Love Is Relationships Paperback:

Love Is a Story Robert J. Sternberg, 1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashingly incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out **The Truth**

About Love Patricia Love, 2001-06-05 Offering a revelatory new perspective on loving relationships the author of *Hot Monogamy* guides readers through the natural stages of love high and low and shows how not to break up before the breakthrough *Love Is A Verb* Pat Hudson, Bill O Hanlon, 1995-02-07 Are you a co dependent Cinderella who loves a man who hates women too much A Peter Pan in denial about his inability to make a commitment If so it s time to stop analyzing your relationship Even if you ve discovered from the talk shows and the self help books that you re afraid of intimacy or prone to self destruction because of a miserable childhood has it really helped If not it s time for action it s time for Love Is a Verb Here is a fresh new approach to relationships The book goes beyond analyzing relationships to changing them even if one partner isn t interested Using a solution oriented approach humor stories and good common sense Bill O Hanlon and Pat Hudson marriage counselors and husband and wife show readers how to break free of old patterns in days and weeks not months or years quickly and easily solve relationship problems improve their sex life increase feelings of love and closeness get over past hurts Lively upbeat and future focused Love Is a Verb shows readers how to change today s dreams of more romance and happiness into tomorrow s reality *The Art of Love* Bud Harris, Massimilla Harris, 2010-05 Are you seeking to renew a relationship considering a new relationship troubled with establishing a long term relationship divorced and trying to understand why your marriage failed experiencing problems in love romance sex intimacy or marriage a therapist or counselor who would like to provide an accessible resource for your clients Millions of books on relationships have been printed over the years Why do we need another We need The Art of Love The Craft of Relationship for the same reasons that

over four and a half million readers wanted Spencer Johnson's *Who Moved My Cheese*. Following Johnson's methods of teaching to a broad modern audience *The Art of Love: The Craft of Relationship* presents the profound principles that form a loving relationship in an easily accessible manner. Using a very simple approach it will help people shift their attitudes and provide them with the skills to create loving long lasting partnerships. There are so many titles in print on change because it is an ongoing challenge for most of us. So are relationships. With more than six decades of experience working with couples we knew we had vital information, lessons and insights to share but we insisted that the book be short, engaging and easy to read. A helpful book does not have to be dense, to be packed with wisdom, skills and ideas that can open the door to a new era of fulfilling relationships. We have brought complex material and common sense into a format that is carefully constructed to achieve results by being communicative and consistent, enjoyable and hopeful. Unlike the textbook appearance of most self help books that include psychological jargon, case examples and exercises, *The Art of Love: The Craft of Relationship* uses stories and dialogue to teach profound insights and valuable skills. It sticks to people talking in a way the reader can identify with and understand. It brings hope because the reader who is experiencing stress in a relationship can see that other people like them are too. And that learning a few basic skills can bring lasting change and renew love. The best news is that our book will be useful to many people because it will give them a new way to look at their relationship and the skills to handle problem after problem in a way that builds love and trust. Our mission is to appeal strongly to those who are considering a relationship, seeking to renew one or are looking for a way to understand a partner and a process for dealing with problems in love, romance, sex, intimacy and living together.

The Love Book for Couples E. Michael Lillibridge, 1984-11 [The New Psychology of Love](#) Robert J. Sternberg, Karin Sternberg, 2019 This is a much needed update on the latest theory and research on love supplied by leading scientific experts. It is suitable for psychologists, neuroscientists, anthropologists, sociologists and anyone with an interest in love and what has been learned from scientific studies of it.

What Is Love? Frank Vilaasa, 2013-01 What is Love? You have an unlimited capacity for love. Many people experience only a small part of this potential. If you want to manifest your full capacity for sharing love, this book will show you how. *What is Love* presents an astonishing new approach to relationships. It uses the Tantric Yoga chakra system to throw new light on all aspects of intimate relationships. It reveals the truth of what love is in a startlingly original way; you will also learn how to get beyond difficulties, how to enjoy an on going blissful sexuality, how to create an abundant flow of love, how relationships can further your spiritual awareness. These and other issues are explored in practical detail. This book exposes the illusions that people have about loving relationships and reveals the true nature of love with amazing clarity. You will learn how to change unrealistic expectations into the simple reality of love. Through practical steps you will discover how to create a relationship that is nurturing and fulfilling to the heart and soul. Frank Vilaasa is a counselor and meditation teacher. He has many years experience in successfully counseling people on relationship issues. He has received teaching on awakening the heart as a

spiritual practice from teachers in India Bhutan SE Asia UK USA and Australia

The Nature of Love and Relationships
Tom Omid, Tom Omid Ph D, 2011-11-01 Description The Nature of Love and Relationships studies the fast deteriorating situation of relationships in modern societies with the objective of finding practical solutions It is a comprehensive book about man women relationships that is developed based on scientific facts but written in a simple language for the general public Contrary to the present approach to address the symptoms of relationship conflicts this book explores the deep rooted problems of relationships as a pandemic It is written for the understanding of the general public although the discussions are based on scientific methodologies and analyses The table of content and preliminary pages of this book show the main theme and the structure of the book Every chapter contains many innovative and educational ideas about relationships while couples limitations to relate are explained in great detail In a nutshell the book studies the main issues of relationships in an easy to understand scientific structure To reverse the frightening trends in relationships radical changes are needed in terms of both people s mindset and social mechanisms This book is the product of the author s research expertise and efforts to save his own marriage during the last fifteen years The book contains around 135 000 words and over thirty five simple diagrams and tables Synopsis Over the last few decades we have developed wrong perceptions about the nature of love and the purpose of relationships With drastic changes in social values and lifestyles our expectations from relationships have skyrocketed in line with our escalating personal aspirations But all these idealistic needs have only led to more distress for everybody The rising divorce rate and endless family conflicts reflect the hectic environment of relationships These facts also reveal that our present methods of dealing with relationship hurdles have failed While focusing on the symptoms of relationship failures we have ignored the roots of the problems as a social pandemic So it is time now to analyse the real sources of problems and face up to the high complexity of relationships in new societies It appears that we need radical solutions compatible with our new social values and expanding personal needs A main goal of this book is to help couples review their mentality about the capacity and purpose of relationships Another objective is to suggest a framework that can assist couples assess their relationships more realistically Too many relationships are ruined nowadays due to partners biased judgments and hasty decisions The ultimate goal of this book is to bring objectivity back into relationships At the very least it is time to appreciate the need for viewing relationships in a new light consistent with the characteristics of new lifestyles Instead of searching all our lives for a soul mate and an ideal relationship we must find a way to relate more effectively while strengthening our identity and individualism too Love man woman relationship personality conflicts and factors gender differences relationship needs and models compatibility factors and tests the meaning of love

The Love Secret Sue Johnson, 2014-01-16 We are in danger of being swept away on a tide of pessimism about love and relationships Endless cynical stories of affairs by politicians athletes and celebrities fill the media The dominant message is that creating a rewarding and enduring romantic relationship is impossible In *The Love Secret* Dr Sue Johnson draws on the very latest

scientific studies on attachment theory including her own research to show that this just isn't the case. The Big News is that we are naturally monogamous bonding animals. A lasting loving relationship is completely within our reach. In *The Love Secret* you will discover how the brain works when you are in a stable caring relationship and how you can use this groundbreaking knowledge to achieve such positive results in your own life.

The Art of Love Bud Harris, Massimilla Harris, 2010-06 Pocket Book edition of *The Art of Love: The Craft of Relationship* by Massimilla and Bud Harris. Millions of books on relationships have been printed in the last several years. Why do we need another one? We need *The Art of Love: The Craft of Relationship* for the same reasons that over four and a half million readers wanted Spencer Johnson's *Who Moved My Cheese* in a market that already had over 12,000 titles in print on the subject of change. Following Johnson's methods of teaching to a broad modern audience, *The Art of Love* presents the profound principles that form a loving relationship in an easily accessible manner. Using a deceptively simple approach, it will help people shift their attitudes and give them the skills to create a loving long-lasting partnership. There are so many titles in print on change because it is an ongoing challenge for most of us. So are relationships. With many years of experience working with couples, Bud and Massimilla Harris share vital information, lessons, and insights. Engaging and easy to read, *The Art of Love: The Craft of Relationship* is packed with wisdom, skills, and ideas that can open the door to a new era of fulfilling relationships. This forthcoming Fisher King Press publication brings complex material and common sense into a format that is carefully constructed to achieve results by being communicative and consistent, enjoyable and hopeful. Unlike the textbook appearance of many self-help books that include psychological jargon, case examples, and exercises, *The Art of Love: The Craft of Relationship* uses stories and dialogue to teach profound insights and valuable skills to handle problems in a way that builds love and trust. *The Art of Love: The Craft of Relationship* is for Singles and couples who seek self-improvement, who want to enrich their relationships, and who desire practical advice for helping love and trust grow. Singles who are frustrated with their current relationships or have difficulty staying in long-term relationships and who want to find and develop a more supportive and interactive partnership. Couples who need to learn how to understand each other better in order to have their uniqueness affirmed without threatening their relationship. Couples who are experiencing relational difficulties and who need to improve their communication with each other and learn how to handle conflicts in a way that brings them closer together. Divorced individuals who need support in understanding why their marriages failed and who need encouragement in seeking to get their needs met again. People who are interested in cultivating love and closeness in a way that supports individual growth. Therapists and counselors who seek an accessible resource for their clients and for readers who wish to explore the most recent perspectives on relationship dynamics. Groups of people, whether religious or educational, who are concerned about the state of their relationships. People who are seeking to understand them and discover the promises of love and joy that being in life together can bring.

Many Faces of Love Kaarina Määttä, Satu Uusiautti, 2013-04-19. What do we actually talk about when we talk about love? Research

on love and emotions has been met with suspicion although people live in a network of relationships from birth to death and the ability to build and maintain relationships is an important strength This book provides a comprehensive research based analysis of love in human life romantic love and its ups and downs and the fascination of love the combination of work and family the secrets of a long lasting marriage senior love and the throes and relief of a divorce Love is also discussed in relation to other phenomena such as friendship play and creativity In addition themes of parental love and pedagogical love and the ability to love as well as dark sides of love are introduced Love is worth cherishing and practicing Other people s experiences may be helpful and information about the nature of love can relieve the pain Thus love in its various forms makes the best health insurance This book is meant for everyone interested in love but also for professionals in various fields such as psychologists educators and couple and family counselors The book is based on authors Prof Kaarina M tt s and Dr Satu Uusiautti s extensive research on love at the University of Lapland Finland
