Love In The Valley:

Value in the Valley Iyanla Vanzant, 2002-05-23 The most powerful spiritual healer fixer teacher on the planet Oprah Winfrey Is it the job you hate but need in order to pay the rent Is it that relationship that you gave your all to only to end up with a broken heart again Perhaps it s your children a family member or a life long friend doing you in dragging you down pushing you to the brink If you are an honorary member of the Black Woman s Suffering Society you have probably been told that it s all your fault Or that struggling and suffering is your lot in life Iyanla Vanzant says No Life is an Act of Faith and suffering is optional Those everyday challenges obstacles and dilemmas are what Iyanla calls valleys As bad as they may seem there is a purpose or as Iyanla says There is so much value in the valley If you ve ever been disappointed betrayed rejected abandoned or just plain old scared to let go then you ve been or may still be in a valley Iyanla knows she s been there and on a bad day she s still there but now she shares the way out with you Love in the Hills Fanny Emily Penny, 1913

Bhattacharyya, 2024-12-04 This book masterfully blends fiction and non fiction mirroring a world inching toward destruction amid escalating conflicts Nations are racing to build nuclear weapons driven by ego malice and territorial disputes threatening the very civilization that took millennia to create Humanity now faces the looming shadow of another world war where nuclear devastation could strike at any moment Yet this story offers a solution the unity of humankind through love the only path to lasting peace The author weaves a profound love story that transcends narrow beliefs and urges society to turn away from violence It s a call for global awakening against the misuse of science for destruction Love is shown as the ultimate force to guide us from darkness to light and once readers begin they ll find it impossible to put down My heartfelt wishes to readers for choosing a work destined to be among the world s best Love in the Afternoon Rose

literal connection to me as I experienced combat and lived in a space and time defined by death and the will to overcome that fear That shadow was ever present and I fought hard and willed myself not to be engulfed by it I was much more to my family than a soldier and I wanted my daughter to know the boy that I was and what made me into the soldier that I became This journey was filled with periods of joy and great happiness as well as uncertainty and sadness as a boy and much the same as a soldier I excelled at the things that I applied myself to but was always challenged to perform in order to continue receiving the pleasures of everyday life or to survive a day in combat So both my childhood and my profession were valleys oftentimes reflecting low points and high points with a sense of duty to survive and overcome the day at hand *Love in Flesh and Bone* Amy E.
