Love Rules Silent Hollywood And The Rise Of The Managerial Class:

Love Rules Mark Garrett Cooper,2003 Arguing for a sweeping new consideration of the shift from print to cinema as a governing system for organizing modern American social relations this book uncovers an intimate connection between Hollywood romances of the silent era and the empowerment of a managerial class During the 1910s and 1920s American movies told love stories through what rapidly became ubiquitous images Again and again silent features showed lovers separated by seeming happenstance and reunited as if by magical forces Mark Garrett Cooper argues that this magic implies the expertise of the corporate movie studio with its hierarchies of professional experts In other words the Hollywood love story amounts to a managerial technique Through close study of such films as Birth of a Nation Enoch Arden The Crowd Why Change Your Wife and The Jazz Singer Love Rules shows how cinematic romance offers an object lesson in how to arrange American society a lesson that implies that such work can be accomplished only by a managerial class Love Rules offers a boldly original account of how the Hollywood feature film supplanted the imagined community of print culture and in doing so played a key role in the transformation of American mass culture *Love Rules* Mark Garrett Cooper,2003

Happy Endings in Hollywood Cinema James MacDowell, 2013-07-22 Hollywood happy ending has long been considered among the most famous and standardised features in the whole of narrative filmmaking Yet while ceaselessly invoked this notorious device has received barely any detailed attention from the field of film studies This book is thus the first in depth examination of one of the most overused and under analysed concepts in discussions of popular cinema What exactly is the happy ending Is it simply a cliché as commonly supposed Why has it earned such an unenviable reputation What does it or can it mean Concentrating especially on conclusions featuring an

The Movies as a World Force Ryan Jay Friedman, 2019-02-04 Throughout the silent feature era American artists and intellectuals routinely described cinema as a force of global communion a universal language promoting mutual understanding and harmonious coexistence amongst disparate groups of people In the early 1920s film industry leaders began to espouse this utopian view in order to claim for motion pictures an essentially uplifting social function The Movies as a World Force examines the body of writing in which this understanding of cinema emerged and explores how it shaped particular silent films and their marketing campaigns The utopian and

universalist view of cinema the book shows represents a synthesis of New Age spirituality and the new liberalism It provided a framework for the first official written histories of American cinema and persisted as an advertising trope even after the transition to sound made movies reliant on specific national languages *American Film History* Cynthia Lucia,Roy Grundmann,Art Simon,2015-09-08 This authoritative collection of introductory and specialized readings explores the rich and innovative history of this period in American cinema Spanning an essential range of subjects from the early 1900s Nickelodeon to the decline of the studio system in the 1960s it combines a broad historical context with careful readings of individual films Charts the rise of film in early twentieth century America from its origins to 1960 exploring mainstream trends and developments along with topics often relegated to the margins of standard film histories Covers diverse issues ranging from silent film and its iconic figures such as Charlie Chaplin to the coming of sound and the rise of film genres studio moguls and later the Production Code and Cold War Blacklist Designed with both students and scholars in mind each section opens with an historical overview and includes chapters that provide close careful readings of individual films clustered around specific topics Accessibly structured by historical period offering valuable cultural social and political contexts Contains careful close analysis of key filmmakers and films from the era including D W Griffith Charles Chaplin Buster Keaton Erich von Stroheim Cecil B DeMille Don Juan The Jazz Singer I Am a Fugitive from a Chain Gang Scarface Red Dust Glorifying the American Girl Meet Me in St Louis Citizen Kane Bambi Frank Capra s Why We Fightseries The Strange Love of Martha Ivers Rebel Without a Cause Force of Evil and selected American avant garde and underground films among many others Additional online resources such as sample syllabi which include suggested readings and filmographies for both general specialized courses will be available online May be used alongside American Film History Selected Readings 1960 to the Present to provide an authoritative study of American cinema through the new millennium *Dying to Belong* Martha P. Bean,2011 Today we are so accustomed to consuming the amplified lives of film stars that the origins of the phenomenon may seem inevitable in retrospect But the conjunction of the terms

movie and star was inconceivable prior to the 1910s *Flickers of Desire* explores the emergence of this mass cultural phenomenon asking how and why a cinema that did not even run screen credits developed so quickly into a venue in which performers became the American film industry's most lucrative mode of product individuation Contributors chart the rise of American cinema's first galaxy of stars through a variety of archival sources newspaper columns popular journals fan magazines cartoons dolls postcards scrapbooks personal letters limericks and dances The iconic status of Charlie Chaplin's little tramp Mary Pickford's golden curls Pearl White's daring stunts or Sessue Hayakawa's expressionless mask reflect the wild diversity of a public's desired ideals while Theda Bara's seductive turn as the embodiment of feminine evil George Beban's performance as a sympathetic Italian immigrant or G M Anderson's creation of the heroic cowboy outlaw character transformed the fantasies that shaped American filmmaking and its vital role in society

Universal Women Mark Garrett Cooper, 2010-03-10 Between 1912 and 1919 the Universal Film Manufacturing Company credited eleven women with directing at least 170 films but by the mid 1920s all of these directors had left Universal and only one still worked in the film industry at all This book explores how corporate movie studios interpret and act on institutional culture in deciding what it means to work as a man or woman In focusing on issues of institutional change the author challenges interpretations that explain women's exile from the film industry as the inevitable result of a transhistorical sexism or as an effect of a broadly cultural revision of gendered work roles He examines the relationship between institutional organization and aesthetic conventions during the formative years when women filmmakers such as Ruth Ann Baldwin Cleo Madison Ruth Stonehouse Elise Jane Wilson and Ida May Park directed films for Universal

Ready for My Closeup David M. Lubin, 2025-08-12 For readers of Sam Wasson and Glenn Frankel a cultural history about the making and lasting significance of *Sunset Boulevard* whose piercing and in many ways prophetic critiques of fame continue to resonate today Great films are born of great collaborations and *Sunset Boulevard* represents one of the most extraordinary confluences of cinematic talent in film history but its production was surprisingly fraught filled with unexpected twists Why was William Holden who had never caught fire as a leading man hired to play Joe Gillis after the fastest rising star in the business dropped out at the last minute After Mae West and Mary Pickford turned down the now iconic role of Norma Desmond how did Billy Wilder convince Gloria Swanson who had long been absent from Hollywood at this point to leave her

low paying job as a TV talk show host to join the cast From the writers room during Billy Wilder and Charles Brackett s final collaboration to the moment when the film won three Academy Awards scholar and former Rolling Stone staffer David M Lubin takes readers on a fascinating journey through film history that proves once and for all why Sunset Boulevard is one of the most iconic films in cinematic history Just in time for the film s 75th anniversary Ready for My Closeup breathes life into a beloved masterpiece of American cinema *Ashcan Art, Whiteness, and the Unspectacular Man* Alexis L.

Boylan,2017-04-20 Arriving in New York City in the first decade of the twentieth century six painters Robert Henri John Sloan Everett Shinn Glackens George Luks and George Bellows subsequently known as the Ashcan Circle faced a visual culture that depicted the urban man as a diseased body under assault Ashcan artists countered this narrative manipulating the bodies of construction workers tramps entertainers and office workers to stand in visual opposition to popular political and commercial cultures They did so by repeatedly positioning white male bodies as having no cleverness no moral authority no style and no particular charisma crafting with consistency an unspectacular man This was an attempt both radical and deeply insidious to make the white male body stand outside visual systems of knowledge to resist the disciplining powers of commercial capitalism and to simply be with no justification or rationale Ashcan Art Whiteness and the Unspectacular Man maps how Ashcan artists reconfigured urban masculinity for national audiences and reimaged the possibility and privilege of the unremarkable white male body thus shaping dialogues about modernity gender and race that shifted visual culture in the United States
