Carl,2018-02-04 Dolly Elliott's earned its reputation as a school for bad girls Nestled within an isolated forest outside of the London suburbs it's the last stop for students who have been expelled from every other school in Europe For the right price the administrators guarantee a diploma for any girl no matter how rebellious But the halls of Dolly Elliott's are haunted by more than the laughter of the young women earning their degrees At night the wail of a baby can be heard from the cellar and foul odors permeate the dorms Glimpses of blinded nuns disturb the daily routine of the young women And something is moving from the other side of the mirrors seeking a way into our world It hates the living especially the girls it jealously watches When Laura Pennington arrives as a new student she carries secrets a past that led to her fleeing her last school screaming in terror On the same day Sarah Stallworth begins teaching the young women of Dollie Elliott's and she brings her own baggage When a young maid is horribly mutilated and a teacher is murdered they launch an investigation into what roams the halls of the school at night The past is trying to intrude upon the present attempting to force its way into the new century Can Laura and Sarah learn the terrible truth about the school before more women die THE SCHOOL THAT SCREAMED is a loving homage to the over the top exploitation films that were imported from Europe in the 1970's a drive in flick brought to vivid life on the page Full of sex sin slashings and secrets it delivers a grindhouse sized dose of terror and laughter The Musical Times and Singing-class Circular ,1903 Journal of West Indian Literature ,1986
