C. Westall, 2012-05-21 This book investigates male writers use of female voices and female writers use of male voices in literature and theatre from the 1850s to the present examining where how and why such gendered crossings occur and what connections may be found between

these crossings and specific psychological social historical and political contexts **Theatre and Therapy** Fintan Walsh, 2024-09-19 What is the relationship between theatre and therapy How has this relationship developed over time with a new contemporary focus on mental wellbeing How is therapy put on the couch by theatrical performance Theatre and Therapy explores the evolution of links between theatre and therapy by considering actor training theatre in therapeutic contexts and contemporary theatre and performance practice The book illuminates some of the connections and frictions between theatre and therapy drawing on a range of examples that includes theatre performance documentary theatre solo performance comedy method acting and dramatherapy This concise study traverses some of the changing interactions between theatre and therapy and in this revised edition takes into account shifting attitudes and approaches to theatre as a therapeutically inspired practice and tool **The Formation of Pastoral Counselors** Duane R. Bidwell, Joretta L. Marshall, 2012-11-12 Explore the concept of formation in pastoral counseling from a variety of perspectives Two dozen of the most prominent clinicians and scholars in the field reflect on The Formation of Pastoral Counselors from clinical theological and theoretical perspectives This unique book explores the challenges to the personal and professional formation of pastoral counselors in a cultural and historic context that is radically different from the era when the profession first emerged as a specialized ministry Contributors examine formation from a variety of contexts and perspectives including spirituality and gender address theological education and intercultural issues and present emerging models for pastoral counselors The Formation of Pastoral Counselors is a practical guide for educators working to shape curricula and training programs to the shifting context in which pastoral counselors are formed for ministry service and lifelong learning This unique book examines ideas about appropriate content and processes for the formation of pastoral care professionals and looks at specialized contextual training models that form their emerging identities The book's contributors call on extensive experience in pastoral theology care and counseling to explore the essential components of formation across different contexts how those contextual realities change the delivery systems the epistemological nature of formation reasons for the limited roles that formal theological education and spiritual experience seem to play at the moment and why formation is rarely formally addressed in pastoral counseling training Topics discussed in The Formation of Pastoral Counselors include the turn to formation the goals of theological education core elements of pastoral theology developing spiritual practices diversity pastoral counseling training programs race and ethnicity in the formation of pastoral counselors cultural identity intercultural contexts practical relevancy in training gender identity and sexual orientation economic disparity Models and practices examined in The Formation of Pastoral Counselors include parallel charting clinician narratives group supervision Benedictine spirituality academic and clinical training at the Claremont School of Theology the model of formation at the Virginia Institute of Pastoral Care VPCare and much more The Formation of Pastoral Counselors is an essential guide for pastoral counselors faculty in pastoral theological care and counseling and training directors in pastoral counseling centers

The Madness of Knowledge Steven Connor, 2021-07-21 Many human beings have considered the powers and the limits of human knowledge but few have wondered about the power that the idea of knowledge has over us Steven Connor's *The Madness of Knowledge* is the first book to investigate this emotional inner life of knowledge the lusts fantasies dreams and fears that the idea of knowing provokes There are in depth discussions of the imperious will to know of Freud's epistemophilia or love of knowledge and the curiously insistent links between madness magical thinking and the desire for knowledge Connor also probes secrets and revelations quarreling and the history of quizzes and general knowledge charlatanry and pretension both the violent disdain and the sanctification of the stupid as well as the emotional investment in the spaces and places of knowledge from the study to the library In an age of artificial intelligence alternative facts and mistrust of truth *The Madness of Knowledge* offers an opulent enlarging and sometimes unnerving psychopathology of intellectual life

A History of Women in Psychology and Neuroscience Dale DeBakcsy, 2024-09-30 Since virtually its first moments as an academic science women have played a major role in the development of psychology gaining from the outset research opportunities and academic positions that had been denied them for centuries in other branches of scientific investigation Look wherever you will in any branch of psychology or neuroscience in the last century and a half and what you will find are a plethora of women whose discoveries fundamentally changed how we view the brain and its role in the formation of our perceptions and behaviors *A History of Women in Psychology and Neuroscience* tells the story of 267 women whose work opened new doors in humanity's ongoing attempt to learn about its own nature from Christine Ladd Franklin's late 19th century studies of how the brain perceives color to Virginia Johnson's pioneering studies of the human sexual response and Augusta Dejerine Klumpke's early association of neurological conditions with their underlying brain regions to May Britt Moser's Nobel winning discovery a century later of the grid cells that allow us to mentally model our surroundings Here are the stories of when and how we learned how memories are formed what role an enriched environment plays in mental development why some individuals are better able to cope with chronic stress than others how societal stereotypes unconsciously feed into our daily interactions with other people what role evolution might have played in the formation of our social habits what light the practices of sign language might shed on our brain's basic capacity for language how children internalize the violence they experience from others and hundreds of other tales of the women who dug deep into the structures of the human mind to uncover layer by layer the answers to millennia old questions of what humans are and why they behave as they do

The Claustro-Agoraphobic Dilemma in Psychoanalysis Susan Finkelstein, Heinz Weiss, 2022-11-08 This collection addresses the theory of claustro agoraphobic anxieties and schizoid phenomena It provides psychoanalytic case studies of the transference and counter transference dynamic inherent in these agonizing disorders In *The Claustro Agoraphobic Dilemma in Psychoanalysis* Fear of Madness Susan Finkelstein and Heinz Weiss gather both classic papers and new essays presenting a timely assessment of claustro agoraphobia as first developed by Henri Rey This

volume includes papers by Helene Deutsch Bertram Lewin Edoardo Weiss Esther Bick Donald Meltzer Albert Mason John Steiner and Claudia Frank as well as a chapter by Kristin White on working remotely with psychoanalytic patients during the Covid 19 pandemic Applying a Freudian Kleinian and Bionian methodology this collection argues for a long term approach to psychoanalytic treatment in order to help claustrophobic patients work through the unconscious conflicts that interfere with their capacity to engage in a committed relationship This book is essential reading for psychoanalysts in practice and training and will appeal to academics and historians interested in the universality of spiritual and mythic motifs On

Longing Susan Stewart,1993 An analysis of the ways in which everyday objects are narrated to animate or realize certain versions of the world **Gender and Nation in Meiji Japan** Jason G. Karlin,2014-04-30 Gender and Nation in Meiji Japan

is a historical analysis of the discourses of nostalgia in late nineteenth and early twentieth century Japan Through an analysis of the experience of rapid social change in Japan s modernization it argues that fads ry k and the desires they express are central to understanding Japanese modernity conceptions of gender and discourses of nationalism In doing so the author uncovers the myth of eternal return that lurks below the surface of Japanese history as an expression of the desire to find meaning amid the chaos and alienation of modern times The Meiji period 1868 1912 was one of rapid change that hastened the process of forgetting The state s aggressive program of modernization required the repression of history and memory However repression merely produced new forms of desire seeking a return to the past with the result that competing or alternative conceptions of the nation haunted the history of modern Japan Rooted in the belief that the nation was a natural and organic entity that predated the rational modern state such conceptions often were responses to modernity that envisioned the nation in opposition to the modern state What these visions of the nation shared was the ironic desire to overcome the modern condition by seeking the timeless past While the condition of their repression was often linked to the modernizing policies of the Meiji state the means for imagining the nation in opposition to the state required the construction of new symbols that claimed the authority of history and appealed to a rearticulated tradition Through the idiom of gender and nation new reified representations of continuity timelessness and history were fashioned to compensate for the unmooring of inherited practices from the shared locales of everyday life This book examines the intellectual social and cultural factors that contributed to the rapid spread of Western tastes and styles along with the backlash against Westernization that was expressed as a longing for the past By focusing on the expressions of these desires in popular culture and media texts it reveals how the conflation of mother countryside everyday life and history structured representations to naturalize ideologies of gender and nationalism **The Oxford Handbook of Political Leadership** R.

A. W. Rhodes,Paul 't Hart,2014-05-29 Political leadership has made a comeback It was studied intensively not only by political scientists but also by political sociologists and psychologists Sovietologists political anthropologists and by scholars in comparative and development studies from the 1940s to the 1970s Thereafter the field lost its way with the rise of

structuralism neo institutionalism and rational choice approaches to the study of politics government and governance Recently however students of politics have returned to studying the role of individual leaders and the exercise of leadership to explain political outcomes The list of topics is high endless elections conflict management public policy government popularity development governance networks and regional integration In the media age leaders are presented and stage managed spun DDLas the solution to almost every social problem Through the mass media and the Internet citizens and professional observers follow the rise impact and fall of senior political officeholders at closer quarters than ever before This Handbook encapsulates the resurgence by asking where are we today It orders the multidisciplinary field by identifying the distinct and distinctive contributions of the disciplines It meets the urgent need to take stock It brings together scholars from around the world encouraging a comparative perspective to provide a comprehensive coverage of all the major disciplines methods and regions It showcases both the normative and empirical traditions in political leadership studies and juxtaposes behavioural institutional and interpretive approaches It covers formal office based as well as informal emergent political leadership and in both democratic and undemocratic polities

Gender, Nation and State in Modern Japan Andrea Germer, Vera Mackie, Ulrike Wöhr, 2014-07-25 Gender Nation and State in Modern Japan makes a unique contribution to the international literature on the formation of modern nation states in its focus on the gendering of the modern Japanese nation state from the late nineteenth century to the present References to gender relations are deeply embedded in the historical concepts of nation and nationalism and in the related symbols metaphors and arguments Moreover the development of the binary opposition between masculinity and femininity and the development of the modern nation state are processes which occurred simultaneously They were the product of a shift from a stratified hereditary class society to a functionally differentiated social body This volume includes the work of an international group of scholars from Japan the United States Australia and Germany which in many cases appears in English for the first time It provides an interdisciplinary perspective on the formation of the modern Japanese nation state including comparative perspectives from research on the formation of the modern nation state in Europe thus bringing research on Japan into a transnational dialogue This volume will be of interest in the fields of modern Japanese history gender studies political science and comparative studies of nationalism

Samuel Butler, Victorian Against the Grain James G. Paradis, 2007-12-29 Samuel Butler 1835 1902 Victorian satirist critic and visual artist possessed one of the most original and inquiring imaginations of his age The author of two satires *Erewhon* 1872 and *The Way of All Flesh* 1903 Butler's intellectually adventurous explorations along the cultural frontiers of his time appeared in volume after eccentric volume Author of four works on evolution he was one of the most prolific evolutionary speculators of his time He was an innovative travel writer and art historian who used the creative insights of his own painting photography and local knowledge to invent in works like *Alps and Sanctuaries* 1881 a vibrant Italian culture that contrasted with the spiritually frigid experience of his High Church upbringing Despite his range and achievement there remains

surprisingly little contemporary analytical commentary on Butler's work Samuel Butler Victorian against the Grain is an interdisciplinary collection of essays that provides a critical overview of Butler's career one which places his multifaceted body of work within the cultural framework of the Victorian age The essays taken together discuss the formation of Victorian England's ultimate polymath an artistic and intellectual ventriloquist who assumed an extraordinary range of roles as satirist novelist evolutionist natural theologian travel writer art historian biographer classicist painter and photographer An Historical Evaluation of Thomas Hardy's Poetry A. Banerjee, 2000 An anthology of 25 essays on British novelist and poet Hardy's 1840-1928 poetry ranging from Edmund Gosse's 1918 Mr Hardy's Lyrical Poems to Joseph Brodsky's 1998 Wooing the Inanimate Other well-known contributors include T.S. Eliot Ezra Pound W.H. Auden and John Crowe Ransome

Cyberspace Romance Monica Whitty, Adrian Carr, 2017-09-16 Through examples of Whitty's own research on cyber relationships online dating cyber harassment and presentation of self online as well as drawing from other people's research the positive and negative aspects of online relating are presented This is an invaluable resource for anyone studying or conducting research on Internet relationships **D.H. Lawrence and the Paradoxes of Psychic Life** Barbara A. Schapiro, 1999-07-29 Contributing to the debate about D.H. Lawrence's relationship with and fictional portrayal of women this book discusses how the dynamic tensions of his art dramatically reenact the competing forces of psychic and relational life In her examination of Sons and Lovers The Rainbow Women in Love and various short stories Schapiro discusses how Lawrence's best works reveal a continual struggle to recognize and be recognized by the other as an independent subject Drawing on Jessica Benjamin's psychoanalytic theory of intersubjectivity she also demonstrates how a breakdown of balanced subject-subject relations in his texts gives rise to defensive polarities of gender and of domination and submission
