Love N Romance

**Mary Kennedy, Cathy Lubelska, Val
Walsh**

Love N Romance:

Women and Romance Susan Ostrov Weisser, 2001-07 Weisser English Adelphi U writes that her anthology is for anyone who is interested in understanding the conflicted but powerful female urge to experience the pleasure and endure the pain of romantic love In particular she explores the collision of pervasive media images of romance with feminist values of independence and self assertion Several dozen historic and contemporary works of criticism personal essays and letters by feminist and anti feminist thinkers consider changing images of romantic love and whether romance fundamentally weakens or empowers women Contributors include Jean Jacques Rousseau Charlotte Bronte Karen Horney Simone de Beauvoir Rita Mae Brown bell hooks Vivian Gornick and Carolyn Heilbrun c Book News Inc Evolution, Feminism, and Romantic Fiction Ania Grant, 2025-08-14 Romantic fiction has long been dismissed as trivial and denounced for peddling supposedly oppressive patriarchal myths of heterosexual love and marriage Despite such criticism the popularity of romantic fiction has only increased in recent decades Drawing on research from the evolutionary sciences Ania Grant proposes that narrative patterns of romantic stories and their enduring appeal reflect the importance of love as a fundamental human drive She examines two of the most successful and critically scrutinized romantic narratives of the past 200 years Jane Austen's classic novel *Pride and Prejudice* and the hit television series *Sex and the City* and argues that such texts simulate the cognitive and emotional complexities of mate choice one of the most consequential decisions from both a biological and a cultural perspective Her biocultural analysis aligns the interpretation of romantic fiction with the feminist ideals of female autonomy and gender equality It also suggests that positive identification with romantic heroines gives audiences the hope and energy to pursue the transformation of gender relations in real life The book will be of interest to anyone who ever wondered why so many women and some men around the world are enthralled by romantic stories It will also appeal to anyone who has ever been inspired by romantic happy endings to strive for a world in which men and women love and cooperate with each other even if it seems like a utopian ideal while the war of the sexes rages on **Gender and Romance in Chaucer's Canterbury**

Tales Susan Crane, 2014-07-14 In this fresh look at Chaucer's relation to English and French romances of the late Middle Ages Crane shows that Chaucer's depictions of masculinity and femininity constitute an extensive and sympathetic response to the genre For Chaucer she proposes gender is the defining concern of romance As the foundational narratives of courtship romances participate in the late medieval elaboration of new meanings around heterosexual identity Crane draws on feminist and genre theory to argue that Chaucer's profound interest in the cultural construction of masculinity and femininity arises in large part from his experience of romance In depicting the maturation of young women and men romances stage an ideology of identity that is based in gender difference Less obviously gendered concerns of romance social hierarchy magic and adventure are also involved in expressing femininity and masculinity The genders prove to be not simply binary opposites but overlapping and shifting coreferents Precarious social standing can carry a feminine taint women's adventures recall but

also contradict those of men This lively study reveals that Chaucer's redeployments of romance are particularly sensitive to the crucial place gender holds in the genre Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Rekindling the Romance Dennis Rainey, Barbara Rainey, Bob DeMoss, The Ladies' Cabinet of Fashion, Music & Romance, **The Oxford Handbook of Human Mating** David M. Buss, 2023 The scientific study of human mating has mushroomed over the past three decades This handbook showcases the best and the brightest scientists in the field providing up to date summaries of theories and empirical evidence of the science of human mating strategies It includes major sections on theories of human mating mate selection and mate attraction mate competition sexual conflict in mating human pair bonding the endocrinology of mating and mating in the modern world

Shelley and the Romantic Imagination Thomas R. Frosch, 2007 Frosch offers a fuller psychoanalytic account of Shelley's poetry than previously available discussing both oedipal and pre oedipal conflict the positive and negative attitudes toward both the father and the mother and the subtle workings defensive and creative of the ego Jacket The Routledge Research Companion to Popular Romance Fiction Jayashree Kamblé, Eric Murphy Selinger, Hsu-Ming Teo, 2020-08-11 Popular romance fiction constitutes the largest segment of the global book market Bringing together an international group of scholars The Routledge Research Companion to Popular Romance Fiction offers a ground breaking exploration of this global genre and its remarkable readership In recognition of the diversity of the form the Companion provides a history of the genre an overview of disciplinary approaches to studying romance fiction and critical analyses of important subgenres themes and topics It also highlights new and understudied avenues of inquiry for future research in this vibrant and still emerging field The first systematic comprehensive resource on romance fiction this Companion will be invaluable to students and scholars and accessible to romance readers
